

**MR. BEAN TO STAY
IN GOVERNOR RACE**

Intent to Withdraw for Other Candidates Denied.

POLITICAL PLOT SCENTED

Speaker of House Says He Will Not Submit to Consolidation Against Mr. Olcott.

So far as Louis E. Bean is concerned, there is nothing in the report that he may be a party to a scheme to consolidate the field against Ben W. Olcott in the primary races for the republican nomination for governor. The underground gossip has been that attempts are being made to have Speaker Bean and Charles Hall withdraw in favor of L. E. Patterson so the latter can draw on the support of these two in a fight against Mr. Olcott.

Mr. Bean, who is in Portland in the interest of his candidacy, says he is in the race to stay and will conduct a clean campaign on his own merits and "without the indorsement of small political cliques, secret or otherwise, who endeavor to rule the situation and consider the governorship the highest honor the people can give him and that he does not consider it a stepping stone to something else."

Withdrawal Intent Denied.

Mr. Bean's statement follows: "The rumor that I may withdraw my candidacy for the republican nomination for governor in the coming primary election in favor of another candidate is without foundation. I am in this race at the earnest solicitation of many friends and not as a stalking-horse for any other candidate. Evidently the rumor has been originated by certain political cliques which cannot control my candidacy and are persistently trying to eliminate me from the race in favor of a candidate who will submit to their will."

"If my ambition was to be United States senator I would be a candidate for that office. I consider the governorship the highest political honor the people of Oregon can confer upon me. If I am nominated and elected I shall accept the office with a deep appreciation of the honor and responsibility the people have reposed in me."

Clean Campaign Proposed.

"I shall conduct a clean campaign and I urge my friends to assist me to do the same. I am not running for the nomination upon the merits of any other candidates, but upon a belief that my experience in public affairs of Oregon for the past 14 years gives me the knowledge of state affairs that justifies my candidacy. I wish to reiterate the clause from my initial announcement."

"Since I would enter office free from promises or commitments to special interest, I would be in a position to give every one the full measure of justice and equality due to them under our American form of government."

RINGS WORTH \$800 TAKEN

Mrs. K. Sinclair Reports Theft of Diamonds From Home.

Two diamond rings, valued at \$800, were stolen by a sneak thief yesterday afternoon from the home of Mrs. K. Sinclair, 801 Savier street, while Mrs. Sinclair was away from the house for a short time on a shopping tour. The rings were in a hand bag on a library table and the bag was gone when Mrs. Sinclair returned. She said she had owned one of the rings for 40 years. This had seven small diamonds set in a row. The other had two diamonds of half-carat size.

A man had come to the back door of the house during the morning on an errand, and it was thought he sized up the situation then and returned after he had seen the woman leave the house. Mrs. Sinclair reported the theft to the police late in the afternoon. She was quite overcome by the loss of the smaller ring.

PUBLIC WORK PROJECTED

Sewer and Street Improvements Will Cost \$42,500.

Public improvements estimated to cost \$42,500 probably will be authorized by the city council within a short time, the estimates having been filed with the council yesterday by City Engineer Laurgaard. The work includes the construction of two sewers and the improvement of five streets.

The streets are as follows: East Salmon, from Forty-first to Forty-fourth, \$7846; East Twenty-first, from Prescott to Crana, \$4693; Haight avenue, from Blandiana to Alberta, \$5997; Kenilworth avenue, from Division to East Caruthers, \$1866; district improvement from Brimard to Killingsworth, and Brimard street, from Michigan avenue to Kerby, \$3523.

The sewers are: East Flinders and East Fifteenth streets, \$3200; and Alder street, from west line of Twelfth to existing sewer in Broadway, \$11,007.

WOMAN TAKEN WITH STILL

Mrs. Frederickson First of Sex Fined for Moonshining.

Mrs. H. F. Frederickson, first woman moonshiner to be arrested by deputies in the office of Sheriff Harburt, was taken into custody at her home, 753 Vancouver avenue, yesterday afternoon, when she was found operating a 15-gallon still. District Judge Bell accepted her plea of guilty and fined her \$250.

The woman said her still had been working only a short while and that she had not yet made any money on the investment. Her husband is working, she asserted. One pint of finished product and 150 gallons of mash were found by Deputy Sheriffs Schirmer, Beeman and Wolfe.

Class Edits Paper.

CONDON, Or., March 24.—(Special.)—The senior English class of the Condon high school has edited this week's edition of the Condon-Globe Times. Besides containing the usual editorials and local news, the paper has many feature articles concerning the early history of Gilliam and Wheeler counties. The work was supervised by Jack Stovall of the English department. Alice Howland was editor, with J. B. Whair as assistant.

Every large city has one newspaper which, by universal consent, is the want-ad medium of the community. In Portland it's The Oregonian.
