NEARLY ALL CLAIMS **CONCEDED TO TURKEY**

Athens, Angora, Constantinople Get Memorandum.

SETTLEMENT IS ASKED

Turks' Stand on Adrianople and Eastern Thrace Are Two That Are Not Allowed.

PARIS, March 27 .- (By the Associ-Press.)-Turkey is nearly all her claims, except those to Adrianople and part of eastern Thrace, in the memorandum which the allied foreign ministers toda; forwarded to Athens, Angera and Constantinople with a view to its acceptance as a

preliminary peace settlement, revising the treaty of Sevres.

The Enos-Media line in Thrace is modified so as to give Turkey more territory on the Bulgarian frontier, but the old Turkish capital of Adrianments is excluded. ople is excluded.

Constantinople remains Turkey's and she retains Armenia with the population under league of nations protection, but she loses the Galliii peninsula and Mesopotamia. The reign ministers give the Greek and Turkish belligerents three weeks in which to reply to the proposed terms. Armenia Is Discussed. Dealing with Armenia, the docu-

menian people and the establishment for a national home for them."

The document does not mention any particular territory where the national home may eventually be fixed. but it specifies that the territory now intelligent women smoke. This or inhabited by the Armenians shall be dinance would make them all crimiunder Turkish sovereignty.

Dardanelles Also Mentioned. With regard to the Dardanelles, the

communication said:
"The Turks are allowed again on
the Asiatio shore of the Dardanelles,
but the interests of peace and security for the future require that Europe shall never again be exposed to the perils and sacrifice imposed upon it in 1914 by the closing of the Dardanelles, and the condition for the return of the Turks to the proximity of the straits is the establishment of a wide demilitarized district, making any military projects in that region improbable.

They finally delem, they stated. They finally de-cided on a line running from Ganos, on the sea of Marmora, to the Bulga-rian frontier in the region of the Istranja mountains, leaving Dodosto, Greek town, to Turkey and Kirk-Killsseh, a Turkish town, to Greece.

Military Service Opposed. The southern end of this line is more favorable to the Greeks than that laid down by the treaty of Sevres, but the northern end considerably favors Turkey.

The foreign ministers demanded the suppression of obligatory mili-

Electrical Satisfaction is Up to You

HERE'S one sure way of getting it, and it's perfectly simple. Employ a qualified contractor and pay him a fair price. Cut-rate electrical work is never economical-you spend far more in the end, in replacing the skimped workmanship and poor materials which made the cut-rate bid possible.

Qualified contractors employ good workmanship, are responsible and use standard materials and appliances such as those which the Pacific States Electric Company, with a world market to choose from, has tested, approved and certified with the "check" seal reproduced at the bottom of this advertisement.

Electrical merchandise bearing this mark can be obtained through contractors and dealers who are qualified as to responsibility and technical competence. When you need the services of a qualified contractor, the Pacific States Electric "check" seal on materials and appliances is a helpful guide in finding one.
