plained the doctor. "I've been in Crook county 22 years and it is the most drawn-out winter that I have experienced. The grass hasn't started varying from yellow to deep cream "Lawrence Mitchell recently polished his saxophone. It has improved the tone greatly.

"The meat market recently installed an adding machine which produces ultra-fine weinies."

Experienced. The grass hasn't started yet. The other day we had a snow storm. I was over to George Russell's ranch last week and plenty of anow could be seen from there. Also the other night there was a film of ice on ghe river and the milkman told me that the milk in his cans froze solid—and it has to be pretty cold trees and if too numerous may determine the milk of the milk to freeze milk. But things are im-proving and new settlers are coming truck.

3. We have been troubled with a large red bird (I think a woodpecker) that picks holes in the corrace in our house. We can't use firearms. What

shall I do to get rid of hims? Undoubtedly the red-shafted flicker Forbush, in "Useful Birds and Their Protection," suggests supplying boxes as a counter-attraction where flickers persist in boring into walls, steeples cornices, etc. If this peaceful remedy fails, we believe peppering the bird with tiny shot from a gun would be quickest. Poison bait could be used, but this is always risky. You might swabbing the cornice with con il, which would not harm the wood and might make it very disagreeable the bird. Flickers are very use ful and should generally be protected

NOT BENEDICT ARNOLD TO GOD Charges of Evangelist.

PORTLAND, April 10 -- (To the Edir.)-In The Oregonian of April 3 s reported a sermon by Evangel Anderson, in which he scores pacifists of the church for their inactivity in "the battle for God against sin." Sin is, indeed, not a trifling matter,

The farmer, says "every time we sin we make ourselves traitors to God and a soldier fighting in the devil's army." freely in the towns, but you don't But when he mentions Christian see many farmers coming to town Science as "a Benedict Arnold to these days, because money is scarce God" I must take issue with him. It However, things are is very evident that Dr. Anderson has with them. However, things is very evident that commencing to look up and the worst an altogether wrong idea of Christian phase appears to have passed."

Science, for the charge he makes is

This attempt, it is said, has thus far been limited to a few of the smaller and there is no likelihood that it will become general. But its trouble-breeding possibilities are viewed with some apprehensiveness. Northwest lumbermen have found in actual practice, that they can operate their mills on the eight-hour day and produce almost as much lumber as by working longer hours. Production records, taken over any produce of the smaller of the sound country, and there is no likelihood that it will be come general. But its trouble-breeding possibilities are viewed with some apprehensiveness. Northwest lumbermen have found in actual practice, that they can operate their mills on the eight-hour day and produce almost as much lumber as by working longer hours. Production records, taken over any considerable period of operation, are

the situation has amounted to that in some districts—is a serious handically as desirous handical cap on business, and the burden is carried, not so much by the court as by the many who must come to court for adjudication of their affairs.

Chief Justice Taft, whose labors to remedy the defects of the descent plants are allowed by Sir Arthur's of the American people to make over all these things to conform with L. W. We specification. Possibly they also then the full particle rate of this, for they have carried on a large number of their affairs. We explanation that "high spirits do not disturbance by every agitator who the court as the carried on a large number of the full particles as serious handication to a large number of the stiffset on the statistical in the burden is carried, not a large number of the stiffset on the stiffset on the stiffset on the full particle and the descent workmen, and a pretext for the Cobo are reality of sin, the thing stocated has lightly as the full particle and the descent on the full particle and the descent on the full particle and the full par

Auto License and Non-Resident. February I bought an automobile paying \$50 down, with the under-I appeared at said person's place of business, but he had moved and left power would be possibly at the expenses, so I was unable to locate him. Could I recover the \$50 if I In practical observations astrono-

casted the person who made out the recempti 2. I am working here temporarily and have a Washington license on my car. I would like to know how long I would be permitted to operate my

license at once,

Form Purchase Money Louns. PORTLAND, April 16 .- (To the Editor.) - Can you tell me if there is Sam Litch, formerly a county com-missioner for Wallowa county, is in money from a bank to buy a ranch the same purpose? A READER.

We know no place where you can corrow the full purchase price of a ond syllable. The state has a loan system under which 50 per cent of the purchase price can be borrowed by ested, write to State Land board, Salem, Or. The government also has farm loan system concerning which write to Federal Land bank, Spokane, Wash.

Principles of Parties. OREGON CITY, Or., April 9,-(To the Editor.)-Please give the principles of the republican, democratic The new Masonic and Eastern Star and socialist parties.
LYDIA DELKER.

More Truth Than Poetry. By James J. Montague

MODERN EFFICIENCY. When Reuben used to come to A stranger, suave and bland,

Would sedulously track him down And grasp him by the hand. And did old Reuben see the sights And games that were forbid,

And spend long, entertaining nights In playing them? He did.

And did he wake some chilly dawn, In some strange cheerless place o find his roll of money gone? That also was the case. 'oday, when Reuben comes to tows

Some dog-faced stranger knocks him

And takes his roll away. Abrupter than the former style This modern form of crime, But it has got it beat a mile In point of saving time.

Before he's here a day,

Far less of time's remoracless flight Need Reuben reckon now-He's on the farm the following night

Which seems to show that even those Whose trade is doing wrong Are always up upon their toes And hustling right along!

Still Pestering Us. The rule that the way to get rid of ten is to lend them money doesn't work in the case of the Mexicans.

To polish up the plow.

Crossing the Bar. To the majority of Americans, the word "schooner" used to mean a receptacle for the conveyance of an ntoxicant, and of late it has come mean the same thing.

Not All Beer and Skittles. Movie stars are widely envied, but hey seem to have their trials ever little while

In Other Days.

ford. Conn., which will have a le 50 feet in diameter, magnify 25,000, 900 times, and show the moon as only six feet away. There is no telescope in existent having an object glass greater that

100 inches in diameter. This is a Victoria, B. C. As the magnifying power of object glass is 100 diameters to the inch, this would magnify 19,000 tim The tube of this telescope is about

The writer in the clipping ma have made an error in his figure Unless a new principle in optics h been discovered, a telescope 50 feet in the diameter of its object glass

This power would not bring the moon within less than 80 miles of the person at the eyeslass, and this great

mers prefer a magnifying power o from 1000 to 4000 diameters, as any power beyond this limit is solde

For further information, write to Alvin Clark, Stamford, Conn.

Pronunciation of Operas. OSTRANDER, Wash. April 2.—(To the Editor.)—1. What are the correct pronunciations of "Monna Vanna," Thais," "Aida"-names of operas? Must a story, fiction or any manuscript, to be accepted by The Oregonian or any other publication Washington when Taft was president. If you have become a resident of the be typewritten? That is, is there any place an author can send a story written in long hand where it will be

ONE WHO WANTS TO KNOW.

1. Chicago grand opera singers pronounced Monna Vanna as spelled Mon-av-an-a, "a" as in "far," accent on second syllable; Thatsta-os, "a" as in "far," "e" as in "see," accent on second syllable; Aldaa-e-da, "a" as in "far" "e" as in "sec." "a as in "gay"; accent on sec-

2. It is the general requirement that manuscript be typewritten.

Pacific Time Meridian. PORTLAND, April 10.—(To the Edi-tor.)—1. The other day on the editorial page you stated Portland tim What degree of longitude is our tit based on?
2. Is the London time in Felden heimer's window correct?
3. Are London time and Greenw'ch time the same?

JOHN BROWN. 1. The Pacific time meridian is 120 degrees west of Greenwich. 2. When it is noon in Portland it
