We completely renew, overhaul or re-build Hudson and Essex automobiles. These are in the best of mechanical condition; they are also warranted the same as factories warrant new cars; in addition we give 90 days free mechanical service.

Other makes of good automobiles thoroughly overhauled, put in first-class condition and sold with a ten days' free trial subject to being re-turned and full credit given on any other car of equal price that cus-tomer may select.

This gives ample time for every pur-chaier to try cut the car he buys, gives him time to have it inspected, and we want only satisfied cus-tomers.
