A Chinese printer has to aweat a week to get a column set; It takes an age to set a page, And there would be a riot when the type was in the chase, some clumay bungler round the

Breezed through the room and scaled his doom By happening to pi it. The Chinese have not got as far as almost all the nations are; They had the start in wealth and

art.
But their great days have faded.
And we'd be back as far as they if, in
our nation's younger day.
Our chief concern had been to learn
An alphabet like they did.

Stirring Young Ambitton If great ships are to be named af-er presidents, the kids of the coun-ry will be almost as eager to, be resident as they are to be home un kings. . . .

Accounted For. railroads are prosperous Crooks bound for New York hey send home to the folks helps the freight business.

Impossible. Tariffs can't be revised by their friends any more. After they have been in effect a year or two, they
