Patriotic Societies Federation Makes Indorsements.

KLANSMEN LEND HELP

Blue Appear Suddenly. Slates Bearing Cognomen of Anti-Blue Law and Red, White and

Election "tickets"—lists prepared by groups—popped up in political circles yesterday like dandelions on a new lawn. And, following the figure of speech, the first to show was the orange colored ticket which has made its appearance regularly for many years.

The orange ticket is vouchered by the Oregon Federation of Patriotic Societies and bears the seal of that organization and the name and address of its secretary, W. C. Elford, 550 Umattilla avenue. There is also an anti-blue law ticket and a red, white and blue ticket, which apparently being an orphan, as it has no acknowledged sponsor, not even the printer's name.

Klan to Follow Ticket.
On the orange ticket, which was circulated at the auditorium Tuesday night, when a Ku Klux Klan lecture was given, the following candidates are indorsed: Congress, Koresel; governor, Hall; state treasurer, Hoff; supreme judge, Burnett and McCourt; labor commissioner, Daniel; public service commissioner, Theisfort; circuit judges, Crouch, Tucker, Hewitt and Hawkins; state senators, Klepper, Wilson and Clark; county commissioners, Adams, Brownell, Campbell, Hurlburt, Hughes, Kirkwood, Kubie, Kuehn, D. C. Lewis, Lynn, North, Lynn, Simmons and Woodward; joint representative, Meindl; county commissioners, Hankin and Walker; auditor, Martin.

Neither Judge Tucker nor Auditor Martin has opposition.
It is said that the Ku Klux Klan intends to follow the orange ticket to a large extent but will break away on some spots. There is said to have been considerable campaigning over the indorsement for county commissioner, one of the state senatorships; the state treasurer nomination and one of the circuit judgeships. It has been observed that Justice Rand, candidate for re-election with his two colleagues, is not on the ticket of the federation.

Indorsements Are Given.
On the red, white and blue ticket the following are indorsed: For national committee man, Fithian; congress, Koresel; governor, Hall; state treasurer, Ryan; the three supreme judges; labor commissioner, Daniel; public service commissioner, Theisfort; circuit judges, Crouch, Tucker, Hewitt, Wright and Moulton; senators, Klepper, Wilson and Clark; representatives, Brownell, Haynes, Carlson, Hickey, Hurlburt, Kubie, H. Houston, D. C. Lewis, Lynn, North, Wells and Woodward; for joint representative, Meindl; county commissioners, Hankin and Walker; county commissioners, Hoff and Rankin.

The anti-blue law league indorses for national committee man, Fithian; congress, Koresel; governor, Patterson; the three supreme justices; labor commissioner, Gram; public service commissioner, Theisfort; circuit judges, Roseman, Tucker, Hawkins and Tanswell; senators, Klepper and Banks; representatives, Brownell, Coffey, Haynes, Hindman, Horne, Hurlburt, Kubie, North, Proudfoot, Rose, Smith and Wells; joint representative, Meindl; county commissioners, Hankin and Walker; county commissioners, Hoff and Rankin. This ticket bears the names of the following officers of the league: George W. Bixler, president; P. Mcintosh, A. E. McKinley.

There is already in the field the ticket of the Merchants and Manufacturers' association which has been published; the Citizens' Tax club, which has announced its legislative ticket and there is yet in the market the ticket of the Motor Vehicle league, and possibly a few others. The labor ticket has been published.

HALL CHALLENGED TO DEBATE

I. L. Patterson Asks Elucidation of Telephone Interests.

I. L. Patterson, candidate for the republican nomination for governor, has challenged Charles E. Hall, one of his opponents, to a joint debate on the question of whether or not Mr. Hall is directly or indirectly connected with the Pacific Telephone & Telegraph company.

Challenge to Mr. Hall is contained in the following letter written by Mr. E. Burko, chairman of the Patterson campaign committee:

Dear Sir: I am inclosing a statement taken from the report of the Cook & Curry Telephone company for the year 1921, filed with the public service commission March 1st.

According to this report the Cook & Curry Telephone company, of which you are president, is controlled by officials of the Pacific Telephone & Telegraph company. It is shown plainly in fact, that C. E. Hickman, division superintendent of the Pacific Telephone & Telegraph company of Portland, voted all the preferred stock and one share of the common stock, by an extract from the minutes of the meeting of the board of directors, January 18, 1922, and of the dividends declared for that year. The stock owned by C. E. Hickman, received \$10,000 and the common stock received \$8500.

This report would naturally put you in a compromising position before the people at this time, as there will be a bill before the people at the fall election which, in case it should carry, would make the public service commission, appointive by the governor.

Senator Patterson expects to speak at a public meeting in Albany, in the evening of May 12, at Oregon City in the evening of the 12th, and he would be very glad to divide time with you at any or all of these meetings.

As this is short, I request an immediate answer from yourself or your manager, Hamilton Johnson.
The statement referred to says, in part: The following information gathered from a certified copy of the annual report of the Cook & Curry Telephone company, with headquarters in Portland, Or., should be of interest to the people of Oregon at this time. This report, for the year 1921, and was filed with the public service commission of Oregon. The C. E. Hickman received \$10,000 and the common stock received \$8,500. An extract from the minutes of the meeting of the board of directors on January 18, 1922, shows that 234 shares were represented, being all of the preferred stock (1000 shares) and 244 shares of the common stock. The entire voting power was exercised by three persons, according to the report, as follows: Shares: C. E. Hickman, in person, common..... 1 Charles Hall, holding proxy to common stock owned by J. E. Montgomerie..... 270 C. E. Hickman, holding proxy to common stock owned by E. W. Gates..... 260

THE DALLES BANK TO PAY Creditors to Get 80 Cents on Dollar From Present Resources.

THE DALLES, Or., May 10.—(Special.)—Creditors of the defunct Dalles Bank probably will receive about 80 cents on the dollar from present resources of the bank proper. It was announced today by J. B. Robertson, treasurer of the Dalles bank, that the Dalles bank had been placed in trust, and the assets of the property will be used in the liquidation, so that it is possible that creditors eventually may get dollar for dollar.

The first dividend to creditors of the savings department will be at least 75 per cent, Mr. Robertson foretold. The first dividend of the creditors of the commercial department will be at least 25 per cent, he said. Both dividends will be paid after June 23. When the bank closed its doors on February 25 loans in the savings department amounted to \$297,881.97, while loans made through the savings department aggregated \$311,842. Mr. Robertson said. The liability to depositors in the commercial department amounted to \$719,525 and \$196,711 in the savings department.

DEMAND FOR FRUIT GOOD
New York Buyer Says Market for Canned Goods Strong.

SALEM, Or., May 10.—(Special.)—There is a heavy demand in the east for all canned goods, according to E. E. Burko, New York, etc., senior member of the firm of Sergeant & Butler, who was in Salem today conferring with James Dunmire, Oregon Growers' Co-operative association.

Mr. Burko said there is an unusually heavy demand for Oregon prunes, while the market is strong in the larger markets with relation to loganberries. Although there will be a heavy crop of fruit in the east this year, Mr. Burko declared that the Oregon products would be in demand, although the prices may not be as satisfactory as in past seasons.

PORTLAND SPIRIT LAUDED

Ex-Imperial Potentate to Break Ground for Hospital for Crippled Children.

BY JAMES D. OLSON.
PHILADELPHIA, Pa., May 10.—(Special.)—W. Freeland Kendrick, past imperial potentate of the Mystic Shrine, who presided over the 1920 Shrine convales in Portland, will be a visitor in Portland during the Rose Festival if it is held on the scheduled dates, June 7, 8 and 9.

Mr. Kendrick assured Eric V. Hauser, president of the Portland Rose Festival association, that he would arrange the itinerary for his trip to the San Francisco Shrine convales as to give Portland at least two days and possibly three.

Portland Spirit Praised.
"I have rearranged my itinerary," said Mr. Kendrick, "in order to be in Portland during the festival period. If it were not for my business relations in Philadelphia I would go to Portland to live. It is a wonderful place and I consider it a privilege and an honor to be able to be present when the people of Portland are staging their annual festival of roses."

Mr. Hauser invited Mr. Kendrick to be his guest at the coronation of the queen, and in addition to present the prizes that have been won during the last year by rose growers who have roses planted in the Portland test garden in Washington park.

One Rose Honors Shriners.
Incidentally one rose that has been awarded a prize is the Imperial Potentate, a rose which was christened in Portland by Mrs. Kendrick in 1920. Through an invitation extended to him by Mayor Baker of Portland and A. T. Tuttle, potentate of Al Edden temple, Mr. Kendrick will turn the first earth at the "ground breaking" ceremonies in connection with the Shriners' hospital for crippled children, to be constructed on a site on Sandy boulevard at East Eighty-third street.

Sponsor for Hospital Movement.
Mr. Kendrick is the "father" of the Shriners' hospital movement, and it was in Portland in 1920 that he started the first resolution which started the Shriners of North America in this great charitable movement, through which it is expected that thousands of helpless crippled children, of every race, color and creed will be made well and returned to society fit to take a part in the battle of life.
