FOR SALE-AUTOMOBILES, A QUESTION OF FAIRNESS IN DODGE BROTHERS' POLICY.

Occasionally we sacrifice a new car sale because we will not allow an ex-cessive price for a used car. We do this for the protection of our patrons. If we paid Smith too much we would have to get it back from Jones. That would be unfair and we believe in fair-ness, even if it hurts.

We tell you our used cars are reconditioned—in Al shape. When we tell you that we mean just that If you find any point not to be as represented, through any oversight on our part, we will correct it. That is another question of fairness.

A used car guarantee is only as strong as the firm or individual that gives it. No stronger. We will gladly refer you to our entire list of used car purchasers. That's fair.
