Plans Well Under Way for Festival Feature Like of Which Never Was Seen Before.

At the semi-weekly meeting of the Rose Festival board of governors at the Multnomah hotel yesterday plans were reported by Percy G. Allen, di-rector in charge of arrangements for the grand floral pageant for making this premier feature of the rose fete one of surpassing beauty and eclips-ing all former records for the length of its panorama.

Through the co-operation of Direc-or Merry, in charge of outside par-icipation, Mr. Allen reported that the number of entries already assured from outside cities and communities exceeds the largest number ever entered for any previous festival, with many more in prospect. Local interest in the big pageant is keen, he said, with enthusiasm increasing daily. daily.

NO one who reacts to aristocratic atmosphere in a motor car, can well remain unresponsive to this new Packard Single-Six.

You will find it not merely true to Packard tradition, but carried beyond, to new heights of taste and beauty in embellishment.

Here is not alone the exquisite environment and positive performance of Packard, but a greater emphasis of value than a truly fine car has ever accomplished before.

Packard mastery of high class production has culminated in an economic, as well as an artistic and engineering triumph, of the first order.
