Poindexter Supporters Fear New Contestant.

19 TAKEN IN I. W. W. RAID

Aberdeen Police Arrest 17 Men and Two Women.

ABERDEEN, Wash., May 30.—(Special.)—Seventeen men and two women, arrested here last night when police broke up an alleged I. W. W. meeting...

Those arrested were J. W. Nitto, Mrs. M. Ray, Jennie Sipo, Gus Trost, Ernest Erickson, Valno Aho, Jack Connors, John McCarty, Thomas Nichols, Bob Pease, Richard Skoglund, Salomon Arvint, Alec Ojaloma, Charles Dunbar, Matt Recco, Martin Pelt, Fred Miller, Gust Vasilantaris and Adam Raymsky.

COUNTY CONVENTION HELD

Cowlitz Republicans Select Delegates to State Meet.

KELSO, Wash., May 30.—(Special.)—The republican county convention at Kalama yesterday selected the following delegates to the state convention...

Friends Plans Reconsidered. In reaching his decision to become a candidate against Poindexter, he said he yielded to the importunities of many who feel, as he does, that the state needs a man of another type as its representative in the senate.

But for all his good faith and good purpose it would seem that Judge Griffiths has not been able to overcome the inhibition of the state constitution and the decision of the state supreme court which appear to make him ineligible as a candidate for anything other than a judicial office.

The constitution of the state of Washington provides that "the judges of the supreme court and the judges of the superior court shall be ineligible to any other office or public employment than judicial, office, or employment, during the term for which they shall have been elected."

THREE HURT IN SMASH

Driver of Auto Alleged to Have Been Drunk.

OLYMPIA, Wash., May 30.—(Special.)—Mrs. E. A. Steiner of Seattle was badly shaken and cut by broken glass, John Gomez of Redmond was cut about the face and the Steiner baby sustained a slight cut on one cheek when Galley, alleged to have been driving while intoxicated, attempted to drive his automobile between the Steiner machine and a standing street car.

Lewis County Coroner Resigns.

CENTRALIA, Wash., May 30.—(Special.)—Dr. David Livingston, who leaves this week for Stellacoom to assume the superintendency of the western Washington hospital for the insane, yesterday tendered his resignation to the Lewis county commissioner as county coroner.

Decision Is Specific.

The supreme court's ruling in the Black case was specific as to the questions presented; the resignation of a judge did not shorten the term for which he had been elected, and he was disqualified as a candidate for other office until that term had elapsed.

SUB-FLAPPERS SEEN AT LOCAL DANCES

Miss Martha Randall Tells of Portland's Child Vamps.

PARENTS ARE BLAMED

Head of Municipal Women's Protective Division Urges Father and Mother to "Buck Up."

"Subflappers? Yes, thousands of them. We have everything in Portland."

"The average age at which a girl gets in some sort of mix-up, formerly 17, is now 15. Since the war, in the last three years, it has dropped two years. Most of the 17-year-olds coming to our attention have been running around two years. The first offense bringing girls to our attention is now committed in the majority of cases between the ages of 14 and 16."

So says Miss Martha Randall, head of the Women's Protective division, regarding the local flappermania situation in its newest phase—and she ought to know.

Dance Hall Guarded.

"Portland is no better than, and just as bad as, any other city in the country on this flapper business, though our dancehalls are better supervised than some cities. Los Angeles has a more intense pleasure-loving atmosphere than we have."

Saturday Closing Legal.

OLYMPIA, Wash., May 30.—(Special.)—There being no statutory provision otherwise, the offices of county auditors, assessors, treasurers, engineers and school superintendents may be closed at 1 o'clock Saturday afternoon.

Parents Are Blamed.

Children are too smart for their parents these days. It's the sophisticated child, the unsophisticated parent. Parents feel their children straining at the leash, pulling for more freedom, wanting to do what other girls do (and unfortunately there are always enough other girls in the neighborhood to serve as an argument for more privileges).
