FOR SALE-AUTOMOBILES A QUESTION OF FAIRNESS IN DODGE BROTHERS POLICE,

Occasionally we sacrifice a new cartale because we will not allow an excessive price for a used car. We do this for the protection of our patrons if we paid Smith too much we would have to get it back from Jones. That would be unfair and we believe in fairness, even if it hurts.

We tell you our used cars are reconditioned—in Al shape. When we tell you that we mean just that. If you find any point not to be as represented through any oversight on our part, we will correct it. That is another question of fairness.

A used car guarantee is only as strong as the firm or individual that gives it. No stronger. We will gladly refer you to our entire list of used car purchasers. That's fair.
