A USED CAR IS NO BETTER THAN THE HOUSE FROM WHICH YOU BUY IT.

The selling of a used car is a problem—there is such opportunity for misrepresentation. An unscrupulous house, or salesman can very easily deceive you as to the condition of the average used car, no matter how "motor-wise" you are. You should be able to rely pretty much upon what you are told—in fact, you have to.

It is the policy of this house to reveal to you as accurately as we can the exact condition of any used car we have for sale.
