

WHITNEY BOYS GIVE SPECTACULAR CONCERT

Robert Murray, Unusual Tenor, Is Featured.

AUDIENCE GOOD-SIZED

Singers Occupy Grandstand at Multnomah Field—Programme Reflects Able Direction.

At Multnomah field last night a good sized audience turned out to hear Robert Murray, the Tacoma boy with the phenomenal tenor voice and to hear the well-known Whitney boys' chorus of 2000. The youthful singers came in groups from Albany, Lebanon, The Dalles, Woodburn, Silverton, Monmouth, Salem, Newberg, McMinnville, Cottage Grove, Astoria, Oregon City, Gresham, Vancouver and Wenatchee, Wash. The boys of assorted sizes had made an impressive picture marching in the big floral parade yesterday, and all along the line of march the young singers, in their white suits and scarlet ties, were much applauded.

Grandstand Occupied. At the entertainment last night they occupied a huge grandstand prepared for them in the center of the big field. The American flag draped at the back of the stand made a colorful spot above all the hundreds of white-garbed figures. Three pianos were placed in the foreground and a platform on which the musical directors stood. Campbell's American band gave several inspirational and well-rendered selections, and a boy band of 20 pieces from Lebanon added its music.

Robert Murray really has a phenomenal voice in that it is of the quality, an almost soprano, and soars amazingly high, until the notes seem like the piercingly sweet notes of a flute. He whistles, too, birdlike trills, and his notes ascend easily and with unerring placement. He is very young in appearance, and presented mainly figure in evening clothes. The audience was absorbed in his singing and he was applauded vociferously. For his first number young Murray sang an aria from "Lakme," and his second offering was the "Bell Song" from "Lakme."

Able Direction Reflected. The Whitney Boys' Chorus reflects the able direction and instruction of their manager. In harmony groups the voices swelled and chanted with variations and pleasing and unexpected flights of vocal pyrotechnics. One of the best liked selections was "Old MacDonald Had a Farm," in which Edward Ross, a young boy from Newberg, directed splendidly. The piece is a rollicking, swinging melody, of amusing words, and incorporates a memory test in which all the animals on old MacDonald's farm are named over and over. To make one mistake would have spoiled this number.

Another sparkling offering was "Merrily Goes Our Bark," with effective chorus work by the band, and the chorus of "Katie, Beautiful Katie," with its stuttering accompaniment, had to be repeated.

Other numbers included "The Old Flag Never Touched the Ground," with solo by Nathan Weston of Hillsboro, "Shine On," with a violin solo by Kenneth Allen of Salem, "The Bill of Fare," "Tramp, Tramp, Tramp," which effectively introduced a drill by the boys, and a solo by Leo Bark of McMinnville.

Specialties Are Given. The exposition song, to the tune of "Marching Through Georgia," was directed by Dr. Eppey of Salem, and specialties were given by Morris Cannon, Dave Richards and Andy Ealey. John Webster sang "Roamin' in the Gloamin'," with the boys joining in the chorus, and the entertainment closed with the delightful rendition of "The Holy City" by the Whitney Boys' chorus, with young Robert Murray singing a flute-like obbligato.

A concert will be held tonight at 8 o'clock and on Sunday afternoon at 2 o'clock.

U. S. HATRED IS URGED

Havana Newspaper Launches New Bitter Attack on America.

HAVANA, June 23.—La Nacion, an afternoon newspaper, has launched another bitter attack against the United States. The attack, which is printed on the first page of the newspaper under a seven-column headline, declares that the American must be our new religion. The newspaper asserts that gratitude for American co-operation during the last years of the revolution against Spain, which would have been won anyway, has blinded Cuba to the sinister motives of the United States, which only intended the revolution to secure control of the island.

The newspaper's attacks, which followed the recent cabinet reconstruction, have accused the Washington government of imposing the reform cabinet on President Zayas. They also have charged that Carlos M. de Cespedes, minister at Washington, was chosen secretary of state in the new cabinet so that when President Zayas and Vice-President Céspedes are deposed, de Cespedes, a friend of the United States, would become president of Cuba.

BERRY CROP PROFITABLE

Clarke County Growers Satisfied With Association Marketing.

VANCOUVER, Wash., June 23.—(Special.)—With the end of the strawberry season in sight, the members of the Washington Growers' association, which handled the crop this year, are more than pleased with the results, and are planning for next year.

The berries are being graded and packed and a higher product is placed on the market. The small, heart-shaped, though good, sweet and firm, are sorted out, hulled and packed in barrels in sugar to be placed in cold storage, where they will keep until they can be disposed of to various commercial users.

PSYCHOLOGIST BARRED

Use of Auditorium Denied to Dr. Orlando Edgar Miller.

Because Dr. Orlando Edgar Miller, widely advertised as a "psychologist," has been identified with the use of stock in concerns which have been openly and publicly criticized,

Mayor Baker yesterday flatly refused the lecturer the right to use the municipal auditorium for his work.

Following the rejection of Miller's application for use of the auditorium Mayor Baker issued the following statement:

After a careful investigation of the affairs of Orlando E. Miller, who has sought permission to use the public auditorium for a campaign such as he and other cities on the coast, I am convinced that the proposition and the underlying motives are such that they should not be permitted. Therefore, I am refusing Mr. Miller the use of the auditorium. My investigation has reached to all points where Mr. Miller has operated, and particularly into the operations of his organization in Seattle recently.

The announced purpose of the meetings which Dr. Miller holds is that of expounding the principles of applied psychology, but the actual and further purpose has been in other cities to promote the sale of stock in concerns which have been identified with the use of stock in concerns which have been openly and publicly criticized.

REPUBLICANS NAME STATE HEAD TODAY

Loyalty to Party Is to Be Test Applied.

KLAN WORKING FOR LEA

Charles Early Groomed by Friends of Fithian—Kelly and Patterson in Background.

Organization of the republican state central committee is to be effected today. There has been much wire-pulling and conferences in the past few days over the election of a state chairman and last night two groups of committeemen held conferences. A majority of the committee expressed themselves most emphatically last night that they would not vote for the position of chairman for any man who will not support the republican ticket from top to bottom.

Loyalty to party will be the principal test applied to aspirants for state chairman. Those who intend applying this test are in the majority on the committee. Charles Early was being groomed as a candidate for chairman by friends of O. H. Fithian, recently defeated for republican national committeeman. Election of Early would be construed as a slap at Ralph E. Williams, national committeeman, because of Early's connection with Fithian. If Early's name goes before the committee today it may precipitate a heated discussion. A. H. Lea is groomed. Lea is said to be the real chief of the Early group and that after Early is presented and a row is raised, Lea's name will be suggested as a compromise.

Such a road, the newspaper man said, would not only provide an outlet for Yakima valley, but would also tap a valuable tract of timber adjacent to Goldendale line running from Fallbridge and passing through Goldendale and the Satus pass of the Simcoe mountains. The timber industry in the vicinity of Goldendale is soon to be developed, and the Eastern & Western Railway, which is planning to build a line from Goldendale to the coast, is planning to commence operations in that section.

Throughout the Klickitat country, Mr. Story declared, the farmers and business men are commenting favorably on the proposal to build such a road.
