Tired of Being Tired?
If weariness overtakes you every day, it may be caused by shoes that bind the feet, that check the circulation, or that cause strain and nervous derangement by encouraging poor carriage. Foot hills and, indirectly, many serious ailments may result from wearing shoes that bind the muscles, press on the nerves and weaken the arch.

NARCOTIC PEDDLER CAUGHT

Sam Wong, aged Chinese, well known to the police as a veteran narcotic peddler, was arrested yesterday by Patrolmen Burdick and Shaffer, when they caught him in a rather novel transfer of drugs. The two officers gave an addict some marked money with which to buy drugs. They saw him, they said, give the money to Sam, who walked away. As he strolled up the street he dropped here and there a package of morphine, Burdick caught the addict and Shaffer, seeing Sam, he was turned over to the federal authorities and was in the county jail last night under \$5000 bonds.

STOVE BUILDING NEARLY DONE.—The new building being constructed for the Coe, Bartling & Kissling interests on the northeast corner of East Clay street and Union avenue is nearly completed and will soon be ready for occupancy, according to Strong & MacNaughton, estate managers for the owners. The structure is of brick and is 9x110 feet, allowing space for five stores and a garage, which will be opened in the building about August 1. The cost of the new structure is approximately \$15,000.

VEPERS BEGIN SUNDAY.—Vesper services in Laurelhurst and Peninsula park on the east side will begin Sunday afternoon at 5 o'clock. The services are being conducted under the auspices of the Portland council of churches, the various churches in each of the districts near these two parks now operating in arranging the services. No Sunday evening services will be held in the neighborhood churches on account of the vesper services. Service will be provided by the young people's organizations.

DETS TO BE FOUGHT.—Poison oak should be plowed under the ground and thus destroyed in order to protect the health of citizens, is the warning given by City Health Officer Parrish yesterday. A number of cases of oak poisoning have been reported to the health department recently and the officers have decided to wage war on the plant. A campaign will be started against weeds and grasses early next week and notices will be sent to property owners to clear their lots.

WOMAN IS ROBBED OF \$35.—Mrs. Frances G. Clark, 61 years old, was held up and robbed of \$35 late Tuesday night by two armed and unmasked robbers, according to a report made to the police. After getting the loot the men escaped in an automobile. She could give only a meager description. Of the money taken, \$75 belonged to the ticket office and \$15 to the confectionery.

SUSPECT IN GIRL CASE IS HELD.—Ernest Colta, a Swiss laborer, 40 years old, was arrested at Peninsula park yesterday by Patrolman Stillwell on suspicion of being the person who has been annoying small girls playing in the park. The arresting officer said that Monday a dozen little girls would be at police headquarters today to identify him. His alleged disorderly conduct has been reported from the park for nearly two weeks.

HAY HEARING TODAY.—Allegations that the railroad companies are charging excessive rates on hay shipments from eastern Oregon farmers to western Oregon dairymen will be aired today at a hearing before the public service commission to be held in room 214 of the courthouse. The complaints against the railroads of Oregon of charging \$2 more on each ton than the lines of Washington charge for equal distance hauls.

BALLOU PLAN REUNION.—A reunion of members of the Ballou family in Oregon and Washington is to take place at the Northold Inn, Seaside, Wash., next Saturday, July 8. Among those expected to be present are General Charles C. Ballou, distinguished overseas veteran; Oscar B. Ballou of Portland; Dr. L. E. Ballou, Luther F. Ballou and William B. Ballou of Seattle, and H. S. Ballou of Boston.

STRIKER IS ARRESTED.—A ripple of strike trouble touched the police yesterday when Grant Lyman, 31, a striker, enraged at the sight of shopmen who refused to strike, threw a table leg at a group of them near Russell and Goldsmith streets. He was hurt. He was jailed on a charge of disorderly conduct and his marksmanship was poor and no later released upon \$250 bail. There has been no other disorder.

LOGGER FACES OLD CHARGE.—H. J. McNeil, logger, probably will pass up Portland next Fourth of July. A year ago on that date he came here and cashed a check for \$85, which police charge was fraudulent. He returned again this year and was arrested for the year-old charge. The arrest was made by Detective Wescott late Tuesday night. He is held on a charge of obtaining money under false pretenses.

FOURTEEN ARE TRANSFERRED.—The United States forest service yesterday announced the transfer of two of its men. William Furst, who has been during the last two years connected with timber survey work in the Oregon department, is going to the Whitman forest in northeastern Oregon. C. Conover, who has also been in timber survey work, goes to the Wenatchee forest.

LEAGUE PICNIC TOMORROW.—The regular monthly picnic meeting of the Realist League will be held at the foot of Mount Tabor on the north side tomorrow night at 8:30 o'clock. H. Edward Mills is leader of the league. The meeting will be one of the regularly scheduled auditor gatherings of the members which are held in some park once each month.

WOODMEN MEET TOMORROW.—The last meeting of the year under the old officers will be held by Multnomah camp, No. 77, Woodmen of the World, at the hall, East Sixth and Alder streets, tomorrow night. A class of 20 will be initiated into the order during the meeting. The membership of Multnomah camp is now 5800, according to J. O. Wilson, secretary.

BOND ISSUE AWARDED.—The city council yesterday awarded the \$38,175.11 city of Portland improvement bond issue to Clark, Kandall & Co. on a bid of \$16.52. The good condition of the city's finances was indicated by the number of high bids received.
