UNION PACIFIC SYSTEM SHOPMEN WANTED FOR RAILROAD SERVICE AND AT WAGES AS FOLLOWS: Machinists 70 cents per hour Boilermakers 71 cents per hour Blacksmiths 70 cents per hour Electricians 70 cents per hour Sheet metal and other workers in this line 70 cents per hour Freight car repairers 63 cents per hour Car inspectors 63 cents per hour Painters, freight cars 63 cents per hour Helpers, all crafts 47 cents per hour

These men are wanted to take the place of men who are striking against the decision of the United States Railroad Labor Board, and their status, and the FULL PROTECTION GUARANTEED, are explained by Mr. Ben W. Hooper, Chairman, in his statement of July 1:

"In this case the conflict is not between the employer and the oppressed employees. The people of this country, through an act of congress, signed by President Wilson, established a tribunal to decide such disputes over wages and working conditions, which are submitted to it in a proper manner. It is the decision of this tribunal against which the shop crafts are striking.

"Regardless of any question of the right of the men to strike, the men who take the strikers' places are merely accepting the wages and working conditions prescribed by a government tribunal and are performing a public service. They are not accepting the wages and working conditions which an employer is trying to impose. FOR THIS REASON PUBLIC SENTIMENT AND FULL GOVERNMENT POWER WILL PROTECT THE MEN WHO REMAIN IN THEIR POSITIONS AND THE NEW MEN WHO MAY COME IN."
