

LEONARD, TENDER TO CLASH TONIGHT

CHALLENGER IS ANGERED

Champion Belittes Ability of Opponent; Both Train Diligently. Crowd of 75,000 Expected.

NEW YORK, July 26.—Not since the Dempsey-Carpenter fight has the public been so worked up over a boxing match as it appears to be over the one scheduled for tomorrow evening in Jersey City between Benny Leonard, champion, New York, and Tender, challenger, Philadelphia, for the world's lightweight title.

Hardly since Leonard took the title from the Englishman, Freddy Welsh, at the Old Manhattan stadium has there been so much pre-fight discussion over a lightweight contest, though in the intervening time Benny has met every contender who asked for a chance. Tender has fought an uphill battle for recognition all the time.

By almost every one except the champion himself, Tender is acknowledged the most dangerous opponent Leonard has had since he won the title. To newspapermen at his training camp at Budd Lake, N. J., Leonard has belittled Tender, christened him a "dub" and classified him as a "second rate."

Tender Trains Diligently. Usually Leonard disses garrulously. He has trained hard and carefully, which Tender cites as ample refutation of the champion's assertions.

For the last few days Leonard has been irritable, but gay. He claims utter sincerity in his appraisal of Tender. The challenger appears genuinely hurt and slightly angered. He radiates a determined, but makes it plain that too much talking might jeopardize his chances of having avoided this match until it became inevitable.

It will be the first meeting of the two, though they have met in the championship bout last year. An episode occurred at that time that caused ill feeling. Tender's manager, Phil Gans, was awarded the \$5000 forfeit Leonard had tendered for appearance, which he was unable to make because of a broken hand, suffered several days before the fight.

Leonard's Record Better. Boxing experts are divided on which man hits the hardest, which is the most aggressive and which can absorb the most punishment, but there is a clear difference in their fighting styles. Tender is a left-hander and Leonard is a right-hander to the greatest advantage. Tender is a body puncher and Leonard devotes more time to the chin and jaw.

Of the two records Leonard's is far the better. He has been in nearly 200 ring bouts, each worth a Saturday night preliminary, but ten years ago, knocking out 63, or about one-third of his opponents, gained a reputation on points and finishing 113 other no-decision affairs, in most of which he had a clear margin.

Tender has won only seven less in the ring and has been in about half as many bouts, 78 or more than three-fourths of them being no-decision affairs. The majority of which he was the unofficial victor. He has 13 knockouts to his credit. He has lost a few decisions, but he has a record of Leonard less than a month ago.

Each Is Near Peak. Furthermore, the names of the mighty are prominent in Tender's record as in Leonard's. His biggest victory was a decision over Johnny Dundee, though Lefty Low had no-decision mixups with Willie Jackson, Frankie Mitchell, Ritchie Mitchell and Sallor Friedman, all topnotchers. Friedman last fall and another previously over George Chaney of Baltimore.

In physical qualifications matters are nearer equal. If Tender, who is 24, can be said to have youth on his side, then Leonard, who is 26, can claim age, but each is near to the summit of a boxer's development. Leonard is by far the more experienced, though Tender is a great distance away from the tyro class.

Their weight will be about equal. They must weight in at 135 pounds at 2 o'clock tomorrow afternoon. It is generally believed getting down to weight has been more costly to Leonard. Tender has nearly two inches advantage in height and one inch longer reach. The margin in neck, chest, forearm, etc., is negligible, though in Tender's favor.

KNOCKOUT IN LIGHTWEIGHT TITLE BOUT HOPE OF FANS

Sporting World Will Be Relieved When Leonard-Tender Argument Is Settled. Old Time Fighters Fought for Small Purses.

Famous sporting authority, thinks that when Leonard falls it will be to a better man than present challenger.

BY ROBERT EYDREN. (Copyright, 1922, by Bell Syndicate, Inc.) The sporting world will be relieved when the Leonard-Tender argument is settled.

If it is settled, of course. Anything can happen in a limited round professional bout. When Benny and Leonard climb out of the ring the stage may be set for another long session of challenges and evasions. What the sporting world hopes for in this fight is a cold, clean K. O. and may the best man win and put the other on the other fellow so completely and satisfactorily that there'll be no alibis.

Crowd of 75,000 Expected. One powerful factor that Tender will be facing is precedent. No lightweight champion ever has been disposed in the full flower of his power, not Welsh, not Jack McAuliffe, nor George Lavigne, nor Frankie Erne, nor the acknowledged master of them all, the dark-skinned Joe Gans.

The next biggest crowd in the history of pugilism is expected to see the battle. The estimate of Rickard, the promoter, is 75,000. It will be a record "gate" for a lightweight match, probably between \$400,000 and \$500,000.

PHIL NEER IS DEFEATED

Voshell Beats Portland Player in New York Tennis.

NEW YORK, July 26.—The semifinal round in the singles of the Metropolitan lawn tennis championship was reached today after the most sensational play of the week on the courts of the Crescent Athletic club in Brooklyn. The quartet that will fight it out tomorrow for places in the final includes Vincent Richards of Yonkers, N. Y., Howard Kinsey of San Francisco, S. Shimidzu of Japan and S. H. Voshell of Brooklyn.

The Kinsey brothers, doubles title holders, proved the sensation of the day. Robert, who won the singles title last year, bowed to the superior court craft of Shimidzu in a three-set match 1-5, 6-4, 6-4, but Howard, who has copied his brother's big upset by eliminating W. M. Washburn of New York, 1921 Davis cup star, in straight sets 9-7, 6-0.

But then, he doesn't often need to. He is of a longer, leaner build than Benny, who runs to thick legs and lanky torso. Both Benny and Lew like to play big income taxes. This promises a hard fight when they meet. Tender has grown rich through being Benny's chief challenger, and could grow much richer if he put Benny under the ropes.

Leonard has put up a good fight, and doesn't see why he should go out of business. Moreover, Tender has a good ring general and a dangerous when in the lead. Unlike Leonard, he doesn't fight a good uphill battle. He is of a longer, leaner build than Benny, who runs to thick legs and lanky torso.

Yankee Led Protested. ST. THE PRESIDENT OF THE UNITED STATES OF AMERICA, to each of the above named defendants, respectively, and to all other persons members of the aforesaid Shop Crafts, or otherwise affiliated, combining, conspiring, agreeing or arranging with them:

WHEREAS, it has been made to appear on the verified Bill of Complaint filed on the 25th day of July, 1922, presented to the Honorable Charles E. Wolverton, Judge of the United States District Court for the District of Oregon, that a restraining order, preliminary to hearing upon a preliminary injunction, is necessary and proper, and that prima facie the plaintiff is entitled to such order restraining the defendants herein and all those affiliated, confederating, combining and conspiring with them and each of them from doing the acts complained of and threatened to be committed.

AND IT APPEARING TO THE COURT that the injuries threatened are great loss and destruction to plaintiff's property, wrongful and unlawful interruption of and interference with the conduct of plaintiff's business as a common carrier and carrier of the United States mails, preventing the plaintiff from performing its duties under the Act to Regulate Commerce, the Transportation Act of 1920 and other acts of Congress applicable to railroad companies, and threatened intimidation of and personal injury to plaintiff's employes and those desiring to enter its employment.

AND IT FURTHER APPEARING TO THE COURT that immediate and irreparable injury, loss and damage will result to plaintiff before notice can be served and hearing had thereon for the reason that the acts of violence have occurred and are being threatened by the above named defendants and other persons combining, conspiring and arranging with them, and that such persons have congregated in large and threatening groups about plaintiff's premises, its line of railroad, depots, platforms, yards, shops and other premises at Albina, Portland, The Dalles, Umatilla, Rieth, La Grande and Huntington, and have threatened the employes of plaintiff in various ways, so that such employes are being hindered, molested, intimidated and prevented from performing their regular work in connection with the maintenance and repair of plaintiff's motive power and equipment, so that there is imminent and immediate danger that the train service of the plaintiff will be further interfered with, delayed and interrupted;

AND IT FURTHER APPEARING TO THE COURT that said injuries will be irreparable, for the reason that the defendants and each of them are impecunious and financially irresponsible and that adequate judgments for damages could not be collected from them and that the acts complained of are so numerous and committed at such various places and circumstances that many of the persons and individuals guilty thereof cannot be apprehended, and that other acts will be committed before hearing unless a restraining order pending said hearing is issued immediately.

Now, THEREFORE, in consideration thereof and of the particular matters in said Bill of Complaint set forth and on motion of plaintiff, IT IS ORDERED that the defendants, and each of them, appear before the District Court of the United States for the District of Oregon at a session to be held in the City of Portland in said District on Monday, the 31st day of July, 1922, at 10 o'clock in the forenoon of said day, and there show cause, if any there be, why the preliminary injunction prayed for in said Bill of Complaint should not issue; and it appearing to the Court that there is danger of immediate and irreparable injury being caused to plaintiff before the hearing on the application for a preliminary injunction can be heard, unless said defendants are, pending such hearing, restrained, as hereinafter set forth, and said plaintiff's application for such restraining order having been granted by the Court and plaintiff having executed a bond approved by the Court in the penal sum of Five Thousand Dollars (\$5000.00) securing the defendants against all loss or damage which may result from the issuance of said restraining order should it be finally determined that the same was improperly issued or that may be awarded to them by reason of the granting of said order.

IT IS, THEREFORE, ORDERED, in consideration hereof and of the particular matters in said Bill of Complaint set forth, that the above named defendants, and each of them, do and each of them do, in active concert, combination or participation with them, and all other persons, associated or acting with or members of the above named Federated Shop Crafts, to-wit: International Association of Machinists, International Brotherhood of Ship Builders and Helpers of America, International Brotherhood of Blacksmiths, Drop Forgers and Amalgamated Sheet Metal Workers' International Alliance, International Brotherhood of Electrical Workers, Brotherhood Railway Carmen of America, International Brotherhood of Firemen and Oilers, and all other persons who are within the District of Oregon, having notice of this order, pending the further order of this court, shall absolutely desist, cease and refrain from in any manner committing or threatening to commit the acts alleged in the Bill of Complaint, or from preventing or attempting to prevent the plaintiff, or any of its employes, from performing the plaintiff's duties under the act to Regulate Commerce, or other acts of congress applicable to railroad companies, or from in any manner intimidating or threatening or accomplishing personal injury to any of plaintiff's employes or from trespassing or going upon its depots, platforms or other property, yards, tracks, buildings, shops or premises or from congregating in large or any other number of threatening groups about plaintiff's premises, or the places of customary ingress and egress to and from the same, or from in any manner interfering with the free use or occupation by plaintiff of any and all of its property or premises of every kind or character, or from interfering with, hindering or stopping any of the business of plaintiff, its agents, officers or employes, in the operation of its line of railroad or any department thereof, or from in any manner whatsoever by the use of assaults, assaults and batteries, personal injury, threats of bodily harm, intimidations and threats of violence of any kind, hindering, obstructing or preventing any person in the employ of plaintiff or any person desiring to enter its employment in connection with the operation of its line of railroad in the State of Oregon, or from inducing or attempting to induce by threats, intimidations, force or violence or by persuasion against the employes' will, or by a suggestion of harm or danger or putting in fear, from interfering or attempting to interfere with the employes of plaintiff in going to and from their daily work, or from either singly or collectively going to the homes of said plaintiff's employes for the purpose of intimidating them or coercing any or all of them to leave the employment of plaintiff, or from intimidating or threatening by letter, telephone or in any other manner the wives or families of said employes, or from aiding or assisting any person or persons in committing any of the aforesaid restricted acts, and from picketing or maintaining at or near the premises of the plaintiff or near the streets, alleys, paths or roads leading to the premises of the plaintiff, any representatives, agents or pickets, more than a single agent, representative or picket at each point of ingress to or egress from the plaintiff's property, premises, shops, depots or places of business, and all singular persons in active concert or combination, agreement or conspiracy with the defendants, or any of them, unlawfully, as hereinafter set forth, are enjoined and inhibited from congregating or loitering on the property or premises of plaintiff, or in the streets, or public places, by which access is had to the property or premises of plaintiff, as well as from maintaining or participating in maintaining patrols around or about said property.

AND IT IS FURTHER ORDERED that such single representative of the defendants is hereby enjoined from making communications to persons entering or leaving the property of plaintiff in an abusive, libelous or threatening manner, or from communicating or attempting to communicate to any person who may be an unwilling listener, or obstructing such person in any way by persistently following him or accompanying him against his will.

IT IS FURTHER ORDERED that this order shall be served by delivering a copy thereof, at the earliest convenience of the United States Marshal, to the defendant, D. P. DELANEY, FREE ROSS and CHARLES B. KNIGHT, and upon the remaining defendants as soon as they be, and to all other unknown and unnamed persons alleged to act in concert, combination and conspiracy with said defendants; said order shall be and become effective upon notice of its publication in The Morning Oregonian, the Evening Telegram, the Evening Journal and the Daily News, each being a daily newspaper printed and published at Portland, Oregon, and the Evening Observer, a daily newspaper printed and published at La Grande, Oregon, in said district, for two (2) consecutive issues thereof, and by posting a copy thereof in one or more of the plaintiff's shops or roundhouses in said district, and the Marshal of this court is directed immediately to publish and post such copies.

IT IS FURTHER ORDERED that plaintiff, having given a bond in the penal sum of Five Thousand Dollars (\$5000) Dollars, conditioned according to law, which bond is hereby approved; this order is hereby made immediately effective.

IT IS FURTHER ORDERED that this order shall remain in effect until the 31st day of July, 1922, and until such further date as this court may hereafter order in the manner provided by law, of which notice must be taken.

Done in open court this 25th day of July, 1922.

Filed July 25, 1922. (Signed) CHAS. E. WOLVERTON, District Judge. G. H. MARSH, Clerk. The foregoing is a full, true and correct copy of the original order made on the 25th day of July, 1922.
