COVEY MOTOR CAR COMPANY ARE SELLERS OF TRANS-PORTATION.

We pride ourselves also in having the most complete facilities to maintain the transportation we sell. Do you realize there is almost the same service to be had from a good used car as you can obtain from a new one of the mame make—in fact, a good used car is far more dependable and enjoyable than a new car of a cheap or uncertain make. Don't laugh when someone speaks of a "used car"—they may be wiser than you are. Better investigate—let us explain.
