BY L. H. GREGORY. Looks as if a new manager was the medicine the Beavers needed. Al Demarce piloted them to victory over the Seattle Suds yesterday in a great ninth and tenth-inning fina great ninth and tenth-inning fin-ish in which the home boys came up from behind, nullified a six-run lead, batted Harry Gardner and Vean Gregg out of the box in suc-cession and jimmied across the win-ning tally in the tenth off another jinx pitcher, Lefty Burger. Score,

A few more thrillers like that game and the fans will be crowd-ing back into the bleachers and grandstand. It was the best fight-ing finish the Beavers have made this year.

Demarce was decidedly in evidence on his first day as manager. He camped on the third base coach-

ing.

In the ninth his managerial strategy lifted McCann at the decisive moment of the ball game with two down, Cox on second and one run needed to tie the score, and sent in Sammy Hale as pinch hitter. Samuel's shoulder hurts him so badly he can't throw 50 feet without hollering "ouch," but there is nothing wrong with his batting eye. Bang! He lit on the first ball for a screecher to center and the tying run raced home on high. That hit broke the speil Veam Gregg has held over the Beavers all year and sent him to the bench.

In the ninth his managerial way, allowing Twombly to score. Crandall also stopped Cooper's hitting marathon today. For 22 games Cooper has hit safely at least once each game. Today Crandall put a cipher in Cooper's hit column. Los Angeles—

Gregg has held over the Beavers all year and sent him to the bench. Lefty Burger replaced him just in time to get charged with the defeat, that being another precedent-breaker, for Burger has been just as pestiferous to the Beavers as Gregg.

But the real thrill of the game was the way the Beavers, licked to a brown frazzle, suddenly forgot all that, turned snarling on Harry Gardner in the seventh, the score being 7 to 1 for the Indians, crashed him for four hits and three runs and knocked him out of the box, then lit on Gregg for three box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box of little runs and knocked him out of the box, then lit on Gregg for three runs and knocked him out of the box of little runs and knocked him out of the box of little runs and knocked him out of the box of little runs and knocked him out of the box of little runs and knocked him out of the box
