BATHING TO BE FEATURE OF ATLANTIC CITY PAGEANT.

Winner of The Oregonian Contest to Be Happy Participant

Atlantic City, pleasure capital of the continent throughout the summer months, is already completing plans for the annual Pageant of Beauty in September and it is the avowed intent of the Atlantic City chamber of commerce, which sponsors it, to outdo every former pageant. Word has come from the promoters of the enterprise that interest is greater than for years, with a bigger attendance assured and biga bigger attendance assured and bigger and better features for the de-light of visitors.

TRAW BALLOTS ALSO FAVOR LIGHT WINES, BEER.

357,000 Register Opinions in Poll of Country Being Taken by Literary Digest.

The vote for light wines and beer as opposed to bone dryness on the one side and a complete repeal of the prohibition amendment on the other continues to have the lead in the straw vote being polled throughout the country by the Literary

Digest.
In the vote on the bonus the balance has swung to the side of those in favor of reimbursing the ex-soldiers although a hair continues

soldiers airhough a hair continues to divide the pro-bonus and the anti-bonus advocates. The vote as set forth in the July 29 issue of the Literary Digest in-cludes a summary of 357,000 ballots. cludes a summary of 357,000 ballots. This gives in favor of strict enforcement of the 18th amendment and Volstead law 135,834; in favor of a modification of the Volstead law to permit light wines and beer 145,727, and in favor of repealing the prohibition amendment 78,039.

The wote on the bonus is yes 177,486, no 176,337.

"Perhaps the most significant fact about the present tabulation of

about the present tabulation of nearly four times as many voter is that, with growing numbers, the relative strength of the "dry," "moist" and "wet" votes remains much the same," says the publica-tion. "There has been a slight drift to dryness it is true throughout the first three polls, but the total change is inconsiderable."

In referring to the vote on the

bonus the publication says:
"A 'hair' continues to 'divide the false and the true' or at least the pro-bonus and the anti-bonus advo-cates, as they register themselves in the Digest's poll of the nation. At the same time, it is noticeable that from the receipt of the first votes there has been a very slow swing in favor of those who sup-port adjusted compensation. The total difference, beginning with a majority of less than a thousand on the 'no' side of the argument. reaches a total of a few more than

# ICE CREAM

H

H

The new ice cream with the indescribably delicious flavor! Delicate—elusive tantalizing-you try and try to "place" the different bits of fruit that have been combined to attain that exquisite Fruit-Kist delicacy! The most delicious fruits of the tropics—the most luscious Oregon berries - and nuts. All these have been combined by a secret process and frozen in pure, rich cream.

Fruit-Kist Ice Cream (like all the ice cream made by the companies named below) is built up to contain the same proportionate food values as milk. Butterfat to give the right amount of heat -solids to give the proper bone and sinew building qualities. And to insure its purity and safeguard the VITA-MINES it is HEATHIZED. Refreshing! It's the most healthful, refreshing hot-weather food you could want!
