## UNION HAS HEAVY RAIN

### Grande Ronde Crops Helped and Forest Fires Put Out.

LA GRANDE, Or., Aug-4.—(Special.)—A steady rain falling all last night gave the Grande Rondo valley a soaking. The benefit of the rain more than offset the damage done. What little damage was done was to the winter wheat, which, in some cases may be bleached as the result of the downpour. This will force the price down slightly, heing graded off for bleaching.

The spring wheat is backward, owing to the unusually long winter. The rain's benefit will more than offset the slight damage to the winter sowing. Several forest fires in the mountains surrounding La Grande were put out by the rain. LA GRANDE, Or., Aug.4 .- (Spe
