NEW FALL PRICES. In line with the approach of the fall season and the price re-ductions of several makes of cars, we offer a new list of prices.

We have repriced our used cars after an intelligent survey of all the used-car stocks and prices in Portland, and with this information at hand we have made these prices as hon-estly and fairly as we know how.

These cars are thoroughly re-conditioned and are desirable in appearance and the same hon-esty and fairness of the Dodge Bros' policy is behind; these cars to make them dependable transportation. Our used cars have always been sold completely equipped; that means curtains, tools, extra tires and license.

Our stock is small, about 27 cars. These who come first will have the more complete stock to select from. BRALEY, GRAHAM & CHILD.
