Three-Eighths, Half and Quarter Blood Purchases Deplete Dealers' Stocks.

cial.)-The wool market furnishes cial.)—The wool market furnishes evidence that worsted mills have sold a good volume of "fancy" worsteds, having been able to meet the demand for low-priced cloth. They are continuing to purchase medium territory wools, mainly three-eighths blood, and it is not denied that this grade is used largely in the new lines they are showing. They are also buying half-blood in quantity and considerable quarter-

300,000 pounds and another 100,000 pounds, at 37 to 39 cents, the landed cured more of the triangle wools accumulated at Cokeville, Wyo., at point, Baker will have a direct advances over the sealed bids re-cently made, all of which were rejected. For these wools, which are mostly quarter-blood and below, they paid 25 to 35 cents, most of the purchases being between 28 and

Prices Are Unchanged.

Prices of territory wool here are unchanged, save that half-bloods is don't get that way for any such slightly higher at \$1.15 to \$1.18 reason. But the deer season opens slightly higher at \$1.15 to \$1.18 clean. Some holders ask \$1.20, while three-eighths blood remains at 90 to 95 cents and quarter-blood at 75 to 80 cents. Emphasis is placed more on the high figures of the some states, of the identity of the to 95 cents and quarter-blood at 75 to 80 cents. Emphasis is placed some states, of the identity of the more on the high figure of the hunter; hunters are required to wear more on the high figure of the hunter; hunters are required to their range. Knitting yarn spinners continue to compete with mills for the medium wools. Fine wools remain feel that they must shoot at every medium wools. ounds of good French combing is eported at about \$1.25, clean. Other ots sold at \$1.15 to \$1.20.

Choice fine and fine medium still is quoted at \$1.30 to \$1.35 and fine and fine medium clothing at \$1.10 to \$1.15. Eastern dealers have secured some scattered fleece clips in ut refuse to give prices, quotations here are unchanged, although recent sales have been at the low edge of the market, half-blood at 50 cents, three-eighths blood at 46 cents and quarter-blood

pool has been advanced to August 29 on account of tariff. This mar-ket is overstocked with East Indies and Bostonians are not expected to compete strongly at the sale. Buenos Aires reports the winter in the River Plate very rainy and that flocks are in very good condition, with good wool, well grown, light shrinkage and very few burrs. The coming Argentine clip is estimated at about 225,000 bales, a decrease of 25 per cent from last season. The wool will run 7 per cent fine. 43 per cent fine cross-breds and medium cross-breds, and 50 per cent fine cross-breds and so bear reached. The fruit is being shipped by the Oregon Packing of per cent medium cross-breds. 15 per cent fine will be cross-breds, a decrease of 15 per cent. There will be cross-breds, 15 per cent medium cross-breds and 15 per cent fine cross-breds and so per cent medium cross-breds. 15 per cent medium cross-breds and 15 per cent fine cross-breds and 15 per cent medium pany.—Vancouver Columbian.

Jersey Sire Purchased.

A. W. Bartlett & Son, of Rickreall glow Jersey herd at Oswego, W. M. RESULT OF DRY SUMMER Ladd, owner, a baby son of Vive's Golden Glows Chief 154815, out of Sunlight's Glow 296336, Bartlett are new Jersey breeders having purchased their founda-tion of females at Pickard Bros., Marion, Or., last fall. They have to mate with this young sire, two daughters of Darling's Gallant Boy. one daughter of Sir Cuthhert of Ore gon, and one of the first daughters of Pickard Bros.' junior sire, Frosty's Valinda's Son. The calf junior sire, on. The calf our chased from Mr. Ladd car-les 62% per cent the blood can spile crop this year over 1921, but of Golden Glow's Chief, and in the Pacific northwest the yield is his two, nearest dams are the greatest and fourth greatest daugh-ters of that bull and have an average record of 920 pounds of fat in one year.—Polk County Observer.

In Grant and Wheeler counties is scenic section of eastern Oregon which little is known, but which The demand for these three grades is such that some dealers whose stocks are depleted have gone into wool-growing districts for more supplies. They have secured a large volume of medium wool at Dillon, Mont., one Boston house buying 300,000 pounds and another 100,000 er. The grandeur and beauty of the precipices with the different colorcost in Boston being 40 to 40% ing of the rock formation are such cents, grease, or 90 cents, sean. It is to live for years in the memories. The fligheest price quoted here for of those who make the trip through the best three-eighths blood is 95 the gorge. With the completion of cents, therefore, some dealers say, the highway between Prairie City the prices paid at Dillon were too and Unity and the connection of the with the John Day at the latter nection with the gorge.-Baker Her-

Searlet Shirts and Hats Sell, Red hats and red shirts are selling like hot cakes this week, says th Salem Statesman. It is not the em blem of internationalism, of an protest ignorance if their victim is a man wearing a red hat or shirt that couldn't possibly be mistaken.

All hopes of being a buckaroo having gone with the spending of \$150 which he admits stealing from his father, Ivan Humphreys, 16-yearhis feet beneath the family supper countries representing about one-half table and eat his mother's cooking of the northern hemisphere wheat crops, once more. Ivan was picked up by at 46 cents and quarter-blood at 46 cents and quarter-blood at 48 cents.

Woo's suitable for "woolen" mills are quiet, although pulled and rounced domestics sell slowly, mosting from kidnaping to highway robbery. While still telling his tale high came on. He had visions of home with his father and mother at the supper table. But they had since left Oregon and left no trace behind. The sale of East India wool antounced for September 15 at Liverpool has been advanced to August on account of tariff. This market is overstood of the same group of countries in 1921 (36.9 million tons), there is an increase of 7 per cent. This increase is entirely due to the large crop in British India, which surpassed that of 1921 by 3.3 million tons.

In the United States the forecast is for Now Ivan wants them more than ever.—Salem Statesman.

PRESS SATISFACTION. Prunes, Potatoes, Vegetables and Cereals Feel Beneficial

NEW YORK, Aug. 18.—The market for coffee futures remained very quiet, but ruled a shade steadier today owing to reports of a slightly better tone in Brazil and rather a more optimistic feeling as to business prospects. The market closed 2 to 3 points not higher. Sales were estimated at about 29,000 bags. September, B.26c; October, December, January, March and May. 9.27c; July 9.22c.

Spot coffee, steady, Rio 7s, Pac; San.—Wr. Dinsmore to offer a prize of a fountain pen to the one who break the tie by bringing in a cluster of more nuts. This offer is not re-stricted to the Sheridan vicinity, but includes any wainut section in the
