Other makes of good automobiles thoroughly overhauled, put in first-class condition and sold with a 10-days' free trial, subject to being returned and full credit given on any other car of equal price that customer may select.

RAILROAD STRIKE

or not, our policy will not countenance charging "all the traffic will bear" in the sale of our

USED CARS.

During the past ten weeks our oversold condition of new DODGE BROTHERS cars has occasioned an unusual strong demand on our reconditioned used car stock—a demand that could easily have inflated prices.

Our prices have remained consistent during these ten weeks. They will continue consistent even to the last car on hand in the event of a railroad tie-up. In fact they have been intelligently reduced as of August 1 in line with price adjustments on certain makes.

We offer you a conscientious measure of transportation value, backed up by an efficient, permanent organization.
