## NOTHING DONE AS YET

Conference to Pick One Opponent  
Is Proposed, but Judge  
Griffiths Demurs.

HOUSE PETERS in the Universal-Jewel production, "Human Hearts," is the current feature attraction at the Columbia theater. It is a gripping, intensely human pictorial analysis of life's greatest experience—love.

This exceptionally fine production is a screen version of the famous stage success written by Hal Reid. It was at one time the wonder of the spoken stage, having more read words at one time than any other play. For a decade it ruled the field of melodrama, just as the film production is now ruling in the silent drama.

Perhaps no man on the screen has ever met with such a steady, cordial reception from the public as George Peters, the star of this picture. He has never made a great, spectacular mistake in one picture, but in this one he has made a remarkably unvarying success. Beloved by thousands of picture fans, he enjoys seeing the plainer truths of life illustrated by plain, forceful acting. Peters has an enviable standing. And he is at his best in "Human Hearts."

This picture was directed by King Baggott. The cast selected to support the star is one of unusual excellence. Noteworthy work is done by George Hackathorne, who in this picture eclipses his remarkable performance in "The Little Minister."

Screen Gossp.

Guy Bates Post in "The Masquerader" will follow "Beyond the Rainbow" at the Rivoli this evening according to announcement by Gus Metzger, general manager.

Charlie Chaplin in "Shoulder Arms" is coming to the Liberty theater. This will be in addition to the dramatic feature, carrying out the policy of the new unit programme.

Flapper No. 13 is still leading in the contest at the Majestic theater, which is being held in connection with the showing of Wanda Hawley's latest starring vehicle, "Bobbed Hair."

Ann Forrest, lead with George Arlino in "The Silent Voice," has completed her scenes and will shortly go to Europe.

Jack Holt, Paramount star, will make part of his next picture in the east.

Claire Windsor, Mae Busch and Helene Chadwick are the beauty ingredients gathered by Goldwyn for "Brothers Under the Skin," on which photography was recently completed. In addition, there are Norman Kerry and Pat O'Malley to complete a notable cast.

Violent in Jail Cell.

R. Widing, auto-bus passenger who was wounded seriously Monday night when he received two bullet wounds at the hands of George Reberio, another passenger who became suddenly violent, is reported as slightly improved last night at Good Samaritan hospital and attendants held out hope that he would recover.

Portland police yesterday bent every effort toward locating the pawnshop or second-hand store where Reberio purchased his revolver Monday afternoon. Reberio, who was said to be violent in his cell at the St. James Hotel, Wellington, Columbia county, that the revolver was purchased about two blocks from the union station. Should any of these men represent Mrs. Axtell in an attempt to obtain a conference, Judge Griffiths feels certain that they would turn promptly to Lamping.

This belief is strengthened by the fact that Hearst's Post-Intelligencer has been boasting Lamping and Mrs. Axtell are absolutely ignoring Griffiths' candidacy. In short, the judge suspects that an effort is being made to job him. He will have to be well assured of the impartiality of the conferees before giving any consideration to the plan, and the time for any such action, conference or frameup is very short.

"I am willing to hold a conference with the two other candidates," said Judge Griffiths tonight, "but only if the express understanding that I shall enter into no elimination as pertains to my personal campaign. I was in the field before the other candidates were."

In other words, Judge Griffiths will enter a conference for the elimination of Lamping and Mrs. Axtell, but not otherwise.

## \$5000 PLEDGED TO ROAD

Klamath Falls Commerce Chamber Backs Victory Highway.

KLAMATH FALLS, Or., Aug. 22.—(Special.)—Directors of the local chamber of commerce have promised \$5000 toward the \$1,600,000 fund to build a northern branch of the Victory highway from Winnemucca, Nev., to connect with The Dalles-California highway in Klamath county, providing California and Nevada counties subscribe the remainder.

The road would pass northwest from Winnemucca across 120 miles of Nevada desert, through Lassen and Modoc counties to the Oregon line. While the route is considered the best, it is considered improbable that the large sum required can be raised as the territory immediately served is sparsely populated and the richer sections of California, further south, are not expected to contribute toward the fund, most of which must be spent in Nevada.

## SALARY SLASH PLANNED

General Reduction Made in Vancouver City Budget.

VANCOUVER, Wash., Aug. 22.—(Special.)—A measure to cut salaries of city employees is made in the tentative budget for 1932, now before the council. A cut of \$10 a month for all city employees and a reduction of \$25 a month for the city clerk and city health officer are proposed.

The budget shows a reduction in expenses from \$28,381 to \$26,128 and a decrease in the tax levy of 2 1/2 mills.

The biggest reduction was made in the street department, from which \$10,000 was appropriated. Reductions were made in nearly all departments of the city government. The budget will come up for formal consideration in September and for adoption in October.

## Second Wife Provides Bail.

VANCOUVER, Wash., Aug. 22.—(Special.)—W. H. Gully who was arrested recently in Yakima charged with failure to support the small child of his divorced wife, was released today on \$500 bail. Gully's present wife signed the bail bond. Mike Morris of Canada pleaded guilty to the same charge in superior court. The case was continued for sentence until Morris could obtain a bond to assure his payment of \$15 a month toward the support of his minor child.

## SLAIN BOY WELL KNOWN

Alvin R. Price Popular at La  
Grande, Home Town.

LA GRANDE, Or., Aug. 22.—(Special.)—Alvin R. Price, who was killed by George Reberio near Rainier, was a La Grande boy and stood very high among the people of this city. His mother, Mrs. Mary E. Price, and several brothers and sisters reside here.

Alvin enlisted during the war but was retained at the Benson Polytechnic school. He lived in Portland for some time prior to taking the position of manager for the Union Oil company at Kelso, Wash., which position he held at the time of his murder. The body will be sent to this city for burial.

He was substituting for the regular driver Monday.

## SOLOS FEATURE CONCERT

THE OREGONIAN WILL OFFER  
FINE NUMBERS TONIGHT.Vocal and Instrumental Artists of  
Portland Will Appear on  
Midweek Programme.

Tonight's radio programme to be broadcast from station KGW, The Oregonian, will be mainly classical in nature and will consist of vocal and instrumental solos by prominent local artists and several advanced students of Milyone Fraker Stites and Ella Connell Jesse, prominent music teachers.

The concert will begin at 8 o'clock and will continue throughout the week. The vocal portion of the programme will be sung by Mrs. Herring, J. Huckle, soprano of the Unitarian church; Bess Owens Kuyana, soprano of the Sunnyside Congregational church; and Toinie West, soprano. Each will sing a group of four songs, the names of which have not yet been selected.

All the vocal soloists are students with Mrs. Stites. Mrs. Herman J. Rucke and Bess Owens Kuyana are well known professionally and will be assisted by teachers to Mrs. Stites after September 1.

Miss West is a lyric soprano who has appeared in recitals on one occasion. She is of Finnish parentage, and as a special feature will sing a group of songs in her own language.

Piano accompaniments will be by Miss Lena Southworth, Miss Gladys Taft and Helen Van Houten. Miss Southworth is a student under David Campbell. Miss Houten is already known to the radio fans, as she has played on several former occasions in the Oregonian tower. In addition to being accompanist in the vocal portion of the programme, Miss Gladys Taft, who is an ex-

PRAISES PORTLANDPresident of International  
Organization Is Visitor.LOCAL CLUB ABLE HOST  
HOLD-UP SUSPECT HELDGeorge H. Ross and His Wife Are  
Guests of Citizens Who Are  
in Work for Children.

Pleasure over the work which the Portland Kiwanis club, in conjunction with the other Kiwanis organizations of the Pacific northwest, is doing, and delight at being in Portland, were expressed yesterday by George H. Ross, international president of Kiwanis clubs, and commissioner of finance of Toronto, Canada, who arrived in Portland yesterday and was the guest of the local club.

Mr. Ross, who was accompanied by his wife, said that ever since he was here at the Kiwanis convention in 1929 he had been looking forward to another visit to Portland and that he had been holding up Portland as an objective for his present trip, leaving Toronto on the present trip.

Kiwanis Work Exalted.

Mr. Ross, who emphasized the work which the Kiwanis clubs all over the continent are doing to give a square deal to the underprivileged child, said that he had been the main object of the organization since the convention at Toronto.

Every boy and girl has an economic value to the state and it is the place of every citizen to see that this value is increased, not diminished. He said that he should have the opportunity to grow up to be a useful citizen. In Toronto the courts are parading boys to see that they are not a burden on the state and the system is working fine.

Oregon Agricultural college student, will play three piano solos. Miss Taft was presented in recital by Mrs. Jesse last June and won the applause of her audience with her fluent technique and good style.

Another piano student, Mrs. Stites, who shows remarkable promise and who will play several solos is Margaret Bo Dine, daughter of Dr. C. B. Dine, and a graduate of the University of Jefferson high school.

An interesting group of solos has been arranged by Gertrude Hoerber, prominent local violinist, who recently returned from a tour with the Ellington-White Chautauque. She has played in several previous radio concerts of The Oregonian, and always has received a great deal of applause from the thousands of listeners who "stand by" their radio sets in the vicinity of Portland.

Miss Hoerber has toured extensively in the last few years throughout the antipodes and was favorably received wherever she was heard in concert.

## CONCERT HEARD IN CANADA

The Oregonian Programme Re-  
ported From Alert Bay.

Last Wednesday's concert, broadcast from The Oregonian radio tower, was heard very clearly at the Canadian government radio station at Alert Bay, located on the Columbia coast about 250 miles north of Vancouver, B. C. In a letter written by Egerton Brown, the operator who was on watch at the time, he writes that the musical numbers came in in good shape. He said that the music was heard without any amplification.

"Music of the kind broadcast by The Oregonian station goes a long way to break the monotony of a long night watches a radio operator stands," declares the Canadian operator in his letter. "I hope you continue to broadcast that kind of a programme right along."

Reception of the broadcasting stations in Washington and Oregon at Alert Bay is uncertain, according to Mr. Brown.

## KIWANIS HOSTS AT BANQUET

Several Notables at Event in  
Honor of Mr. and Mrs. Ross.

The Portland Kiwanis club has host at a large banquet at the Multnomah hotel last night for Mr. and Mrs. George H. Ross. More than 100 members of the club, who are those who remained out of all that are members of the district convention at Olympia, were present.

There were several notables at the banquet including Governor-elect and Senator-elect, Mr. Howard Rankin, president of the local club, presided in the absence of Mr. Ross who was the principal speaker.

He emphasized the international phase of Kiwanis, which is being a Canadian and American citizen and controlled by the same sense of duty to home and country. He lauded the meaning of Kiwanis, and said that the world should perhaps know more of the activities of the club, but that the really wonderful activities of the organization will never be known.

"Kiwanis is one of the greatest agencies of human improvement and it is a wonderful thing to see a wonderful irresistible movement of citizenship based upon a well-spring of good work through the ages. Kiwanis has proved that the scheme of human improvement are better accomplished through working in volume and numbers."

The great keynote of Kiwanism is described in that well-known quotation, "What we have done for ourselves dies with us. What we have done for others remains and becomes immortal." The cargo of Kiwanis doctrine is service and progress.

Mr. and Mrs. Ross leave today for Ogden, Utah, and thence will go to California and around the southern states, making a circuit homeward to Toronto.

## WEEPER IS FINED LESS

Seller, Because of Tears, Is As-  
sessed Only \$200.

A lachrymal display, staged by George Langworthy, Portland's biggest bootlegger, cost him in good stead in the federal court yesterday. The usual fine for whisky sellers is \$250; Langworthy, following his tearful appearance before Judge Wolverton, got off with a \$200 punishment.

Langworthy, who lives at 255 1/2 Second street, made the momentous mistake of selling a pint of moonshine to Federal Prohibition Agent Price several days ago. The officer paid \$3 for the liquor then hurried to the federal building and obtained a warrant for Langworthy's arrest. His trial followed.

## VANDERBILT ASKS FOR AID

Vote on Buying Building.

VANCOUVER, Wash., Aug. 22.—(Special.)—A bond election in which the voters will be asked to approve the purchase of the American Legion

clubhouse here, will be held early in December as a result of action taken last night by the city council. An ordinance providing for the election will be presented to the council at the next meeting.

The Legion post, defendant in foreclosure suits aggregating \$25,000, decided the only way to keep the clubhouse from going into private hands was to obtain aid from the city. The city council was asked to underwrite a new loan, but a clause in the state constitution prohibits such action.

If the purchase of the building is approved by the voters the clubhouse will be bought by the city at the foreclosure sale.

MAN IN PENDLETON THOUGHT  
WANTED IN PORTLAND.Officials Believe They Have Man  
Who Figured in Killing  
Here August 19.

PENDLETON, Or., Aug. 22.—(Special.)—Local police officials express the belief that Blake, arrested here this morning by Deputy Sheriff Merin, is one of the two men who held up and shot a man at George Stevens' trunk place in Portland on the night of August 19. The arrest of Blake, who is a confessed ex-convict, was made by Deputy Merin while the man was asleep in the pavilion of Happy canyon. Beside the sleeping man was a .38-caliber revolver, loaded. Blake also had a flashlight and two pairs of pliers with him.

Blake is wanted here in connection with the holdup on the railroad camp at Huron some time ago when three men stuck up the camp and made away with the payroll. One of the men caught passing a stolen check, is in the county jail. Blake is said to answer the description of one of the men in the Huron holdup and also that of one of the men wanted for the Portland shooting.

Blake admitted his identity when he was confronted by pictures of himself taken at the Oregon state penitentiary. He is 30 years of age. He was released in 1921. If Blake is taken to Portland it will be for the murder of a customer, a customer in the soft-drink resort in Portland, who was fatally shot when the holdup was effected.

## POLICE GET DESCRIPTIONS

Pictures of Men Held in Pendle-  
ton Expected Here Today.

Descriptions of the two men held in Pendleton were received yesterday afternoon by Captain Harms and were said to tally somewhat with descriptions given by those who were in George Steiff's soft-drink resort at the time the robbery and murder last Friday night. Pictures are expected from Pendleton today and unless they identify the two suspects will not be brought to Portland, it was said.

The revolver found on Blake carried a second-hand dealer with him. Blake was the murderer, as it was a .37-caliber revolver and the shooter was wearing a .32-caliber automatic pistol. Steiff also used a .32-caliber pistol and inspectors picked up 14 empty shells of that caliber in the room.

One of the robbers was thought to have been wounded, but inspectors admit that information to the effect might have been fallible. Neither of the Pendleton suspects was suffering from wounds.

## THREE ROBBERS CONFESS

TRIO CAPTURED WHEN TRY-  
ING TO SELL LOOT.Men Give Names of H. C. Oliver,  
40, Joe Jordan, 20, and Vern  
Schaffer, 28; One ex-Convict.

Three burglars who have been operating in and about Portland for the last few weeks were arrested at Grand avenue, near Morrison street, yesterday afternoon. The trio later confessed to three of the most recent burglaries, while police believe they will be identified by other victims today.

The men gave the names of H. C. Oliver, 40; Joe Jordan, 20, and Vern Schaffer, 28. Schaffer is an ex-convict out of Walla Walla, Wash., where he served a term for burglary.

Their apprehension came when they attempted to sell phonograph records and a second-hand dealer on Grand avenue. The detectives arrived at the store a moment after Oliver and Jordan had left. The two men were seen to get into an automobile and the detectives gave chase and captured them.

Later the two men led the officers to their room at 1170 Belmont street, where Schaffer was placed under arrest. Much stolen loot was found in their room.

The men admitted the burglary at the home of G. E. Weller, 1252 East Broadway, Friday night, where a sewing machine and phonograph were among the stolen articles. They also confessed to the burglary of a home at Woodburn and another at Oregon City late Monday and early yesterday. Loot valued at more than \$500 was recovered by the officers.

According to the confessions made to Detectives Hyde and Schuplium, Oliver and Jordan are said to have broken into the home of Schaffer, who is said to have driven the automobile. The car bore a California license and police are holding it, believing it to be stolen.

Two of the men are said to tally in many respects with descriptions of bandits who have been doing hold-up work in an automobile. Some of the hold-up victims will be brought to police headquarters today to see if identification can be made.

After making their confessions yesterday the three men expressed a desire to enter plea of guilty and begin serving their sentences, the police said.

## New Issue

\$70,000  
Jordan Valley Cattle Co.

First Mortgage 7 1/2% Serial Gold Bonds

Dated July 1, 1922. Due Serially July 1, 1924-32.

Interest payable semi-annually January 1st and July 1st at the office of the Trustee, Portland, Oregon, or at any of the offices of G. E. Miller & Company. Bonds registrable as to principal. Redeemable as a whole or in part on July 1, 1923, or on any interest date thereafter upon 60 days' notice at 102 and interest.

Coupon Bonds in \$100, \$500, \$1000  
Denomination

Interest payable without deduction for the normal federal income tax not in excess of 4%. A legal investment for Trust Funds and Savings Banks in Oregon.

(Legality: Subject to approval of Dey, Hampson &amp; Nelson, Attorneys, Portland, Oregon.)

PROPERTIES—These Bonds are a first mortgage on 2747 acres of fertile, producing land of the Jordan Valley Cattle Co. in Malheur County, Oregon, which includes the home ranch and 1600 acres of valuable irrigated hay land. Malheur County stands first among Oregon counties in the raising of corn, alfalfa, sheep and wool; second in the raising of hay, forage and shipment of livestock. The fertility of the deep volcanic ash soil, the abundant water supply and moderate climate, make Jordan Valley the garden spot of the county.

PURPOSE—These Bonds are part of an issue of \$100,000, authorized for purpose of paying present indebtedness, furnishing working capital and to provide funds for the purchase of sheep. The remaining \$35,000 bonds will be issued to purchase sheep at the first favorable market.

SECURITY—The value of the land is conservatively estimated at \$170,000—and, in addition, the present livestock, together with all buildings, improvements, equipment and miscellaneous chattels are valued at \$40,000. The Bonds are further secured by the assignment to the Trustee, for the benefit of bondholders, of a contract of sale of 2500 acres of land; for a consideration of \$90,000 with interest payable at 6% per annum—and this alone is more than sufficient to meet the interest on these Bonds. The face value of the contract is 12 1/2% of the bonds now issued. All proceeds from the sale of sheep or any other property must pass through the hands of the Trustee—to be used in the retirement of these Bonds or increasing the security thereof.

The amount of this issue is only 22% of the appraised value of the Security.

INCOME—The income from the sale of hay alone over a period of years—has averaged over \$24,000; income derived from interest on contracts and rentals \$6,600 per year—or nearly five times the interest requirements of these Bonds. After all expenses have been deducted, when sheep are purchased, the income from the sale of wool and normal increase will greatly add to their already sufficient earning capacity.

Suit Over Wool Clip Filed.

EUGENE, Or., Aug. 22.—(Special.)—Suit to compel Henry Knebel and Paul Camenzind to ship their clip of mohair and wool through the Pacific Co-operative Wool Growers' association, of which the defendants are members, has been filed here by Arthur A. Goldsmith, at-

torney, of Portland. The Pacific Co-operative association controls over 50 per cent of the wool and mohair produced in western and southern Oregon. Membership in the organization is an obligation to ship through the association, according to the contention of the plaintiffs.

Rain Boon to Dairymen.

TILLAMOOK, Or., Aug. 22.—(Special.)—As a result of the rain last week, grass is beginning to grow in the meadows and the prospects are favorable for considerable green feed this fall. Most of the dairymen had been feeding their dairy herds for several weeks, owing to the dry spring. As the rain came one month earlier this year, with considerable moisture in the ground,

this will mean a saving of thousands of dollars to the dairymen of Tillamook county.
