

Society News

ONE of the most attractive affairs given during the Episcopal convention was the reception yesterday at the auditorium honoring the visiting guests. In the receiving line were Dr. and Mrs. A. A. Morrison, Mrs. Loyal B. Stearns and Mrs. Warren Keeler. Presiding at the tea table were Mrs. Joseph N. Teal, Mrs. Charles F. Adams, Mrs. James B. Kerr, Mrs. William D. Wheelwright, Mrs. M. H. Lamond, Mrs. J. Guy Ström, Mrs. James Cook, Mrs. George C. Cate, Mrs. Sterling, Mrs. J. H. Amos, Mrs. Edward Fallings, Mrs. M. P. Lamond, Mrs. I. B. Peters, Mrs. Joseph O'Donnell, Mrs. F. Z. Austen, Mrs. William L. Thompson, Miss Laura Eaton, Mrs. Roger B. Sinnott, Mrs. John Park, Mrs. F. E. Lounsbury, Miss Ruth Grant, Mrs. George B. Van Waters, Mrs. C. E. Cunningham and Mrs. R. W. Blakely. The women of the parish and 50 girls assisted.

Mrs. James Cook complimented Mrs. Sidney Z. Mitchell and Mrs. Charles M. Maxwell yesterday afternoon at a luncheon.

Mrs. Parker F. Morey has asked a number of friends to tea this afternoon at her country home, for Mrs. Mitchell and Mrs. Maxwell.

Mrs. James A. Maloney will entertain with an informal tea Thursday afternoon in honor of her daughter-in-law, Mrs. Huntington Maloney.

Rev. Arthur Thomas Stray of North Hartwell, Me., is in Portland for the Episcopal convention, and is the house guest of Mrs. J. W. Fowler, on Willamette heights. Rev. Mr. Stray is the secretary of the diocese of Maine.

A get-together dinner will be given by ex-students of the Annie Wright seminary, at the Multnomah hotel Thursday evening at 6:30, to honor Elizabeth and Mrs. Keator, Bishop Wells and other notable connections who have been connected with the activities of this institution. All ex-students are requested to be present. Telephone reservations to Miss Hanson after 5 P. M., at East 4627.

Mr. and Mrs. S. Gilaspie have returned from an extended motor trip in California. They visited in San Diego, Los Angeles and Pasadena.

Mr. and Mrs. Joseph Nathan Teal will preside at a dinner this evening honoring Canon William L. Davies of the Washington cathedral, Washington, D. C. The dinner will be placed for the honor guest, Bishop David L. Ferris and Mrs. Ferris, Dr. and Mrs. A. A. Morrison and Dr. David B. Buffum.

The Misses Jane and Anne O'Reilly

programme, which is always a feature of the meetings, a group of active and alumnae girls will give a recital of voice, piano and violin numbers which is to be broadcast the following week from The Oregonian radio station. Urged to get in touch with Mrs. O'Farrell, Taber 7730.

Miss Mabel Korell, Miss Grace Kern and Miss Elise Cramer are spending a fortnight at the summer home of the latter at Seaview, Wash.

The society of Sons and Daughters of Oregon, a social and historical organization, will hold an old-fashioned picnic supper and reception at community home, Saturday, September 16. W. B. Crane, president, will preside as toastmaster. A feature of the gathering will be a concert by the Elsie Lewis violin chorus during the supper hour. Reception begins at 7 o'clock. The following members will be present: Mrs. W. B. Crane, Mrs. M. H. Lamond, Mrs. J. Guy Ström, Mrs. James Cook, Mrs. George C. Cate, Mrs. Sterling, Mrs. J. H. Amos, Mrs. Edward Fallings, Mrs. M. P. Lamond, Mrs. I. B. Peters, Mrs. Joseph O'Donnell, Mrs. F. Z. Austen, Mrs. William L. Thompson, Miss Laura Eaton, Mrs. Roger B. Sinnott, Mrs. John Park, Mrs. F. E. OUTLOOK BELIEVED GOOD

EVEN RISE IN COAL PRICES NOT CAUSE FOR ALARM

Finley P. Mount, Head of Manufacturing Concern, Brings Message of Optimism.

Although inflation of prices may be the result of the coal and railroad strikes, primarily caused by the coal strikes, there is little cause to regard this as an indication of depression, in the opinion of Finley P. Mount, president of the Advance-Rumel company of La Porte, Ind., who is in the city paying a visit to the local branch of the concern. Mount has been on an extensive tour of inspection of the branches maintained by the company and came direct here from Yellowknife, where he spent several vacation days.

A message of optimism for the coal business is brought by the head of the threshing machine firm, who makes it his business to analyze carefully crop conditions and agricultural territories throughout the nation.

"The wheat crop throughout the middle west will be good this year," he said. "Not exceptional, for there has been a shortage in the winter wheat territory, but it will be fair."

"But the great corn belt will produce nearly 3,000,000,000 bushels of corn this year, and corn is meat," he continued. "The crop of sorghum will be a record for living for thousands of farmers and the end of a period of partial depression is in sight."

"The wheat crop throughout the middle west will be good this year," he said. "Not exceptional, for there has been a shortage in the winter wheat territory, but it will be fair."

The Housewife's Guide

Published every Tuesday

Good Morning!
Wonderful weather we've had since last we met. Our convention visitors are delighted. Let's remember these wonderful days when the rainy season starts.

You had to use your Gasco furnace in the bracing, cool morning hours last week? A Radiant fire uses only one-fifth the gas consumed by the average gas furnace.

Yesterday the sale of Radiant fires commenced. Think of it, only 75c down! As the price includes the necessary piping and installing, it which amounts to \$10 or \$15, which has to be paid in cash by the Gas company, you can realize what wonderful terms these are. Only 75c down means that the company trusts you for the appliance as well as for the cost of installation. Then 75c a week. No interest!

Tomorrow, at our Wednesday "Less-Than-Cost" sale, in order to have you allow us to show you the three modern ranges, all without equal anywhere, the Vulcan, Smoothtop, Chambers Fireplace and Reliable with Lorain oven-heat control we will sell you a Jini Dandy Toaster 25c. That's much less than cost.

Your health is in less jeopardy, your children are safer, your doctor bills less, when in the winter-time your home is EVENLY heated.

Ever go to a card party? And you suffer torture from the overheated room? Finally someone who knows the host well enough blurted out: "Can't we have some air, Lou?" And Lou opens some windows or front door.

In half an hour your head is cooled off, but now your feet are half frozen. Ever have this happen? Well, with a Gasco furnace, you never do. The even temperature is controlled by the thermostat. Between 68 and 70 all day!

Observant?
Are you observant, or do you belong to the majority? Have you ever observed the difference in street lights? No! Then notice next time you are downtown. You'll be surprised that you never saw it before.

Our gaslight lamp posts on Washington street, for instance, are like little suns, so brilliant. They make everything else look dim. Just notice.

Ever experience the comfort of reading by MODERN gas light? Doesn't tire the eyes like other light does. Are your eyes worth saving?

The new range with kitchen heater built in is more in keeping with the modern small kitchen, and your visitors can laugh with you, instead of at you.

It's a pleasure to have satisfied customers. Especially women. Men are apt to fear that a word of praise might be a disaster. Or costly. Women are more frank about it, and come in to praise our new range or our Easy Washer as the best in the world.

That puts a little sunshine into our lives. The kind comment makes the salesman or saleswoman happy and they pass it on and on and on. Like a pebble cast into a lake, the ripples spread to the very edge. We love a good word, and do our best to deserve it.

A home that has all the latest gas improvements is a home indeed. Until you have them all, your house is not 100 per cent comfortable. Some of you pay your gas bills by check or at the drugstore and never get to see our wonderful improved appliances. Won't you call and let us show you?

Another advantage of Gas is that when you heat your home with Gas you make no smoke. You keep your own home clean, yes; but you are a blessing to your neighbors.

My neighbor used to send clouds of coal smoke into my sleeping porch regularly every morning. It was like an alarm clock, only more effective. Then we induced him to substitute a Gasco Furnace, and all is serene!

The Portland Gas & Coke Co. Alder, Near Fifth

banquet and programme as guests of the Portland members. The Burrill club of the Unitarian church alliance will meet at the home of Mrs. Harry L. Torrence, 430 East Simpson street, this noon. Dr. Virgil M. MacIntosh will speak on "The Drug Addict."

The Portland Woman's club will open its doors to the public the evening of September 22. A reception, followed by dancing and cards, will be held at the home of the chairman, Mrs. Alfred Bonney. The reception committee consists of two past presidents and members of the board and the others are: Cards, Mrs. Bryan Miller; refreshments, Mrs. Lamond, assisted by her social committee; tickets, Mrs. J. C. Bryant and Mrs. W. H. Shuford; decorations, Mrs. George Parker. The proceeds will be used for furnishing the new club building.

Dad, Mother, Ironized Yeast for Rheumatism

Do You Realize What Ironized Yeast-Vitamins Will Do for Rheumatism and Lumbago?

Do you know that vitamins and iron are part of your very life? Do you know that the tissue-and-blood factories of your body need these materials and need them badly? Do you know that if your body furnishes them, you do not get enough of these, that

queer poisons, joint poisons, muscle poisons, acid poisons are formed instead of the healthy flesh and the rich blood you need to have in days gone by? If you hobble in your gait, if pains distort your body, if bending over is an unpeakable agony, if dull pains make you breathe heavily, if there is a rainbow shadow, if the toughness of the way—smile sweetly, there is a rainbow ahead. Things are different now than they used to be, in the days of liniments, salves, complicated drugs, and all that—remember? The happy secret today is ironized yeast, one of the greatest body-and-blood builders of all time. Begin taking Ironized Yeast today. Beware of imitations and substitutes, because Ironized Yeast is not a mere combination of yeast and iron, but a yeast ironized, which is a substance all by itself. There is only one Ironized Yeast in all the world. Sold at all drug stores at \$1.00 a package, containing 49 tablets, each tablet sealed. They never lose their power, unless you open them. Buy at Seattle, Atlanta, etc. Say goodbye to rheumatism from now on!

GIRLS! BLEACH SKIN WHITE WITH LEMON

Squeeze the juice of two lemons into a bottle containing three ounces of Orchard White, which any drug store will supply for a few cents, shake well and you have a quarter pint of harmless and delightful lemon bleach. Massage this sweetly fragrant lotion into the face, neck, arms and hands each day, then shortly note the beauty and whiteness of your skin. Famous stage beauties use this lemon lotion to bleach and brighten their soft, clear, rosy-white complexion, also as a freckle, sunburn and tan bleach, because it doesn't irritate.—Adv.

What's What.

By Helen Decle.

The good manners of a business girl influence the manners of all her masculine associates in the office or store. After all, the social game requires a woman's lead and, while, strictly speaking, society and business are on opposite shores, courtesy can always get halfway across the bridge and meet efficiency in the center.

A courteous and self-respecting girl invites, and should require, courtesy and respect. If an office acquaintance whom she happens to pass on the street or after business hours should respond to her civil bow of recognition by throwing her off-hat and ward or two while lounging against a door, and without taking the trouble even to tip his hat to her—well, she need not see him when she passes by at any other time. If he should inquire the reason for her outdoor aloofness she can explain to him consistently and tactfully that she did not understand why he responded to her bow in so negligent a manner.

Problems of Dressmaking by Madam Rachel

Bend, Ore.—Dear Madam Rachel: Am 26 years old, five feet four inches, bust 21, waist 22, hips medium, brown hair, hazel eyes. Have coat like sample which I wish to make in the same color. What style would you suggest? Have dress like sample. Could you suggest a pattern to make in this style? The skirt is too long and narrow at the bottom. Have two girls, one tall and slender. She will go to school this term. Would you like to make a dress for her? The other one will be five years this fall, small for her age, brunette with blue eyes.

PIMPLES ON FACE ITCHED BADLY
Also On Chest. Face Disfigured. Cuticura Heals.

"My face and chest were terribly affected with pimples and black heads. The pimples were hard, large, and red, and festered and scabbed over. They itched and burned so badly that I could not keep from scratching, and I lost my rest at night. My face was terribly disfigured. I began using Cuticura Soap and Ointment and after the first week I could see an improvement, and after using three boxes of Ointment, (Signed) Miss Mary A. Mick, R. F. D. 1, Box 195, Sherwood, Ore.

Cuticura Soap for all toilet purposes. Sample Soap Free by Mail. Address: "Cuticura Laboratories, Dept. B, Malden 41, Mass." Sold everywhere. Cuticura Soap shares without measure.

TWO JOIN Y. M. C. A. STAFF
Membership Department Adds University Graduates.

Two graduates of Willamette university, Salem, have joined the membership staff of the Portland Y. M. C. A. The membership department has adopted the policy of making a steady, consistent effort to upbuild its membership without special campaigns conducted in former years.

These announcements, made by L. G. Cranbourne, membership and service secretary, and an active leader in membership policies in the northwest district, feature the opening of fall preparations for a greater membership in Portland. Two additional additions to the staff are Everett H. Craven, graduate of Portland high school and of Willamette university, and Ben Richli, who was graduated from Dallas high school and from Willamette university. Both young men took university courses in Y. M. C. A. work with the intention of becoming affiliated first with the Portland association.

Mr. Cranbourne, who attended a northwest membership contest in Seattle, returned with plans for a coming year's period to develop the membership here. He said that a contest had been entered into between Seattle, Portland, Spokane and Tacoma, consisting of local titles with the intention of becoming affiliated first with the Portland association.

Things You Will Love to Make.

It Is Easy to Make This Lovely
Since sleeves still "make" the frock, you will certainly want to make this petaled sleeve for your new tricotine dress. If the material is wide you can cut the sleeves and yoke in one, kimono fashion. Let the back part hang square neck will in no way detract from the general style of the gown. Outline the neck, belt and the sleeves trim, also the skirt, using the design as appears on the model. For the 6-year-old I would have you see the models pictured in the Butterick quarterly, page 55, Nos. 3532 and 3533.

The Housewife's Idea Box
The next time the cover of your umbrella wears out and you do not care to replace it, keep the frame. You can use it as a clothes dryer, a hamel and the white to prevent rust. Suspend the frame from the ceiling of the laundry or porch, with the handle up. It makes a most convenient rack for drying small articles. THE HOUSEWIFE.

Correct English: A Daily Quiz.
How many syllables has the word "finale"?
How are its vowels pronounced?
What is the meaning of the Latin words in "The ambassador was persona non grata to the king"?
How is "persona non grata" pronounced?

Answers to Monday's Questions.
When the first element of a compound word is numeral adjective, the second word is not pluralized, as, "a three-foot rule," "a twenty-story building," "a five-year war." In compound words, the hyphen should be placed after the numeral adjective.
"Personae" pronounced "gratias," means "freely," "without charge." Omit either "free" or "gratis" in "Free samples given away gratis."

Radio Service Extended.
Announcement is made by Edward J. Nally, president of the Radio Corporation of America, that an agreement has been signed by his company and the Postal Telegraph company whereby every office of the Postal company in the United States becomes an agency of the Radio Corporation for the acceptance of radiograms for transmission across the Atlantic and for delivery of radiograms received from overseas for points in the United States.

Household Problems
by Lillian Tingle

PORTLAND, Ore.—Dear Miss Tingle: Will you kindly give in the near future some directions for candying fruits and flowers. Thank you very much.

THE candied fruits and flowers are nice to use for candies, desserts and salads. They are rather expensive to buy but may be made at home very cheaply. Nearly all kinds of fruits may be candied, but the kinds that have proved most successful are cherries, strawberries, pineapples, peaches, pears, currants and gooseberries. Mint and other kinds of aromatic leaves may be candied and well as the better known rose petals and "French" violets.

In making candied cherries, the large red ones are good, but white varieties take a bright color better. Remove the stones and pour boiling water over the fruit. Let stand a short time and then drain. In a preserving kettle place 1 1/2 pounds of sugar and 1/2 cup of water to each pound of fruit. Boil the sugar and water to the soft ball stage, then add the cherries and simmer slowly for 15 or 20 minutes, or until the cherries are soft and transparent. Remove the fruit with a

skimmer and place on platters. These should be placed in the warm sun or in a slow oven until nearly dry. Cook the syrup in the kettle to the hard ball stage and add a little red fruit coloring. Put the cherries back in the syrup, a few at a time, and simmer until the fruit is well permeated with the syrup. Line the platters with paper boxes or tins, lined with paraffin paper. Paraffin paper is also placed in each box. The strawberries are candied in the same way except that instead of pouring boiling water over them they are placed in the preserving kettle with the sugar in alternate layers and allowed to stand overnight, or previously canned berries may be used. Four or five cups of sugar and one cup of water are added to the soft ball stage. Add the berries, a few at a time, and go through the same process as with the cherries.

The pineapple is cut into about inch slices and then cut into cubes or fourths. Proceed as for candied cherries.

Women's Activities

The Women's Psychic club will resume its meetings after the summer vacation and all members are requested to be present Wednesday afternoon at 2:30 o'clock in the church parlors at East Seventh and Haasala streets, as this is the beginning of the season and there is much to be done before the bazaar is given. Rev. J. Willard Hills will be present and will give a spiritual message to all. Visitors are invited. There will also be a message from the Rev. J. Willard Hills, beginning at 8 o'clock. The public is invited.

The three Laurelhurst sewing units of the Daughters of the Nile will meet at the home of Mrs. Hayley Wells, 191 East Sanders street, on Wednesday, September 13, at 10:30. Luncheon will be served.

Albina W. C. T. U. will hold its regular meeting today at 2:30 o'clock at the home of Mrs. A. Christensen, 883 Northway street. All members are urged to attend.

The members of the Portland Women's club will meet to meet in the club house Wednesday morning at 9 o'clock prepared to sew. Bring basket lunch.

The central Woman's Christian Temperance Union will meet in the central library, Wednesday at 2 P. M.

Mrs. Joseph A. Hill has returned from North Beach, where she was the guest of her mother, Mrs. R. B. Knight.

Mrs. Franklin I. Fuller will be in town on September 26 at a tea for Mrs. L. M. Paris.

Mrs. John W. Gavin of 831 Northrup street will entertain on September 29 from 3 to 6 o'clock, when she will dispense hospitality for the benefit of the Newman club of the University of Oregon. Mrs. J. E. Forester and Mrs. R. B. Beaman of Astoria will preside at the table.

Mrs. Robert Glasgow has returned to Salmon Arm, B. C., after visiting her parents, Mr. and Mrs. James Manning, North Beach and her sister, Mrs. J. Kerr of this city. Miss Mary Helen Glasgow accompanied her mother, Mrs. Glasgow recently was awarded the governor-general's medal for high scholarship. This medal is offered by the governor-general as an award for the student obtaining the highest scholarship on entrance into the high schools of Canada. Portland friends will be interested in her success. Mrs. Glasgow will be remembered as Viola Manner, a former Portland girl who has a wide circle of friends here.

Mrs. M. G. MacDonald will give a card party Thursday evening at her home, 818 Thurman street, at 8:30 o'clock. Six prizes will be offered.

The Woodmere Parent-Teacher association has set the date for its first meeting of the year to be held at the Woodmere building Thursday evening. The meeting time has been changed this year from the afternoon to the evening in the hopes that many of the fathers of school children in the district will take an active interest in the work of the association as well as the mothers who have been directing the work recently.

A special entertainment programme has been arranged for Thursday night meeting and plans for the coming year will be discussed. A committee on attendance is making a special effort to bring out a recordy crowd at the opening meeting of the year.

The Royal Workers, ladies of the Mount Scott Christian church, will meet tomorrow afternoon at the home of Mrs. Mary L. Torrence, 430 East Simpson street, this noon. Dr. Virgil M. MacIntosh will speak on "The Drug Addict."

The Portland Woman's club will open its doors to the public the evening of September 22. A reception, followed by dancing and cards, will be held at the home of the chairman, Mrs. Alfred Bonney. The reception committee consists of two past presidents and members of the board and the others are: Cards, Mrs. Bryan Miller; refreshments, Mrs. Lamond, assisted by her social committee; tickets, Mrs. J. C. Bryant and Mrs. W. H. Shuford; decorations, Mrs. George Parker. The proceeds will be used for furnishing the new club building.
