

REPUBLICANS NAME RESOLUTION BODY

Personnel of Committee Is Announced by Mr. Tooze.

BRUCE DENNIS CHAIRMAN

Purpose of Meeting Declared to Be to Draft Statement of Party Principles.

Complete personnel of the resolutions committee for the republican gathering to be held in Portland Tuesday, September 24, was announced yesterday by Walter L. Tooze Jr., state chairman. The meeting is for the purpose of adopting resolutions to be presented at the request of the governor and members of the legislature, and these have invited others in to assist them in the task.

Bruce Dennis of La Grande is chairman, and the other members are Robert A. Booth, Eugene; Rev. D. H. Leach, Eugene; R. Farrell, Portland; B. L. Eddy, Roseburg; E. D. Cusick, Albany; Gus C. Moser, Portland; K. K. Kubil, Portland; Denton Burdick, Redmond; Thomas Kay, Salem; Herbert Gordon, Portland; George A. White, Salem; L. E. Beach, Eugene; L. L. Patterson, Salem; J. D. Lee, Portland; I. N. Day, Portland; Amedee M. Smith, Portland; Lair W. Thompson, Portland; A. C. Johnson, Corvallis; George Neuner Jr., Roseburg; Tom T. Bennett, Marshfield; Jay Upton, Prineville; W. T. Vinson, McMinnville; J. W. Donnelly, The Dalles; H. T. Botts, Tillamook; O. V. Hurt, Waldport; Roy W. Rittner, Pendleton; George W. Miller, Medford; A. Massingill, Lakeview; Bert Anderson, Medford; F. D. McCully, Joseph; F. A. Baker, Klamath Falls; M. Fitzmaurice, Condon; and George W. Hayes, Vale.

Committee Meets September 24. The committee will meet in Portland September 24 at the Imperial hotel, and remain in session until the opening of the general meeting.

Individual republicans desiring to submit resolutions for incorporation into the general statement of principles of the party must submit them to the committee prior to noon, September 25. In the meantime they may be submitted by mail to Bruce Dennis at La Grande.

All republican state office holders and candidates, legislative candidates and hold-over senators, county candidates and county office holders and republican state and congressional committeemen and republican county chairmen and vice-chairmen are authorized delegates to the general assembly to be held in Portland, Headquarters will be established at the Imperial hotel, but the meeting will perhaps be held in the public library.

Formal Call Issued. In issuing a formal call of the meeting Chairman Tooze made the following comment:

"The purpose of this gathering of leading republicans from all parts of the state is to draft a definite statement of principles upon which our party may go before the people in the ensuing campaign. Certainly the people will welcome a statement of what we propose to do if our party is continued in power in the state in the executive and legislative branches. We are not invading the province of the direct primary in the slightest degree and do not propose to do so.

We simply wish to state collectively what individually most of our nominees have already stated, and to state the same in such manner that the people may know what we stand for. The authorized delegates to the meeting have been selected as has the resolutions committee, with a view to avoiding any charge that they have been hand-picked, and I challenge any man in the state to dispute successfully that the men in question represent the very best thought and highest ideals of the people of this state.

Purpose Is Threefold. The purposes of the meeting are threefold: To help further our efforts to reunite and rebuild the republican party in Oregon, and to arouse the people of the state to give more attention to their great peace-time duty of citizenship; to provide the people of the state with a party responsibility in legislative and administrative affairs instead of an individual responsibility, and finally to draw the attention of the people to the real governmental problems before us, and thus keep Oregon's political life free from false issues and questions which can serve only to divide our people hopelessly into factions, cliques and classes.

The meeting in Portland is not an endeavor to undermine the primary or any other law, and is not a movement on the part of any particular element of the republican party. It is a progressive step taken after full conference and discussion in every county in Oregon, and to meet a general demand upon the part of the people for a return in a measure to a party responsibility instead of an individual responsibility; a return to the rule of the statesman instead of the rule of the demagogue. For 15 years, legislative candidates in this state have been promising a reduction of taxes, a consolidation of commissions, and any number of other things designed to relieve the burden of the taxpayer. They have been prompted by the best intentions in the world, yet they lacked unity and collective responsibility, and instead of decreasing taxation, taxes have mounted skyward, and commissions have increased.

Hotel Clerk and Guest Robbed. OLYMPIA, Wash., Sept. 12.—(Special.)—John McIntosh, a guest, and George Diamond, clerk, at the Carlton hotel, were held up in the lobby of the hotel early Monday morning and relieved of money and valuables. Diamond lost \$20 in cash, a watch and chain, and an emblem of the Fraternal Order of Eagles, which McIntosh parted with \$70 and a watch and chain. In their excitement neither of the men could tell whether or not the holdup man was masked.

Olympic Highway Nearly Done. ABERDEEN, Wash., Sept. 12.—(Special.)—The paving of the final section of the Olympic highway from the east Grays Harbor county line to McCleary was started yesterday. The section still to be paved is about one and a half miles. A little more than that distance already has been completed. The machinery has been moved to McCleary, from whence the work will proceed to the bunkers on the east end of the stretch.

Prepare now, Edlefer's coal.—Adv.
