CORSET COMES BACK,

Backs Are Being Exposed Again, Gowns Fit Snugly Through Waist and Hips.

(By Chicago Tribune Leased Wire.) CHICAGO, Sept. 13.—The fashion show which is being staged by the Eashion Art League of America brings out the sad news to corpulent women that if they do not look tall and thin they are going to be out of luck. Living models of slim propor tions paraded up and down the runway today with gowns, garnished with picture hats and wraps of endless variety.

"If one is not really tall, she must be camouflaged to appear tall, and also very slender, said Mme. Crone STRIKERS WILL RETURN one of the leading exhibitors. "Many PEMBERTON IS VICTOR of the gowns fit snugly through the waist and about the hips, and to wrinkle where one should not wrinkle is a crime than which there is none greater. Therefore, to save the day, the corset is among us again, but in a much modified form."

The corset of today, it was explained, produces the much desired uncorseted effect, and at the same time conceals the much despised

This fact is illustrated by one evevelvet ribbon of a ravishing shade Baltimore, and with any others who measuring seven yards around the bottom.

Most of the gowns on display tial peace had been voted, came the favor bright colors rather than first definite information that S. black. Brown is a favored shade Davies Warfield, president of the for street wear, and almond green
