# Making Certain of Satisfaction in Clothes

NO ONE will deny the importance of quality in buying clothes, and since so much of it is where it can't be seen, you should make certain it's all there.

You may select a pattern that pleases the eye and its texture indicate softness and strength by its feel, but its ability to retain its shape and give lasting satisfaction will depend upon how it is put together.

We have always accepted our responsibility in this regard, and that is why we continue to hold the confidence of such a large number of men.
