# COAL PRICES SHOOT

TON BEFORE WINTER.

Breakdown of Governmental Efforts Held Responsible for Skyrocketing Costs.

(By Chicago Tribune Leased Wire.) CHICAGO, Sept. 15 .- Predictions were made today that Chicago and vicinity would be paying \$25 a ton fur advanced.

New York, thanks to an active fuel administrator, will get the same quality of fuel for \$13.10 a ton reand ivory traner. Captain McIn- of about \$3 a ton on this coal as between New York and Chicago, so that Chicago should get anthracite at \$16.10 a ton to return the same profits to producers and dealers as

Break down of the governmental efforts to limit coal prices is held partly responsible for the skycketing prices here. Activity o the federal fuel administration in routing coal away from Chicago and the middle west, is also held to be effcouraging speculators to boost

Anthracite reached the record price of \$17 a ton in last spring's scramble for fuel before the strike shut off production. Since then rail freight rates, a large factor in the cost of hard coal in Chicago, have been reduced. Miners' wages and other costs are the same or lower, so that a big additional profit margin will be split up somewhere between producer and consumer.

First, the house reaffirmed the Lambeth conference resolutions. adopted last year at Lambeth, England, where all bishops of church from throughout the world gather every ten years to consider church subjects. Then a resolution for a commission to study the subject and report its findings went through with equally clear sailing.

Faith in Method Expressed. The subject was broached by Rev Franklin C. Sherman of Akron, O. He spoke of the Lambeth resolutions, three in number, that, in effect, voiced the faith of the church that the Lord triumphs over disease and death, that more prayer and meditation be advised in order that to the power of Christ to heal be increased and that, while sciences of medicine and surgery be lauded. these, too, were but added evidences of divine power and that all stans of divine power and that all steps in healing come from God.

"I speak from my experiences as a parish priest," said Rev. Mr. Frank lin in urging adoption of his resolu tions. "I am well aware of the dan gers that lie round about this baffling question. There is danger of Three justices re-elected in Washington office, or to decide thereon, but misunderstanding by the public. primary. Page 5. misunderstanding by the public. There is great danger of fanaticism and that persons may lose hope and be driven to suicide

Doctrine Held Vital.

"I believe that spiritual healing is an elemental doctrine of Christianity and that it must be preached by the church of Christ, The ministry of healing is an integral part of the pastoral office. I am not ask ing for unction or for psychotheraps or for indorsement of any prayer or any society or for regulation but I am asking for the recognition of Nabraska and Colorado may Join North-healing in the language of the Lam, west Wheat Growers' association. healing in the language of the Lamacth conference.

"We desire to find the spiritual and scientific approach to the study Mixed changes in railroad bond list state deciding upon the qualificaof healing. I ask only that the convention make a clear affirmation of the fact that healing is a part of the gospel of Christ, that he has power to heal in the 20th century. The subject ought to be studied and seriously studied by all engaged in spiritual ministry and I ask to this end that the convention appoint a joint commission to study the subject dur ing the next three years and report church."

Cases Reported Healed. Dr. H. P. Almon Abbot of Maryland spoke upon the adoption of the Lambeth resolutions, first beout these sessions until now.

subject now presented is of vast and deep importance. I take great
