SATISFACTION IS WHAT MOST PEOPLE DESIRE: THAT IS WHY

We completely renew, overhaul or rebuild Hudson and Essex automobiles. These are in the best of mechanical condition. They are also warranted the same as factories warrant new cars. In addition, we give 30 days' free mechanical service.

Other makes of good automobiles thoroughly overhauled, put in first-class condition, and sold with a 10 days' free trial, subject to being returned and full credit given on any other car of equal price that customer may select.

This gives ample time for every purchaser to try out the car he buys, gives him time to have it inspected, and we want only satisfied customers.
