## HALL QUITS RACE; KLAN BACKS PIERCE

Row With Patriotic Societies is Settled.

#### STATEMENT IS ISSUED

Independent Induced to Drop Out as Result of Dangerous

Split in Ranks.

Charles Hall has withdrawn as an independent candidate for governor. By inference, his withdrawal is in favor of Walter M. Pierce, cemocratic nominee.

In making his withdrawal and issuing his statement outlining the H. W. Heegstra About to Start on reason, Mr. Hall has confirmed rumors which were current 10 days

Societies, who were at loggerheads, have buried the hatchet. The lourney.

klan has been working for Pierce Mr. and Mrs. Heegstra took a ride have buried the hatchet. The klan has been working for Pierce and the federation leaders were backing Hall. As this was developing into a dangerous split within the ranks of the forces behind the ranks of the forces behind the production were made. school bill, negotiations were made which united the klan and federa-tion and is designed to place these votes in the democratic camp.

Mr. Hall's statement follows:

PORTLAND, Or., Sept. 18, 1922.—The duty of the hour for all patriotic Americans is courageous adherence to fundamental American ideals and principles. It was because of the apparent necessity of presenting vital issues to the people of the state of Oregon that I became a candidate for governor in the republican primaries and not because of my personal ambition. My support in the primary came from those who believe in the principles of the proposed compulsory school bill and other measures affecting the public educational system and who also approve my views on economics and administrative policies. The court contest made after the primaries brought out distinctly, and were it not for the decision of the courts that democrats could invade the republican primaries on election day solely the relations remarks I would have an primaries on election day solely en religious graunds, I would have ceived the certificate of nomination as e regular republican candidate, and

Hall's Nomination Fought.

Mr. Hall would not have been brought into the field as an independent had Pierce given publicity to his commitment to the school bill earlier. Hall was nominated as an independent by a meeting of voters at Pythian hall two weeks ago, because Pierce had not satisfied the forces behind the school bill as to where he stood. Mr. Pierce had prepared his statement, dated September 3, and this was known to klan officers, but not to federation officers, so the latter proceeded to neminate Hall as an independent. Clansmen undertook to prevent Hall's nomination at the meeting, but were defeated. Followed publication of Pierce's stand on the school bill.

The klan was satisfied with Pierce's position and the satisfied of Pierce's stand on the School bill.

The klan was satisfied with Pierce's position and the school bill.

The klan was satisfied with Pierce's position and the school bill.

The klan was satisfied with Pierce's position and the federation, having brought out Hall, after his defeat in the republican primaries, was detemined to keep him as the third man in the race. As the klan and federation want the school measure adopted, it was realized that there would be a division of their followers if Pierce and Hall were contenders for this yet. were contenders for this vote.

The result of the matter was that Hall was induced to withdraw and signed his statement to that effect Saturday, September 16, although or the following day he informed a representative of The Oregonian that he would remain in the ampaign to the finish and that there

was nothing to the rumors that he would withdraw. With Hall eliminated, the klan and federation are now backing Pierce because of his announcement favoring the school bill. The klan has a grudge of its own against Governor Olcott because of his stand against that secret society during the primary campaign.

Appagently, the November cam-aign is to have the same elements injected as the primaries had.

#### CERTIFICATE MUST BE FILED Reasons for Withdrawal Are

Required by Law. SALEM. Or., Sept. 22.—(Special.)—
If Charles Hall, independent candidate for governor at the November election, desires to withdraw from

the contest it will be necessary for him to file with the secretary of state a certificate setting out reasons which are considered sufficien under the law.
This was the announcement made by the secretary of state today, fol-

lowing receipt of an unofficial re-port from Portland that Mr. Hall had decided to withdraw from the gubernatorial race in favor of Walter Pierce, the democratic nomine In case Mr. Hall files a certificate of withdrawal with the secretary of state it probably will be referred t

the attorney-general before any de-cision is announced by the state department.

The statute covering the case reads: "Any person who has been nominsted and accepted some nomina-tion, as provided in this act, may cause his name to be withdrawn from nomination at any time prior to the election by a writing declin-ing the nomination, stating the rea-son, signed and acknowledged by him before some officer authorized by the laws of this state to make acknowledgments of deeds and certifled by such officer, and by filing

the same with the secretary of state

or the county clerk or clerks or other officer with whom the certificate nominating him as a candidate was filed.

"Such withdrawal may be sent by telegram to the secretary of state through a county clerk, as provided by section 3983 in case of certificates of nomination."

### TRADE EXPERT, IN CITY

Three-Year Trip. ago, rumors which predicted this very course of action on his part.

Mr. Hall has advanced the compulsory educational measure as his reason for stepping out of the contest.

Withdrawal of Mr. Hall means that the leaders of the Ku Klux Klan and the Federation of Patriotic Societies, who were at loggerheads.

Mrs. Heegstra, foreign trade expert, was in Portland yesterday, just about to hop off again on a journey around the world that will occupy the next three years. With Mrs. Heegstra, who, with her husband is reveling in the scenic attractions of the northwest, the commercial explorer will sail from Los Angeles in ten days on his long.

#### Trains to Be Restored.

Statement Is Made,

It is said that Hall's announcement of withdrawal was to have been kept quiet until it would be too late for any other independent to get into the race by petiiton, but those who brought about the harmany between klan and federation talked and soon the Hall withdrawal became an open secret and it was given publicity in the federation newspaper.

Mr. Hall's statement follows:

#### UNCALLED-FOR ANSWERS

npen religious graunds, I would have received the certificate of nomination as the regular republican candidate, and that I actually was nominated by the republican voters of the state.

Until the past week there was no candidate for governor other than mygelf who openly and holdly espoused the principles which originally caused me to become a candidate. However, during the past week, public statements of other candidates have been printed which will have the effect of making those issues clear-cut before the people of Oregon.

For these reasons, and because principles is above my personal ambition, I shall take steps to have my name with drawn from the ballot.

Upon all my friends and especially those who so splendidly upheld our principles during the conteste this year, I write during the conteste the properties during the conteste the properties during the duri
