used motor cars really establish a precedent in the favor they receive, both to all dealers who have the opportunity of taking them in through new car sales and also to the USED CAR PURCHASER. Very often the other dealer oversteps good judgment in allowance on used Dodge Brothers' cars because of the good name the car bears. In this case that dealer's only redress in in passing this fieldloup price on to the used car buyer.

As DODGE BROTHERS AU-THORIZED DEALER we face as strong a moral obligation in the sale of used Dodge Brothers cars at we do with new cars. We isnow the record of each Dodge Brothers Used car; the exact date of production; its value.

In the purchase of your used Dodge Brothers var full information is at your disposal for the asking. It is not necessary to purchase from us to have the service at your command. We do invite your comparison with our values of "guaranteed" fransportagion. We have found this to be protection to you.
