

REPUBLICANS FORM ADVISORY GROUP

New Departure in Political Circles Announced.

R. A. BOOTH IS CHAIRMAN

Number of Ministers and Church Workers Named—Meeting is Called for Tomorrow.

A new departure in political activities in the state is the formation of an advisory committee by the republican state central committee.

Other prominent church persons connected with the committee are: Amadeo M. Smith, Portland; Rev. William S. Gilbert, Astoria, ex-state chairman for the American Legion; E. C. Apperson, McMinnville; Rev. Martin Fereshtien of the Unitarian church, Salem; Mrs. Lulu D. Crandall, The Dalles; Rev. T. H. Temple of the First Methodist church, Marshfield; Wilda Belknap, Prineville; Rev. D. H. Leech, a district superintendent of the Methodist church of Oregon; Rev. J. E. Snyder of the First Presbyterian church, North Bend; Mrs. Frank Chambers, Eugene, and others.

Women are prominent. Among the prominent women members of the committee is Miss Gertrude K. Talbot, head resident of Hendricks hall, Eugene. Others, known in lodge and business circles throughout the state, are Frank J. Miller of Albany; M. S. Woodcock of Corvallis; Grant Dimick of Oregon City; Assistant-General George A. White of Salem; L. E. Bean of Eugene; I. L. Patterson of Bala; J. D. Lee of Portland; W. B. Dennis of Carlton; C. E. Woodson of Heppner; Jess Barton of Coville; T. A. Wetke of Condon; W. H. Brook of Ontario; S. L. Parett of Newberg; J. C. Hayter of Dallas; Paul Wallace of Salem; Fred Wagner of Ashland; Ernest C. Smith of Hood River; D. H. Looney of Jefferson; H. L. Moore of Woodburn; Ben Sheldon of Medford; J. C. Smith of Grants Pass; Fred Steiner of Pendleton; W. S. Bower of Baker; Judge R. W. Sawyer of Bend; Orin L. Patterson of Canyon City; Binger Hermann, ex-representative, Roseburg; Bert Hall, Klamath Falls; Harry S. Bailey, Lakeview; Ira Wade, Toledo; Henry Crenshaw, Tillamook; Dr. Clyde Hackett, Enterprise; O. B. Robertson, The Dalles; T. B. Handley, Salem, and J. H. Upton of Prineville.

Members of the committee from Portland include: James B. Kerr, R. S. Huntington, Gus Moser and J. C. Talbot. Viewpoints are desired. "The reason for the appointment of this committee," said C. E. Ingalls, campaign publicity director, "is that we desired to get the viewpoint of a large number of citizens who were not identified with politics and from as widely scattered communities as possible. More than one-fourth of this committee have never been identified with political activities and it was the desire of the republican state central committee to impress into service as many representative citizens as possible without overloading the committee. These men and women have all accepted their positions. They are enthusiastic for the republican ticket, from the governor down, and letters from every one of them indicate that if they find it impossible to attend the meeting tomorrow they will undertake to perform any service for the party ticket that may be required of them. In addition to meeting here with the executive officers of the state central committee, these members of the advisory committee are keeping in close touch with the state central committee and are working through it in their respective communities.

MEETING IS CALLED

"The meeting of this advisory committee has been called for tomorrow afternoon at 2 o'clock at republican state headquarters in the Imperial hotel, room 208.

"Reports from members of this committee and other sources of information throughout the state indicate that Governor Oicott's chances of being re-elected by a good majority November 7 are improving every day as the voters become more and more familiar with the fact that the tirades about taxes that have been handed to them all summer by the non-partisan candidate, Mr. Pierce, are manufactured purely for political purposes and that Mr. Pierce himself is more responsible than any other one man in Oregon for whatever burden or injustice may exist."

HARVEST PEAK IS OVER

Portland Men Speedily Pick and Pack 11,000 Boxes of Apples. HOOD RIVER, Or., Oct. 19.—(Special).—The peak of the apple harvest is over. Yesterday the Harbake Land company, owned by E. A. Baker and W. W. Harbaker, Portland men, completed picking and packing out 11,000 boxes. The speed of their harvest was considered remarkable. Most growers with combined crops. With the crops of small places being packed and sent to storage and shipping points, packers are being released and the labor situation is becoming better.

DIVORCE HELD ILLEGAL

Couple Must Be Remarried to Make Union Lawful. ALBANY, Or., Oct. 19.—(Special).—Mr. and Mrs. Claude Behban of

Silverton will have to be remarried to make their union legal, according to the findings of Percy R. Kelly, judge in the Linn county court. Evidence was brought to light here tending to make the divorce decree granted to Mrs. Behban No. 1 illegal. During a hearing yesterday in the circuit court on a petition filed by Bertha Behban, the first wife, to have her former husband adjudged in contempt of court for failure to pay alimony, it was discovered that when the divorce proceedings were going on six years ago action was taken before the ten days necessary for default had expired. Summons was served on Behban on June 17, 1916, and nine days later the plaintiff won a default decree. According to the law the defendant was entitled to another day in which to answer the complaint.

RIDER CASE DELAY ASKED

MOTION IN MEDFORD TRIAL TO BE ARGUED.

Lack of Time to Assemble Evidence and Hostility of Press Among Reasons Given.

MEDFORD, Or., Oct. 19.—(Special).—Continuance of the trials of the six alleged night-riding defendants—all prominent and well-known citizens of this city and Jacksonville, from the term of the circuit court beginning next Monday, until the February, 1923, terms, was sought in a motion filed with the county clerk today. Arguments on the motion are expected to be called for Saturday, with Assistant Attorney General Liljeqvist and District Attorney Moore contesting the action.

Ground for the granting of the motion were cited and enumerated as follows: Lack of time to assemble evidence, interview witnesses and gather new evidence and retirement from the case of J. A. Jeffery, attorneys of Portland, after the defendants to the indictments had been filed. Hostility of the local and press of the entire west coast of the United States, alleged to have been filled with "inflammatory articles," against the Ku Klux Klan, of which "these defendants are alleged to be members."

OPEN HOUSE TO BE HELD

Nu Sigma Fraternity Will Give Reception at New Home. Saturday evening, October 21, the Nu Sigma fraternity will hold open house at its new home, 133 East Twenty-ninth street, from 8 to 10 o'clock. All alumni members of the fraternity, faculty and students of the university are invited to attend.

Nu Sigma Nu announces the pledging of Ernest Boylen, Pendleton; Jack Adams, Portland; Glen Campbell, Portland; Thomas Wyatt, Portland; Laurence Frailey, Portland; French Moore, Eugene; Virgil Cameron, Hood River; Eric Witt, Portland; Earl Anderson, Portland; Meredith Beaver, Ashland; Harold Deedman, Clackamas; Jack White, Portland; Kenneth Smith, Portland; Kenneth Power, Salem; Martin Howard, Portland; Ralph Taylor, Albany; William Greaves, Spokane, Wash.; Harold Averill, Portland; H. W. Chamberlain, Portland.

SUIT WON BY COUNTY

Baker Brothers, Contractors, Lose \$54,000 Claim for Grading. Multnomah county was victorious yesterday in the suit of Baker Brothers, contractors, who made the cuts and fills and did the grading on the Greeley-street extension, and who sued the county for \$54,000 alleged to be due for excess labor and expense. Presiding Judge Stapleton handed down the decision, in which Baker Brothers were awarded \$13,377.65. This amount the county admitted as due because of minor errors by the engineers who made the specifications.

CHINESE DOCTOR INJURED

SHERIDAN, Or., Oct. 19.—(Special).—John Young, Chinese doctor of this vicinity, was struck by a freight train late Tuesday on the Tillamook highway between here and Willamina, when the truck he was driving struck the side of a boxcar moving across the road. Dr. Young asserts he did not see the train until his truck was within a few feet of the head and face and was removed to the McMinnville hospital.

"WEAR-EVER" Aluminum Pudding Pan

Two-Quart Size (Regular Price 95c) for only 49c

Special price of cover 20c (Regular 28c) This fine Aluminum Pan 15c A utensil for a hundred uses. Special at above price from Oct. 20th to Oct. 28th.

HONEYMAN HARDWARE COMPANY PARK AT GLISAN ST.

5 MOOSE TO BE FREED

ANIMALS ON WAY TO COOS COUNTY HOME.

Protection Already Afforded to Species by Laws Adopted Many Years Ago.

The five Alaskan baby moose, held for the past fortnight in Brooklyn park, are on their way to freedom this morning, and will soon be released near Kroll, in the lake country of northern Coos county. N. B. Dolson, of the park staff, was com-

missioned by the state game department to accompany the animals, which were shipped by express last night, and to see to their release. "Northern Coos county," said Deputy Warden Brown, "is believed to be an admirable country for the propagation of moose. We decided upon it mainly for the reason that its lakes are such as are adapted, elsewhere, to the feeding habits of the species. There is an abundance of waterlilies and if there is anything that moose like better than lily roots it hasn't been discovered." Though there were no moose in Oregon at the time the statutes were drafted, tradition held that there once had been. The state game laws will require no amendment for it is now illegal to kill one of the species, and has been since the state adopted measures to preserve its wild folk of wood and field.

When the shipment was made from Alaska there were six of the young moose, in three pairs of male and female, but one of the young bulls died during the sea voyage. The moose will be met at Kroll by Joe Hill, an experienced woodsman, who has selected the locality in which they will be freed. County Agent Needs \$5200. EUGENE, Or., Oct. 19.—(Special).—Fifty-two hundred dollars will be required to conduct the office of Lane county agricultural agent in 1923, according to the estimate of C. J. Hurd, assistant county agent leader of the state. The county court will be asked to provide \$2000 of this sum and a committee soon will go before that body to ask that the amount be included in the budget.

CARS TO BE REROUTED

CHANGE MADE FOR MORRISON BRIDGE CLOSING.

Brooklyn, Mount Tabor, Sunnyside, Montavilla and Rose City Lines Affected.

As a result of plans for closing the Morrison bridge to all traffic for a period of eight hours, beginning after the last regular car has passed over the bridge Saturday night street cars now using that bridge will be rerouted. It was announced

yesterday by the Portland Railway, Light and Power company. The change will result in the cars on the Brooklyn, Mount Tabor, Sunnyside, Montavilla and Rose City Park lines all being rerouted over the Burnside bridge. As soon as the bridge is again open for traffic all cars will be restored to their regular routes. The routing of the cars on the different lines will be as follows: Brooklyn: From Grand avenue and East Morrison street via Grand avenue, Burnside bridge, Third street, Alder street, Second street, Burnside bridge, Grand avenue, to East Morrison street and then regular route. Montavilla: From Grand avenue and East Ankeny street via Grand avenue, Burnside bridge, Third street, Alder street, Second street, Burnside bridge, Grand avenue, to East Morrison street and then regular route. Sunnyside: From Grand avenue and East Ankeny street via Grand avenue, Burnside bridge, Third street, Alder street, Second street, Burnside bridge, Grand avenue, to East Morrison street and then regular route.

East Ankeny street and then regular route. Mount Tabor and Sunnyside: From Grand avenue and East Morrison street via Grand avenue, Burnside bridge, Third street to Morrison and then regular routes west and south and return via same route. Rose City Park: Same as Montavilla. Thrift Shop Drive to Start. MEDFORD, Or., Oct. 19.—(Special).—The thrift shop campaign of the Jefferson county chapter of the Red Cross will begin tomorrow. Teams have been appointed and all the other necessary preparations have been made. There was never a time when a good supply of materials was needed so badly at the Red Cross storerooms.

The utensil of a hundred uses

Get this useful pan TODAY

The Pudding Pan's Diary SATURDAY A WORE and found that the prunes I stewed last night had been served. At seven-thirty I went to the kitchen to find the oven with some breakfast food to crisp. Then I was given six eggs which, after warming up to my work and with a lid on a cover, I poached with a little less than one-half the amount of heat ordinarily used. You see, I heat up evenly all over, I hold the heat a long time and, therefore, I save a lot of fuel. After breakfast I made a delicious rice pudding for luncheon. The children love the kind I make. And, then it became a question of whether I would make soup, or heat up a can of beans. I was given the heat up in the afternoon I found fruiting a delightful job of molding fruit gelatin. That being turned out onto a dish and placed in the ice box, I was sent to the oven to make a chicken pie. Tonight I'm in the refrigerator keeping some food cold. Because of the thickness of the aluminum from which I am made, I absorb cold as well as absorb heat. And, being made of hard, cold-resistant metal, I do resist the action of strong food acids, I do not absorb odors or flavors, and I am safe and sanitary. Tomorrow is Sunday. I always start Sunday week-ends to keep them hot. I love that job, too.

THIS two-quart "Wear-Ever" Pudding Pan which regularly sells for \$95 is offered to you now at 49c—and for a reason! Because we know that if you once use a "Wear-Ever" aluminum kitchen utensil you ALWAYS will look for the "Wear-Ever" trademark on the bottom of EVERY cooking utensil you buy. That is WHY we are making it unusually easy for you to TRY "Wear-Ever." The two-quart "Wear-Ever" Pudding Pan has been chosen to show you the difference between "Wear-Ever" utensils and the ordinary kind because it has such a great number of daily uses in any kitchen. And the more you will use a "Wear-Ever" utensil the more convinced you will become that "Wear-Ever" utensils ARE different from the ordinary kind.

"Wear-Ever" utensils are made from metal that is HARDER, TOUGHER, DENSER. They are made from sheet aluminum that has been cold-rolled under enormous pressure for the purpose of putting INTO it the years and years of SERVICE that you will get OUT of it. You should not confuse "Wear-Ever" utensils with thin, flimsy utensils that have little more than a bright finish to commend them—and whose prices alone indicate the kind of service you may expect. Get this "Wear-Ever" Pudding Pan TODAY. Put it in your kitchen for a real service test. Then, you will KNOW why more than two million women prefer "Wear-Ever" and insist upon getting it. And then, too, you will KNOW why it pays to replace utensils that wear out with utensils that "Wear-Ever."

Regular Price \$95 49c for a limited time ONLY

This offer expires on October 28th
