Department of Justice Declared Trying to Clear Skirts by Federal Indictment.

The second installment of ex-Captain beach. Attorney-General Daugherty is Hounding Me" is presented herewith. After once being exonerated, Rosenbluth was recently indicted on a charge of murdering Major Alexander Cronkite by a federal grand jury at Tacoma, Wash, and is new under ball awaiting a hearing in extradition proceedings. In this article the man who has been called "The American Dreyfus" tells more of the details of his case that has attracted nation-wide interest.

NEW YORK, Oct. 22.—"If Rosenbluth is indicted I do not believe that he will ever be brought to trial."

Mr. and den (Rhocisco are the east.

That was the statement of James W. Selden, prosecuting attorney for Pierce county, Washington, last week when secret indictments were brought by the federal grand jury at Tacoma charging Roland Pothier and myself with murder.

"The skirts of the department of justice would have been cleared by procuring a secret indictment," he added. "They could then say that their first action against Rosen-bluth was justified because the Rosenbluth's threatening to cause a congressional investigation of the department of justice this grand jury indictment could always stand agninst his name.
