For the first time in three years the Washington high school football eleven tasted defeat yesterday in a high school league game.

Benson's six points resulted from a touchdown just before the end of the first half.

Washington threatened in the third period when back Edney broke away for a 30-yard gain to Benson's 25-yard line.

Benson fought stubbornly on its own five-yard line and held Washington for four downs.

Benson did not take a chance on having another punt blocked behind its own goal.

The game also was unique in another way. It was the only gridiron contest on Multnomah field, so far as the oldest crowd goes.

GREAT INCREASE IN ATTENDANCE ACCOUNTED FOR. "Prohibition has been greatest blessing sport ever enjoyed," Says T. J. Hickey.

(By Chicago Tribune Leased Wire). CHICAGO, Nov. 1.—Thomas J. Hickey, president of the American League, in discussing the increased attendance at games in his circuit during the last season declared that the increase was due to the dry law.

"Prohibition has been the greatest blessing baseball ever enjoyed. The passing of the saloon increased our patronage wonderfully. Regardless of the moral aspect of the 18th amendment, it was a great business booster for us."

Baggy's eleven is fast rounding into a team of real players. They have weight and fight, as manifested by the fact that they won the
