

BEVERIDGE'S DRIVE  
REAL REVELATION

Indians Rally to Support of Senate Aspirant.

REMOTE PARTS VISITED

Own Campaign Is Conducted and No Appeal Is Made to National Committee for Help.

THE OREGONIAN NEWS BUREAU, Washington, D. C., Nov. 2.—To national republican leaders Indiana is just now the brightest spot on the political map. The reason is Albert Beveridge.

Beveridge has shown a capacity for handling his own campaign for the senate that is nothing short of a revelation. He has gone out into the most remote precincts of the state to talk to the voters and the plain Hoosier folk are rallying to his support with a fervor that is a tribute to his character.

The big issue pressed to the fore in New Jersey and California, succinctly stated, is "shall a fellow be allowed a glass of real beer with his air-dried sandwich?"

Governor Edward I. Edwards, democrat, has taken an active part in the New Jersey contest for United States senator against Joseph S. Frelinghuysen, republican. New Jersey democrats are engaged in trying to prove that Senator Frelinghuysen, dry, has one of the richest wine cellars in Washington, while some California republicans seek to show that W. J. Pearson, democrat and dry, opposed to Hiram Johnson for the senate, possesses a stock of liquors second to none in Los Angeles.

But the dry issue in California is emphasized more noticeably in the race for governor where the democrats have a better chance than in the senate race. Thomas Lee Woolwine, district attorney of Los Angeles, is the democratic candidate to oppose for a wet platform of his own making against Friend William Richardson, present state treasurer. Mr. Woolwine is charged with the murder of William Desmond Taylor, moving picture director, who was mysteriously shot down in his studio about a year ago.

But all memory of the celebrated mystery has been lost in the hurry and bustle of Mr. Woolwine's campaign to quench countless thirsts. California's wet and dry campaigns appears to have reached its greatest intensity in Sacramento county, where health officials recently began to show the results of an order compelling the vaccination of all dogs on account of an epidemic of rabies.

SPOKANE, Wash., Nov. 2.—Improvement of operating conditions on railroads through grouping of roads and through the devising of systems to get cars back to their shippers more quickly will be a big factor in preventing a recurrence of the present freight-car shortage, Charles Donnelly, president of the Northern Pacific railroad, said today.

TICKET FAKE IS CHARGE

FRED L. GIFFORD AND W. C. ELFORD IN DISSENSION.

Grand Dragon of Klan Charged With Circulating Counterfeit "Yellow" Indorsements.

Dissension over tickets issued for the purpose of the faithful, who are thereby invited to vote next Tuesday, has arisen between Fred L. Gifford, grand dragon of the Ku Klux Klan, and W. C. Elford, secretary of the Federation of Patriotic societies.

Secretary Elford issued a statement yesterday in which he declared the grand dragon was putting out a fake ticket. He said Gifford has circulated a yellow ticket that is a counterfeit of the usual federated societies ticket.

"Our attention has been called to an alleged 'yellow ticket' issued by one Fred L. Gifford, which bears evidence on its face of counterfeit character. It purports to be issued in behalf of a 'Good Government League,' incorporated October 23, 1922, and was against the usual recommendations or 'tickets' at every election since 1914.

Recall Is Threatened. NEWTON MCCOY MENACED BY MR. DUNCAN.

Oregon's "Warwick" Offended by Recent Action Regarding Telephone Rate Cut.

Newton McCoy, chairman of the public service commission, elected on a recall ticket last May, is to feel the recall ax himself, according to Robert G. Duncan, nemesis of the telephone company, who yesterday made public his intention of starting a recall campaign against McCoy on December 13.

Duncan's letter to McCoy is Democratic in its vituperative qualities. The public service commissioner is called a little of everything unpleasant by his ex-friend, Duncan declared that he "dragged McCoy from political obscurity" and that he intends "to shove him back in that same obscurity" as soon as he gets his recall petitions working.

Wild Orgy of Extravagance, Highway Funds Squandered. The Final Cost of Roads in Some Cases More Than Double the Contract Price.

Here are absolutely reliable facts and figures which will ask you to read and let sleep in.

THE STATE HIGHWAY COMMISSION LET THE FOLLOWING CONTRACT AT STATED PRICES, AND THE FINAL COST TO THE STATE WAS \$1,458,848.08 MORE THAN THE CONTRACT PRICES.

IN OTHER WORDS, THE CONTRACTORS ON THESE EIGHTEEN CONTRACTS RECEIVED \$871.78 PER MILE MORE THAN THEIR BIDS CALLED FOR.

ONE OF THE MOST FLAGRANT EXAMPLES OF FAVORITISM SHOWN TO A CONTRACTOR WAS ON CONTRACT NO. 118, FROM GREEN SPRINGS MOUNTAIN ROAD TO THE CALIFORNIA LINE, A DISTANCE OF 14.80 MILES.

THE CONTRACT PRICE WAS \$286,233.50, BUT THE FINAL COST TO THE STATE WAS \$616,708.14.

IS IT ANY WONDER THAT THE AGENTS OF THE PAVING CONTRACTORS ARE WHOOPING IT UP FOR OLCOFF? IS IT ANY WONDER THAT I. N. DAY, THE BOSOM FRIEND OF JOHN YEON AND ONE OF THE MOST NOTORIOUS PAVING LOBBYISTS IN THE WEST, AND ATTORNEY JAY BOWMAN ARE OUT TO BEAT WALTER PIERCE AT ANY COST?

HERE IS ANOTHER EXAMPLE, MR. TAXPAYER. LOOK AT IT. ON AUGUST 7, 1917, CONTRACT NO. 12 WAS LET FOR FIVE MILES OF PAVING SOUTH OF TILLAMOOK TO OSCAR HUBER AT A CONTRACT PRICE OF \$110,644.64.

THIS PAVEMENT WENT TO PIECES IN A FEW MONTHS AND ON JUNE 29TH, 1921, THE HIGHWAY COMMISSIONERS LET A CONTRACT TO THE WARREN CONSTRUCTION CO. FOR REPAIRS AND RESURFACING FOR THE CONTRACT PRICE OF \$112,774, OR MORE BY \$2,129.36 THAN THE ORIGINAL COST TO THE STATE.

BUT THE CONTRACTORS WERE NOT SATISFIED WITH THIS AND THE STATE FINALLY PAID \$134,703.55 FOR THE JOB, OR \$21,929.55 MORE THAN THE REPAIR CONTRACT CALLED FOR ON THAT LITTLE FIVE-MILE JOB.

IS IT ANY WONDER THAT THE PAVING CONTRACTORS HAVE MADE UP A HUGE PURSE TO DEFEAT WALTER PIERCE? IS IT COMMON KNOWLEDGE THAT THESE EXPENSIVE HIGHWAYS ARE ALREADY WEARING OUT, AND IT IS CONSERVATIVELY ESTIMATED THAT AFTER TWO YEARS MORE THE REPAIR BILLS ALONE OF OUR HIGHWAYS WILL EXCEED \$6,000,000.00 PER ANNUM.
