

### OREGONIAN WINS CASE OF COGS CAMPBELL

#### Referendum Vote Permits Tackle to Play.

#### STAR NOW IS AVAILABLE

#### Lemon and Yellow Squad Acquires Crack Gridder, Though It Loses Chuck Parsons From Lineup.

UNIVERSITY OF OREGON, Eugene, Nov. 6.—(Special.)—Word received here yesterday, Professor Howe from Dr. Duback of Oregon Agricultural college, president of the Pacific coast conference, stated that four of the seven conference universities having voted favorably on the case of Cogs Campbell, Oregon tackle, Campbell is now eligible for competition under conference rulings and is available for the Oregon team.

At the October meeting of the conference Campbell was declared ineligible on the basis of abnormal scholastic standing, but Professor Howe was directed to make a complete statement of the case and forward it to all conference colleges for a referendum vote, after receipt of which to send in their votes after they had reviewed the statement. Although three colleges had not yet received their votes, a majority vote is all that is required, so under conference rules Campbell is eligible.

#### Hating as Tackle High.

Although Campbell never has played a conference game, he is well known in the western football world, and last year before he deposed to Oregon was rated one of the best tackles on the coast by Coach Rutherford of the Aggies. Campbell has played much football, having performed four years for Eugene high school, played on the freshman and took eleven, and on a service eleven during the war.

#### Campbell in Good Shape.

Campbell weighs about 200 pounds. Though he has not been out regularly, he is in good shape and will see action in part of the game at least with Washington State. The eligibility of Campbell and the return of Bill Spear at end greatly strengthens the Oregon line.

Offsetting that to some extent is the regrettable fact that Chuck Parsons, varsity guard and half-back, is withdrawing from the university today.

#### HUSKIES WORK GINGERLY

#### HARD PRACTICE IS LACKING FOR GAME WITH BRUINS.

#### Coach Bagshaw Proceeds Warily in Preparation for Game With California.

SEATTLE, Wash., Nov. 6.—Hard, smashing work was noticed for its absence in football practice at the University of Washington this afternoon, Dummer, secretary, said. His place for this week, Coach Bagshaw being of no mind to have any of his players sore when they come up against California Saturday.

Everybody was out for practice today except Christie, Petrie, Grimm and Kuhn fully recovered from colds over Sunday, and Sherman, Bryson and Ziel, injured in the battle with Washington State college October 28, used their legs as if they never had been injured.

Q. While team is kicking from behind goal line and ball is in air one of the players standing behind goal line holds a defensive end. What is the penalty and how is it assessed?  
A. It is a safety against the offending team. Rule 6, section 14, last paragraph, says: "If, however, the ball is in the air as from a kick when the foul is committed, it shall count as a safety against the team which committed the offense."

Q. End runs down field and in order to get by a defensive back runs out of bounds and then enters field and catches a forward pass. Is the pass allowed?  
A. Yes, if the player was on the field of play when he caught the pass it is a legal play. Rule 11, section 8.

Q. Is a safety player, receiving a kick-off behind his goal line, kicked before he gets on field of play?  
A. No. Such a play would be a touchback. Impetus which sent the ball across goal line came from opponents, therefore, a touchback. Rule 9, section 12.

Q. Team A has ball on opponent's five-yard line and attempts a kick. The ball is kicked over goal line. Member of team B falls on it behind his goal line. Is this a touchback or safety?  
A. According to a new interpretation sent out by the rules committee, a player removed from the game during the intermission between first and second half may return to the game any time during the second half. Rule 3, section 2.

### TIME OF PLAY UNIQUE

#### WASHINGTON-LINCOLN GAME IS WEDNESDAY MORNING.

#### Early Contest Arranged to Eliminate Need for Missing So Many Classes.

Washington and Lincoln high will institute an innovation in the Portland high school league Wednesday by playing their scheduled game at 11:15 o'clock in the morning, on Multnomah field. Principal Boyd of Washington and Principal Davis of Lincoln made the change so the Washington students would not have to miss so many hours of school.

Since Washington high school was destroyed by fire two weeks ago, its students have been attending classes at Lincoln high in the afternoon and the Lincoln students attend classes in the morning.

If the Washington students have to be excused every time we have a game, Mr. Boyd said, "it will mean that the Washington students attend classes in the morning, they need to miss more than two or three days in the year. This seems to be the solution."

Although Lincoln and Washington until recently were rivals for the championship, Lincoln's poor showing in football in the last three or four years has taken much of the luster out of the rivalry.

The Jefferson-Franklin game on Amistade day will start at 1 o'clock so as to permit the students to attend the unveiling of the Roosevelt statue at 2 o'clock. The game originally was scheduled for 2:30 o'clock Friday. It was changed to 2:30 Saturday and now is moved up to 1 o'clock the same day.

### GUN CLUB REJECTS MERGER

#### Hood River Shots Prefer to Stay Out of Country Club.

HOOD RIVER, Or., Nov. 6.—(Special.)—Howard S. Dumbolton, secretary of the Hood River Country club, at a meeting last night, announced that the organization's 55 members, by a vote of 2 to 1, has rejected a proposal of affiliating with the Hood River Country club. It had been planned that the Gun club would abandon its trap range on Columbia lowlands here and construct a new trap on the Oak Grove ranch place of the Country club. The members preferred the existing arrangements.

The club made final arrangements last night for its annual pre-thanksgiving turkey shoot to be held Sunday, November 19. A number of good shooters from Trout Lake, Glenwood and Laurel, Wash., are expected to participate this season.

### FRESHMEN CLOSE SEASON

#### Strong Varsity Material for Next Year Found at Eugene.

UNIVERSITY OF OREGON, Eugene, Nov. 6.—(Special.)—The freshman football season closed Saturday afternoon with the 6-0 defeat of the Oregon Agricultural college crooks. Four games were played by the freshmen. Mount Angel was defeated 7 to 0 in the opener. The freshmen were beaten by the University of Washington freshmen, 28 to 0, and played a tie game with Columbia university, 7 to 7.

The fresh season disclosed for the first time the strength of the A. Sinclair and Mautz, tackles; Bliss and Hunt, guards, and Bill Gosser, center. Anderson, quarter, and Poulson, Brosterhouse and Hobson, half-backs, may be strong contenders for the varsity first string next fall.

### GRAPPLER IN PECULIAR FIX

#### Oscar Butler, Middleweight, Can Get Nobody to Wrestle.

Oscar Butler, the Portland middleweight grappler, is in a peculiar fix. He is so good that he can't get the boys to go on with him; hence, he can't fill his dates. He is supposed to wrestle at Woodmen of the World hall, here, November 23, but as yet doesn't know whether he will be able to go on because all the middles hereabouts are shying away from him.

"I'll take on any middleweight in the country, who can make the middleweight limit at 2 o'clock the afternoon of the bout," said Butler yesterday. "I don't care any of them. The more replies I get to this challenge, the better. Here I am ready to wrestle any of the boys, and they won't accommodate me. It's tough."

### JACK DODD WORKS OUT

#### SACRAMENTO MATMAN LOOKS LIKE TOUGH CUSTOMER.

#### Ted Thye Takes No Chances on Bout Tomorrow Night With Strapping Opponent.

Jack Dodd, a light heavyweight wrestler from Sacramento, Cal., went through a two-hour workout yesterday in preparation for his match with Ted Thye at the Hellig theater tomorrow night. Dodd is considered in that section as much better than Hussane Turk, who wrestled Thye on the last card here. Thye is not taking any chances with Dodd and will be in his best condition for the struggle. The wrestlers will go for the best two out of three falls, or decision at the end of two hours.

Dodd wrestled Santei a two-hour draw in his last match in Sacramento, which is something a good many wrestlers have not been able to do.

Virgil Hamlin, who is promoting the show, will have two preliminary cards. The last wrestling card presented by Hamlin at the Hellig theater was the best all-around card held here in several years.

### WASHINGTON IN SHAPE

#### ELEVEN IS READY TO MEET CALIFORNIA SATURDAY.

#### Team Is Reported to Be in Better Condition Than at Any Time During Season.

SEATTLE, Wash., Nov. 6.—University of Washington's varsity football team, which meets the undefeated University of California eleven at the stadium here Saturday, is in better condition for the contest than at any time this season, according to football experts who have watched the last few tournaments. Most of the men who were battered in the game with Washington State college, October 26, are back in the lineup and the few injuries outstanding are only slight.

Three heavy scrimmages during the week will put a final fighting in the short side.

WEST POINT FORWARD PASS.

Here is shown one of the standard passing schemes. It is one of the most successful in use and is confined to no particular school, though it is here attributed to the army.

The left end bows out a little and then turns in to receive the pass if it is thrown to him. He is not the ordinary receiver of the ball for the reasons that are obvious. If the ball is intercepted on the short side there is little protection.

The left tackle, center, guards and right tackle hold for a moment and then go down to interfere for the receiver after they have completed the pass.

This is very important for it often means the difference between simply catching the pass and making a touchdown with it.

The right end goes as shown and is the normal receiver of the pass. The No. 4 back leads down into the deep center territory, making it very difficult for the defensive back who has to take one or the other of the two men coming in his

### WHITMAN SQUAD LEAVES

#### Longest Athletic Trip Ever Undertaken by School Started.

WALLA WALLA, Wash., Nov. 6.—Headed by Coach Vincent Borleske, 18 men members of the Whitman football squad left tonight for Seattle, where they will take the boat for San Francisco tomorrow for their southern football trip. This is the longest athletic trip ever taken by a Whitman organization.

Armistice day the Missionaries oppose the University of Nevada, eleven at Reno. A week later University of Utah will be met at Salt Lake City. The trip will give the men a light workout in San Francisco before boarding the train for Reno.

Names of the men who will make the trip will not be announced until after practice tomorrow. Borleske said today. With a few exceptions the Missionaries are in first-class shape.

### FRED KRIGBAUM ARRESTED

#### Charge of Bigamy Placed Against Ball Player.

LOS ANGELES, Cal., Nov. 6.—Fred Krigbaum, professional baseball player, was arrested here early today on a charge of bigamy brought against him by Mrs. Marian Webster Krigbaum, according to the police, who say Mrs. Krigbaum produced a marriage license as proof that the ballplayer married her at Nogales, Ariz., in 1918.

Krigbaum, she told the police, left her for another woman answering to the name of "Miss Ruby Louise White of Dallas." When the ballplayer met Miss White, the police in the former's apartment here she also, officers stated, produced a marriage license, whereupon Krigbaum was led away to jail.

### JENKINSON TO TRY COMEBACK

LOS ANGELES, Cal., Nov. 6.—Charles Jenkinson of the Los Angeles Athletic club, formerly national amateur welterweight boxing champion, will attempt a "comeback" after an absence of nearly a year because of a broken hand, when he meets Sailor Chadwick of the Pacific fleet at the club boxing show next Thursday night. Manuel Martinez of the club, Pacific coast amateur bantamweight champion, will meet Sailor White of the Pacific fleet.

### Wide Matthews Is Sold

MILWAUKEE, Wis., Nov. 6.—"Wide" Matthews, outfielder of the Milwaukee American association baseball team last season, has been sold to the Philadelphia Athletics in exchange for two players and a financial consideration. It was announced today. The deal transfers to the Milwaukee club Dave Keefe, pitcher, and Frank Galloway, infielder.

### Sunday School Meet Called

CENTRALIA, Wash., Nov. 6.—(Special.)—A Sunday school convention of the Church of the Brethren will be held in Centralia November 11 with the Olympia, Seattle, Tacoma, Richland Valley and Centralia churches participating. Morning and afternoon sessions will be held. The committee in charge of arrangements is composed of O. B. Gregory of Centralia, Lewis Thomas of Olympia, J. E. Eby of Richland Valley, F. F. Dull of Seattle and Oscar Thomas of Tacoma.

### WINGED M TEAM IS SELECTED TO DEPART SOUTH

#### BILL STEERS WILL PLAY

#### Olympic Club Eleven Declared to Be Bending Every Effort Toward Winning Title.

Twenty-three Multnomah club pigskin warriors, accompanied by Coach Paul and Hinhart Fischer, manager, will depart for Pasadena at 10 o'clock tomorrow morning to play the Olympic club of San Francisco Saturday, Armistice day, for the non-collegiate football championship of the Pacific coast.

Coach Faulk put his squad through some intensive practice on Multnomah field last night and will drive the players again tonight before boarding the train for the south. Faulk has completed arrangements for the squad to work Thursday afternoon on the University of California oval, at Berkeley, and Friday morning on the Pasadena stadium field.

The players sure of making the trip are: Left ends, Morrison and Rose; left tackles, Hale and Busch; left guard, Butler; centers, Stewart and Pallett; right guards, Strachan and Johnson; right tackles, Holden and Bartlett; right ends, Pelouze and Donaldson; left halfbacks, Briggs and Brandenberg; fullbacks, Steers and Baker; right halfbacks, Moran and Workman; quarterbacks, Smith, P. Jacobberger and Rinehart. One more player will be selected to make the trip, probably Vincent Jacobberger or Scotty Dutton.

### ONE SWITCH CONTEMPLATED

Faulk will make one switch in his first eleven. He will start Clipperton at quarterback, Stewart at one of the headiest and hardest hitting of backfield men, will run the squad for a change, alternating with Jacobberger and Rinehart. Smith will start the Pasadena game against the Olympic club in his debut as a quarterback this year. Smith handled the situation at quarter in several games last year and got away nicely.

The only other new face in the lineup will be that of Pallett at center. Pallett played center last year for the club, but has been unable to get out for practice until this week. Brick Leslie, who has been alternating at the pivot position with Bob Stewart, will be unable to make the trip.

### SEERS DECIDES TO PLAY

Bill Steers, who for a while could not make up his mind whether to make the trip south, will go. Despite his bad toe, Steers cavorted around the field like a spring lamb in Saturday's game against the University of California. He is thought to be in shipshape by Saturday.

At any rate, Coach Faulk has it all figured out for Bill to win the game. Moran, Strachan and Brandenberg, all smashing players, will give Bill some interference that should start the speedy big fellow on his way to goals.

### BUTLER AND STRACHAN, HUSKY GIANTS, WILL START AT GUARD AND SHOULD OPEN UP THE HOLES FOR PLUNGING MIKE MORAN, THE EX-WASHINGTON STATE STAR. MIKE HAS A FACILITY FOR OPENING UP HOLES HIMSELF IF THEY ARE NOT MADE FOR HIM.

### OLYMPICS PRIMING FOR VICTORY.

George Varnell, football referee, who passed through Portland yesterday on his way from San Francisco to Spokane, said that the Olympic club is sparing no time or expense in getting an eleven to beat Multnomah. The club has the Winged M team picked the Olympics last season, and licked them bad. Just last week the Olympic coaches picked Danny Wall, Trip Toomey and Pesky Sprott to the squad in preparation for the Multnomah game at Pasadena. They already have all the ex-Nevada, Stanford and California captains and stars within a radius of a 1000 miles of San Francisco.

Moran, Rinehart and Steers are on the injured list. Moran took some hard bangs on his right leg in Saturday's game. Moran will be under care of a rubber from now until game time and will not do any scrimmaging, except for a light workout Friday before the game.

### SAM MOYER WILL REFEREE.

Officials for the game will be Sam Moyer, formerly of Spokane, now of Oakland, Cal., referee; George Whitely of Los Angeles, umpire, and L. H. Foley of San Francisco, head linesman. These officials were recommended by George Varnell and will be insisted upon by the club.

Harry Fisher will accompany the team as business manager. Faulk will be busy handling the players.

### TENINO TEAM WINS GAME.

CENTRALIA, Wash., Nov. 6.—(Special.)—The Tenino and Rochester high school football teams tangled at Rochester Saturday, Tenino winning by a score of 14 to 0. A big crowd of Tenino rooters accompanied the team.
