T. T. Bennett of Coos county would also be acceptable to some.

Democrats Important Factor. There are enough democrats in the house to be an important factor in legislation and also in organization if all of the democrats will form a bloc. With a democratic governor, the democrats in the house have a more advantageous position than their party has attained in many years. Almost all of the democratic representatives, however, are new men, and a new member, as a rule, hasn't had his eye teeth cut until it is too late in the session to do him much good. At least one of the democrats will
