

ALLIES DEMAND TURK RETRACTION

Nationalist Stand on Customs Resented.

CONFERENCE IS ARRANGED

Situation at Chanak Is to Be Discussed.

ISMET MAKES PLAINT

Constant Proposals to Put Off Peace Session Are Declared Creating Difficult Situation.

CONSTANTINOPLE, Nov. 9.—(By the Associated Press.)—The allied high commissioners this afternoon handed a note to the Ankara government representative here demanding the repeal of all measures relating to the customs, the public debt and the sanitary and other services which conflict with the stipulations and the stipulations of the Mudania armistice agreement.

Meeting Is Arranged. The allied generals also arranged a meeting with Rafet Pasha, the nationalist governor here, to whom they will submit minimum demands with a view to insuring the safety of the troops and efficient control of the police and gendarmerie.

The commissioners also will discuss the situation at Chanak consequent upon the Kemalist encroachments upon the neutral zone. The result of the meeting is not likely to be known for some time, but there are abundant indications that the Kemalists are in an intractable mood, an instance of which are new demands for an evacuation of the allied troops and the withdrawal of the warships.

Note Handed Kemalists. Ismet Pasha, the nationalist foreign minister, in a conversation with General Harrington, the British commander-in-chief, on Wednesday, complained of the constant proposals to put off the peace conference, which he said created a difficult situation.

The high commissioners also presented a note to the Kemalist representatives, protesting against the "political murder" of the journalist, Ali Kemal Bey, editor of the anti-nationalist Sabah, who was condemned to die by the nationalists early this week on the charge of subversion.

REPLY IS STILL AWAITED

Strong Protest Made Against Execution of Editor.

LONDON, Nov. 10.—(By the Associated Press.)—Telegraphic communication between London and Constantinople continues interrupted. The only news that is coming in is reaching London slowly and through devious routes.

Dispatches dated Wednesday, received by the foreign and war offices today by naval wireless, indicated that the allied commissioners were at that time continuing to await a definite reply from the Ankara government to their demand that the Turks recede from their attitude, which the allies regard as out of accord with the Mudros and Mudania conventions.

The dispatches showed that the allied representatives also had lodged a strong protest with Rafet Pasha, the nationalist governor, against the execution of Ali Kemal Bey, editor of Sabah, an anti-nationalist organ. That the situation continues strained is shown by the fact that the Earl of Derby, secretary for war, was compelled to cancel a political engagement he had tonight. He explained his presence at the war office was absolutely imperative.

Four parties are continuing between the allies regarding the date for the Lausanne conference on near eastern affairs. Although no date has yet been set for the gathering, which was originally fixed for next week, it is still believed here that a postponement will be taken until November 20.

FRENCH ACTION EXPLAINED

Withdrawal from Chanak Declared Not Abandonment.

PARIS, Nov. 10.—(By the Associated Press.)—The success of the allied powers in obtaining an armistice for the Greeks is far from being decisive, Premier Poincare told the chamber of deputies this afternoon. The Turkish nationalists are no longer in the state of mind in which they were when they signed the Franco-Turkish agreement, he said, and the recent incidents showed that full accord between France and Great Britain was more necessary than ever.

M. Poincare paid tribute to Lord Curzon, the British foreign secretary, for the effective part he played in the armistice.

KALAMA OPENS FIGHT TO KEEP COUNTY SEAT

ILLEGAL VOTING IN KELSO CHARGED IN SUIT.

Steps to Prevent Removal of Courthouse to Rival City Taken by Taxpayer.

KALAMA, Wash., Nov. 10.—(Special.)—Suits have been filed in the superior court of Cowlitz county by I. N. Beigle, taxpayer, against County Commissioners Mauer, P. A. Parker and J. C. Ferguson, alleging illegal voting in Kelso on the removal of the county seat from Kalama to Kelso. It has been alleged that persons not registered and not eligible to vote were sworn in; that a large number who voted were not registered in the county, state, precinct books—only in the city ward books.

It also has been alleged that the registration books were carried about from place to place to get some 200 residents to register. Judge Kirby has issued a restraining order enjoining the county commissioners from declaring the result of the election until the court passes on the legality of the votes cast. A hearing has been set for 10 o'clock November 18.

KELSO, Wash., Nov. 10.—(Special.)—Kelso will take any action necessary to resist the fight of Kalama against removal of the county seat to Kelso. This was assured here today in a statement by E. W. Ross, manager of the campaign to win the change.

"Kelso has anticipated that Kalama might resort to court measures to prevent the removal," said Mr. Ross, when informed of the action to test the legality of the vote. "We are, therefore, prepared to meet any issue raised."

DR. STORK WHOLESALER

Babies Brought to Sisters in Same House Simultaneously.

(By Chicago Tribune Leased Wire.) CHICAGO, Nov. 10.—Old Dr. Stork displayed efficiency today when he cleaned up what would ordinarily have been two errands in one visit. Two sisters, who married brothers, today gave birth to babies, at about the same hour, in the same house. Mrs. Barbara Pick, 24, whose husband is Henry, 25, went over to call on her sister, Mrs. Mary Pick, 30, wife of Charles, aged 32.

Before Barbara could get out of the house the stork flew in and Dr. O. J. Dewitz was hastily summoned. He had just looked over the situation when stork No. 2 breezed in through the window and the husband and Dr. C. Peterson were sent for in frantic haste. Everybody is doing nicely.

GIRL APPOINTED JUSTICE

Miss Esther Peterson Put Into Office at Vancouver.

VANCOUVER, Wash., Nov. 10.—(Special.)—Miss Esther Peterson, 23, who was elected justice of the peace for the Fruit Valley district Tuesday, was today appointed to that office by the county commissioners, as she had not yet obtained her bonds. Miss Peterson, is a stenographer in the county engineer's office.

BABY DIES SECOND TIME

Partial Resurrection Wednesday Followed by Final Demise.

OAKLAND, Cal., Nov. 10.—The 18-day-old baby of Mr. and Mrs. George Kuyou actually died today after apparently having expired early Wednesday morning, only to be revived when it showed a spark of life in a funeral establishment. A careful examination of both the attending doctor and the undertaker today determined beyond all doubt that the baby actually was dead.

The undertaker is the one who revived the baby Wednesday. Today the body was prepared for burial and the funeral was set for tomorrow.

ENGLISH NOBLES RAISED

Lloyd George's Honor List Names Seven for Higher Titles.

LONDON, Nov. 10.—(By the Associated Press.)—Viscount Birkenhead is created an earl by the honors list of former Prime Minister Lloyd George, issued today, and Baron Lee of Jareham is made a viscount. Viscount Farguhar is created an earl and Baron Leverhulme becomes a viscount. The following are made peers: Sir John Bethel, Sir Joseph McClay and Lieutenant-Colonel Francis Midway.

MISS FIELD TO MARRY

Engagement of Grandniece of Late Marshall Field Announced.

LONDON, Nov. 10.—(By the Associated Press.)—The engagement of Charles Edmondstone, son of Sir Archibald Edmondstone, to Gwendolyn Marshall Field of Chicago is announced by the Evening News today.

FIGHT IN SIGHT OVER SUBSIDY

Democrats Prepare for Filibuster on Bill.

HULL ATTACKS PRESIDENT

Public Sentiment Declared to Have Been Defied.

COMMITTEE IS CALLED

Members to Clear Way for Measure, Which May Be Passed by End of Opening Week.

(By Chicago Tribune Leased Wire.) WASHINGTON, D. C., Nov. 10.—With the 67th congress called in special session for Monday, November 20, the fight over the pending ship subsidy bill, which will be the most important measure discussed, has begun. With Representative Edmonds, Pennsylvania, leading republicans members of the merchant marine committee, and A. D. Lasker, chairman of the United States shipping board, in conference today on plans for pushing the subsidy bill, Cordell Hull, chairman of the democratic national committee, voiced the democratic war cry against the bill.

Filibuster in Prospect. All signs point to a bitter fight with the prospect that the democrats will endeavor to filibuster against the measure.

"By calling a special session of congress to meet November 20, for the purpose of passing a ship subsidy bill, President Harding has shown that he is not profited by the lesson of Tuesday's great democratic victory, which contained not only a rebuke for the republican congress and administration but for himself as well," said Chairman Hull. "Presumably on the advice of men like Lasker and Daugherty he has decided to flaunt public sentiment by asking a repudiated congress to sanction repudiated measures and policies."

"The ship subsidy bill proposes to authorize the sale of the ships of the American merchant marine which cost \$3,000,000,000 for the sum of approximately \$200,000,000 with an added bonus of \$750,000,000; a loan of \$125,000,000 at 2 per cent when overtaxed people are paying from 8 to 12 per cent, exempt the beneficiaries from taxation, and without requiring an accounting."

Few Chances Proposed. This, no important changes are contemplated by the administration in the subsidy bill as reported last spring from the committee on merchant marine was indicated by Representative Edmonds after his conference with Mr. Lasker.

Mr. Edmonds said that the present (Concluded on Page 2, Column 4)

GOVERNMENT URGES EATING OF MEATS

AID TO LIVESTOCK INDUSTRY IS OBJECT.

Statistics Said to Show Decrease of 25 Pounds to Person Since War Days.

WASHINGTON, D. C., Nov. 10.—(By the Associated Press.)—The government has decided to come to the aid of the livestock industry and do what it can to stimulate the use of meat. A decrease of more than 25 pounds to a person in the amount of meat eaten in a year in the United States was shown by latest statistics. "During the war increase of livestock production and conservation in meat consumption were urged with a most effective artillery of propaganda," the department of agriculture said today. "We are now producing heavily, with continued inhibition of consumption, particularly by reason of high prices. The price situation varies with respect to the different kinds of meat and with respect to the different cuts of the same kinds of animals. Consumers can help the livestock industry—and also their own pocket-books—by using a wider variety of kinds and cuts of meat."

"Many persons still hold to the belief, which was largely the outgrowth of unfair and misguided propaganda, that meat is not healthy. Medical science has proved over and over that a large number of ills once charged against meat eating are due to infection of teeth, tonsils and other organs." The heavy decrease in the amount of meat eaten and its detrimental effect on the livestock industry, caused Secretary Wallace to call a conference recently of the officers of the department having to do with livestock and meat production, distribution and utilization. All phases of the meat problem were discussed, including the principles that must govern the department in widening the market and promoting the consumption of meat.

CARD PLAY LONG DRAWN

Endurance Contest Runs Five Days and Five Nights.

SYRACUSE, N. Y., Nov. 10.—Five days and five nights were claimed as an endurance record in long-distance pinocle play by three Syracuse university card players. Three teams consisting of three players each started a card playing endurance contest last Saturday afternoon, which continued night and day until yesterday afternoon. The high score was 134,000 points against the next highest count of 112,000.

FATHER AND SON SOLONS

Election Result First of Its Kind in Nebraska.

LINCOLN, Neb., Nov. 10.—The next session of the Nebraska legislature will see sitting as members of the state house of representatives for the first time in Nebraska history a father and son. They are L. G. Yochum of Ashland, from the 39th district, and C. L. Yochum of Talmadge, representing the fifth district. Both are democrats.

NOISE PARADE OPENS OREGON HOMECOMING

FRESHMAN BONFIRE HELD ON UNIVERSITY CAMPUS.

Football Game With Pullman and Class Reunions on Programme for Tomorrow.

UNIVERSITY OF OREGON, Eugene, Nov. 10.—(Special.)—The whole student body of the university celebrated with a gigantic noise rally the opening of the annual homecoming celebration. The parade was filled with noise-making contraptions of every sort. Scores of motor trucks loaded with racket, manufacturing equipment and with students carrying torch lights paraded through the city, letting themselves go "hog-wild" in an endeavor to make the noisiest noise. Tractors, caterpillars, steam rollers, sirens, rotary saw blades, steel triangles, steam whistles, klaxons, tin pans, scrap iron and all the possible refuse from the iron foundries which could be converted into noise-making devices competed with each other in an effort to shame the thundermaker himself. The pyrotechnic display which went with the racket added to the success of the rally, which was a manifestation of the spirit with which the Oregon football team with the student body behind it will go into the game tomorrow to "skin the Cougars" of Washington state.

After the parade graduates and students thronged to the campus, adjoining old Kincaid field, where the freshman class had built a 40-foot pyre. The annual bonfire of the year was lit and ignited to glorify the homecoming of Oregon's alumni. In a sea of mud, hundreds of enthusiastic persons assembled in the light of the bonfire, and listened to a revival of the spirit of past years recalled to the present by former yell leaders of the student body, who were called upon by the students to once more put them through the "Oskie."

The spirit of hospitality and greeting was all about the campus last night. Emblazoned display signs on the fraternity houses and the halls of residence exemplified the welcome extended to the returning graduates who have come here for the celebration. Saturday will be taken up with not only the football game, but with various class reunions, a large campus luncheon, an Armistice day parade and two student hops at the local armory and the woman's building.

BURGLAR TURNS ON GAS

Attempt Made to Asphyxiate Family at Berkeley, Cal.

BERKELEY, Cal., Nov. 10.—The police are seeking today a burglar, believed to be a woman, who attempted to asphyxiate the family of Cerman Mounicot, a retired business man, last night by turning on all of the cocks of the gas range in the kitchen of the Mounicot home. Mr. and Mrs. Mounicot were almost overcome when they stepped into a gas-filled corridor after arising. The imprints of a woman's foot was found in the soft ground under the kitchen window. Several valuables were missing from the home.

Big Attendance Expected.

Attendance records which last year totaled 28,000 on Armistice day, will be broken today if predictions come true. To handle the expected big crowd, an extra force of special police has been added to the already large corps and parking rules will be strictly enforced. Additional auto parking space of 20 acres was provided this year by the exposition officials and this has been carefully covered and rolled, with heavy sawdust to eliminate trouble from mud. Inside the huge 10-acre pavilion, the largest livestock exposition grounds under one roof in the world, steps also will be taken to handle the huge crowds.

Cars to Be Reouted.

During the Armistice day parade today, all stock show street cars will be turned back at Broadway and Burnside streets. All Broadway bridge cars also will be turned back at that point. Persons desiring to go to the stock show should walk to Broadway and Burnside for the stock show through cars. A feat never before attempted will be staged as a preliminary to the horse show matinee at 1:30 o'clock this afternoon when Prospect, the world's champion milk cow, whose daily production is 48 quarts of milk, will be milked in the huge arena by Carl Gokerell, special herdman. The Carnation stock farms management of Seattle, owners of Prospect, have consented to allow the public milking exhibition.

Mr. Gokerell is the only man who has ever milked the cow, and it was he who made the test of milking for 365 days, four times each day, in which Prospect produced nearly 19 tons of milk.

Other Champs to Be Shown.

During this exhibition three other world's champion cows representing the four great dairy breeds at the Pacific international will be exhibited in the arena. These three cows are Lad's Iota of the Jersey breed, the greatest butterfat producer of the world and owned by J. McKee of Independence, Or.; Edna of Mountain View, 4-year-old Guernsey champion of the world, owned by Wallace and Polyce of Sunnyside, Wash., and

FINE STOCK SHOW CLOSURES TONIGHT

Record Attendance Is Expected Last Day.

ARISTOCRATS TO PARADE

Horses to Be Put Through Paces at Matinee.

MILKMAIDS IN CONTEST

More Winners of Honors Are Said to High Bidders—Oregon State Farm Is Buyer.

PROGRAMME FOR THE FINAL DAY AT THE STOCK SHOW.

Doors open at 8 A. M. Industrial exhibits and 4000 pure-bred entries on view until midnight. Band concert morning, afternoon and evening. 1:30 P. M.—The world's greatest milk cow will be milked in the main arena by Carl Gokerell, the man who milked her four times a day for one year and broke all records for all cows of all breeds with nearly 19 tons of milk in the ring with Prospect will be three other world's champion cows, representing the Guernsey, Jersey and Ayrshire breeds. 2 P. M.—Horse show matinee. 5 P. M.—Final milkmaids' contest and awarding of cash prizes and trophies for this three-day relay event. 7:45—Night horse show. 9:15—Parade of livestock champions of 1922 Pacific International Livestock exposition (special event of horse show programme) in main arena.

Armistice day with its attendant parades, its triumphant processions and gala festivities will provide the greatest feature programme of the week beginning at 8 o'clock this morning at the Pacific International Livestock exposition in North Portland. Officials and exhibitors alike have prepared to make the final day of the stock show the greatest in point of attendance, in its programme of events and in its splendid array of purebred animals.

In the triumphant parade of the pride of the Pacific international show, the champions of all classes will be marched through the main arena tonight at 9:15 o'clock. Leading stallions, beautiful Jerseys, finely groomed beef cattle, sheep, hogs and all will be in line with their purple ribbons.

Dr. Sawyer indicated he was much encouraged over the progress his patient was making.

MUSKOGEE BLAMED BY ALICE ROBERTSON

BEATEN REPRESENTATIVE TO QUIT OLD HOME TOWN.

Vote of Citizens for Opponent Is Declared Insult and Oklahoma Will Stay Away.

MUSKOGEE, Okla., Nov. 10.—Miss Alice Robertson, the only woman in congress, who was defeated for reelection Tuesday by the man she unseated in the republican landslide of 1920, declared today that she had "been insulted by the citizenship of the city for which she long has fought and made sacrifices," and that when she leaves the halls of congress next March she will come back home to Muskogee just to get her summer clothes. Miss Robertson said she felt that she had not been treated fairly by the citizens of her home town, who rolled up a heavy majority against her Tuesday.

"It was purely a business proposition of sending me back to congress," she said. "I didn't want to run two years ago and it was only after much urging that I consented, but now I'm through." "For 37 years I've lived in Muskogee and was born within ten miles of the city, and I have always fought for the good of Muskogee just as I did while I was in congress. If I did it to do over again I'd do the same things I have done in congress and vote the same as I did. "I owe Muskogee nothing," she said. Sawokla farm, bordering the city, which Miss Robertson has owned since 1908, probably will be placed on the market soon as the last bit of property listed in her name here, she said. "Miss Alice," as she is known in Muskogee, said she had nothing to come back to here. "There are a lot of good homes open to me," she said. It is reported here that she has a place waiting for her in the woman's bureau of the department of labor in Washington. "Wouldn't you take it if it were offered to you?" she was asked. "I've got to do something, haven't I, and I haven't a cent income after I leave congress," she answered.

CAR SHORTAGE IS WORSE

179,239 Carriers More Than Available Demanded on Oct. 4.

WASHINGTON, D. C., Nov. 10.—Car shortage of American railroads, which was estimated last week by the Railroad Age, transportation periodical, to be the greatest in history, has increased on the basis of the latest reports made public today by the American Railroad association.

On October 30 179,239 cars more than railroads could furnish were being demanded by shippers, a number greater by 12,890 than was so reported October 23.

MRS. HARDING IMPROVES

White House Patient Now Able to Walk Little.

WASHINGTON, D. C., Nov. 10.—Marked indications of improvement in the condition of Mrs. Harding's were announced today by her physician, Brigadier-General Sawyer, who said she now was able to stand and to take a few steps. Dr. Sawyer indicated he was much encouraged over the progress his patient was making.

Honor to Be Paid Her.

Once more, too, will come a keener appreciation of the brave service of America's soldiers. It will be another occasion for paying love and honor and glory to heroes. All hearts will bow down in memory of the deeds of those who came home and those who will never awaken to another reveille. A day of devotion as well as memories. "That these brave men shall not have died in vain."

Portland's programme for the day centers about a tribute to Theodore Roosevelt, a happy warrior. A splendid bronze of the rough rider will be unveiled at its newly established location in the park block opposite the Ladd school. The statue will be dedicated to the children of America and is the gift of Dr. Henry Waldo Coe of Portland and the work of A. Philmister Proctor, noted sculptor.

City to Take Rest.

The city generally will rest from its labors. Proclamations by Governor O'Leet and Mayor Baker have emphasized the significance of the day. Business houses, banks, offices and state, city and federal departments will suspend operations for the holiday.

School children will parade to the Roosevelt statue this morning at 10 o'clock and give a salute to the flag. The pupils will gather from ten west side schools and will be accompanied by two bands. This pageant will number 1000 children, who have been drilled by Robert Krohn, and they will gather at the armory, where the parade will form. Mr. Woodward to Speak. Following the flag salute, S. C. Pier, city commissioner and chairman of the affair, will introduce

IN THIS LAND OF GIANT TREES AND TOWERING MOUNTAINS—THIS IS THE PLACE FOR HIM.
