WENME HEIRS SUIT HEARING IS OPENED

\$600,000 Science Church Case Is Outlined.

FUNDS HELD MISUSED

Undue Influence Also Alleged to Have Been Exerted to Obtain Benefaction.

Before Judge Belt in circuit court yesterday, trial of the suit of the heirs of E. Henry Wenme against the six Christian Science churches of Portland, involving an estate valued at \$600,000, was put under way. The plaintiffs in the action seek to recover the estate which was entirely bequeathed to the churches for charitable purposes, on the grounds that the funds are not being spent for such causes.

Intent Held Violated.

As outlined by attorneys, the plaintiffs charge against the six churches of Christ, Scientist, that the intent of Mr. Wenme with reference to use of the funds for charitable purposes has been violated. They hold that since this is true the funds should revert to the rightful heirs at law. These include August and Julius Wenme, brothers; Paulina Grohmann and Anna Schubert, sisters; and Johann Wenme, nephew. August Wenme is the only heir living in this country, his home being in Portland. The other heirs live in Germany, except Mrs. Schubert, who is a resident of Czechoslovakia.

Big Mines to Reopen

Cornucopia Mills, Idle Past Two Years, to Begin Operations.

HAINES, Or., Nov. 20.—(Special)—The mills of the Cornucopia Mines company, after an idleness of two years, will be placed in operation within the next few weeks, according to R. M. Betts, who is managing the property. Equipment for more rapid handling of ore has been installed and it is expected to keep the mills running continually after they are started.

Indictment Is Refused

Slayer of Paradise, Or., Man Virtually Freed of Blame.

LA GRANDE, Or., Nov. 20.—(Special)—Harry W. Swisher, was practically freed of blame for the killing of Vernon Baker of Paradise, September 12 by the refusal of the Walla Walla county grand jury to vote a true bill against him.

Caretaker's Home Requested.

Last August the trustees of the Wenme endowment fund petitioned the circuit court for permission to spend \$16,000 for construction of a caretaker's home at the site of the sanitarium. Judge Evans granted the petition, overruling objections of Tom Mannix, as attorney for August Wenme.

IF KIDNEYS ACHE FLUSH WITH SALTS

Harmless Way to Clean Your Kidneys and Help Bladder.

Kidney and bladder irritations often result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it may remain to irritate and inflame, causing a burning, scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread; the water passes sometimes with a scalding sensation and is very profuse; again, there is difficulty in voiding it.

Bladder weakness most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is often one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast; continue this for two or three days. This will help neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs, which then act normal again.

Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad Salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia water drink, which often quickly relieves bladder irritation.—Adv.

BEAUTY CULTURE HINTS

There is real common sense in just noticing whether the hair is well kept to judge of a woman's neatness, or good taste. If you are one of the few who try to make the most of your hair, remember that it is not advisable to wash the hair with any cleanser made for all purposes, but always use some good shampoo. You can enjoy the very best by getting some canthox from your druggist, dissolve a teaspoonful in a cup of hot water. This makes a full cup of shampoo liquid, enough so it is easy to apply it to all the hair instead of just the top of the head. Dandruff, excess oil and dirt are dissolved and entirely disappear. Your hair will be so fluffy that it will look much heavier than it is. Its luster and softness will also delight you, while the stimulated scalp gains the health which insures hair growth.—Adv.

NEW SERVICE ANNOUNCED

A new freight service, said to be of material advantage to small shippers, has been started here, according to announcement by the Clay S. Morse company. The company, which is known as the Fast Freight Express Service, will operate between New York and Pacific coast points.

The rate on a 100-pound package between here and New York has been estimated at \$5.75, whereas express charges are much higher. The time required for shipment between the two points is fixed at 12 days. The service will operate package cars out of Portland each day.

STAGE OWNER TO APPEAL

Operator of Portland-Seattle Line to Seek Decision.

OLYMPIA, Wash., Nov. 20.—(Special)—Judge Wilson in superior court here today refused to grant an injunction to prevent the department of public works interfering with the Seattle-Portland stage service conducted by A. D. Schmidt and dissolved a temporary restraining order which he had previously issued.

Schmidt, following his arrest here for operating a Seattle-Portland stage without a certificate of public convenience and necessity from the department, sought to enjoin further interference with his operations on the ground that the department had no jurisdiction over an interstate operation.

Harris, representing the Kelso club; and Wesley Vandercook, chief engineer for the Long-Bell Lumber company, were in Olympia Saturday in conference with members of the Washington Highway board regarding an appropriation for the Ocean Beach highway from Kelso to the sea, which would open Waukiakum county to the rest of the state. They were assured that an appropriation will be provided.

Fair Association in Debt.

WALLA WALLA, Wash., Nov. 20.—(Special)—Lack of a quorum today prevented election of officers of the Walla Walla agricultural and stock fair, but statements made at the meeting showed that there is a possibility of no fair next year. The association is \$8,500 in debt and Secretary Harry Paxton announced that no new board of directors would take over the association under this giving priority in re-frigerator loading to early varieties as applied to the Yakima district. A similar order affecting the Wenatchee district was cancelled Friday.
