NEW YORK, Nov. 20.—Jake Schaefer, in a game filled with brilliant nursing that accentuated a lapse during the center portion of his string, defeated Welker Cochran in their match tonight in the international 13-2 billiards championship tournament. The champion, when at his best, produced some of the closest nursing seen in the tournament.

The final score was 560 to 382. The defeat marked the final appearance of Cochran in the tournament, in which he has won one contest and suffered defeat in four. Schaefer closed his string with an unfinished cluster of 157. His average was 31.4-16, and his other high runs 150, 81 and 73.

Cochran's High Run 112. Cochran's average was 15.15-16, with high runs of 112, 46 and 42. Cochran had poor breaks at critical times, but on the whole was outplayed.

The summaries: Jake Schaefer, spot ball, 73, 0, 1, 150, 20, 0, 0, 2, 1, 0, 0, 6, 31, 2, 3, 157 (unfinished) total 560 points. Average 52.58. High runs 107, 105, 104, 104, 81 and 73.

Hoppe, Albert Gientler. Willie Hagenlacher, ex-champion, scored his fourth straight victory this afternoon by defeating Erich Hagenlacher, German star, in a close match, 500 to 462. The result assured Hoppe, who has but one more match to play, of at least a tie in the tournament.

Hoppe gained his victory in a match arranged with a strange medley of poor and uncertain cueing. Hoppe had an average of 22.16-22, with high runs of 117, 92 and 90. On two occasions when jumping his cue for the shot, he had to step away from the table to steady himself before continuing.

Hagenlacher made two desperate efforts to win, and but for wrong selection of shots might have done so. His average was 22 and his runs 140, 80 and 67. It marked the German's final appearance in the tournament, in which he has not won a game in five starts.

The summaries: Hoppe (white ball)—3, 5, 5, 31, 3, 47, 4, 2, 13, 1, 80, 1, 28, 7, 1, 117, 33, 52, 6, 0, 22. Total, 500 points. Average, 22.16-22. High runs, 117, 92, 90.

Refer to Albert G. Genter. Tomorrow Edouard Horemans, the Belgian, and Roger Conti, the Frenchman, will meet in the matinee match and, if they win, the champion, will meet Willie Hoppe at night in the final match of the tournament.

In the event of a tie, which appears probable, the extra play-off matches will be held in the roof garden of the Hotel Pennsylvania.

DYNAMIC and breathing the spirit of the desert, Priscilla Dean is doing the finest work of her screen career in "Under Two Flags," the current feature attraction at the Rivoli theater. This is a literary classic screened in a classical manner.

We know of no story better fitted for the films than the famous old romance of the outcast Englishman and "Cigarette," the daughter of the French regiment in Algiers. And we know of no one who could put more vim, dash, spirit and true characterization into the part than Miss Dean. The story, the star, the director, and the principal supporting players afford an ideal combination and one that makes for splendid entertainment. Had the part of "Cigarette" been written for Miss Dean she could not have fitted into it more admirably.

The color of old Algiers, its massive but dilapidated barracks, its quaint alleys and its interestingly queer characters, are all cleverly and accurately incorporated in this feature. There are street scenes that give a true insight of the life of the masses in this French province of northern Africa. The military pomp of the army post is presented with fidelity. And the opera-

Spokane Eleven Lies in Wait of Vandals in Hope of Victory to Realize Ambition.

UNIVERSITY OF IDAHO, Moscow, Nov. 20.—(Special.)—Gonzaga university's football team, which brought the Wyoming Cowboys all the way from Laramie, Wyo., to defeat them 7 to 0, is now laying in wait for the Vandals. The Brindle Bulldog feels his strength this year and has displayed it in several occasions. Last year, it will be remembered, Gonzaga knocked at the door of the northwest conference and was politely requested to wait a year. In Spokane there is a feeling that a victory over Idaho practicing in the Liberty stadium, where the Henri Keates concert and contest scored the biggest hit since it was begun. And it must not be inferred that this concert is light-weight entertainment. Its appeal is general. The lovers of worth-while music are not overlooked, and they attested their appreciation Sunday by their manner in which they responded to Keates' rendition of the "First Hungarian Fantasia." The "joy-fest," naturally, belongs to the contest section of the excellent program.

\$111,508.45 SPENT ON FAIR THIS YEAR

Administrative Cost Shown to Increase by Report.

LAW'S REPEAL IS URGED

Act Is Declared Responsible for Much Confusion Over Funds Transferred From State.

SALEM, Or., Nov. 20.—(Special.)—Expenditures in connection with the operation of the Oregon state fair, under direction of A. H. Lea, secretary, for 1921 aggregated \$107,085.01 as against \$107,100.32 for 1922, according to a financial report completed by J. E. McClintock, veteran cashier for the state fair board.

Itemized expenditures for 1921 included executive expenses \$919.03, administration costs \$6037.19, office expenses \$2586.01, advertising \$1213.57, labor \$1298.35, gas \$13396.05, concessions \$1245.56, horse

show \$318.90, races \$20,596.00, music \$2891, amusements \$2280, hotels \$1074.65, lights \$2493.83, water \$470.34, bonds \$481.64, hay and straw \$577.20, general expenses \$3925.23, police \$1061.26, fire department \$784.75, programmes \$525.88, boys' and girls' clubs \$1161.85, supplies \$644.32, rest room \$444.30, equipment \$483.77, United States government exhibit \$25.25, buildings and materials \$112.73, grounds and labor \$1376.74, grounds material \$870.42, and services \$75.

The premiums for 1921 aggregated \$42,791.14, while there was paid out of state appropriations for walks and roads \$24,755.61. The appropriations also took care of \$63,476.30 expended for buildings and repairs and \$2999.94 spent for printing and advertising.

The grand total expended by the fair board in 1921, including the operations of the fair and improvements to grounds and buildings was \$193,926.86.

For 1922 the general expenses of the fair aggregated \$44,492.56, exclusive of premium money received from the state in the amount of \$42,607.80. State appropriations included \$494.35 for walks and roads, \$110.82 for buildings and repairs and \$2256.17 for printing and advertising. Total expenditures for 1922, including the expense of fair operations, premiums and improvements to buildings and grounds was \$131,508.45.

In his report to the fair board, Mr. McClintock said the increase in administrative expense for 1922, when compared with that for 1921, was due to the appointment of a superintendent of buildings and grounds at an annual salary of \$1250.

The results, according to Mr. McClintock, were clearly set out by

Secretary Lea and each and every item was included in the cash book. The method of handling the state fair funds under an act passed at the 1921 session of the legislature was branded as unbusinesslike by Mr. McClintock, and he recommended that the law be repealed at the next session. Under the law in question there is an exchange of funds between the state treasurer and the fair treasurer, Mr. McClintock said, which results in much confusion.
