

MINISTERS ATTACK KLAN IN NEW YORK

Four Sermons Are Preached Against Robed Order.

POLICE FORCE CRITICISED

Pastor Blames Department for Failure to Break Up Irish Gathering.

(By Chicago Tribune Leased Wire.) NEW YORK, Dec. 3.—Four New York ministers in sermons tonight attacked the Ku Klux Klan which has begun a drive for members in New York city under the direction of the Rev. Dr. Oscar H. H. ...

Investigation is invited. "I think I could help the mayor by prayer and fraternal counsel if he should come to me," said Dr. Stratton, "and I might be used by the Lord to help brother Enright. But I hope the mayor will be as successful in his investigation of me as I was two years ago when my exposure of immorality and corruption resulted in the conviction of a high police official."

Klan Sympathy Denied.

Dr. Stratton denied that Klan literature was ever distributed in Calvary church and that he had any sympathy with the movement. There are good men in the Ku Klux Klan, he conceded. "Their ideals," he said, "are fair enough, but they fail to see that their ways are contrary to American principles."

Order Declared Un-Christian.

At Fort Washington college church Rev. Robert W. Searle declared the Klan to be unrepresentative of the Christian church or the true spirit of Americanism. Dr. Newell Dwight Hillis of Plymouth church, Brooklyn, joined in denunciation of the Klan.

ALCOHOL DANGER FEARED

Shipping Board Proposed to Refuse to Authorize Appropriations Out of the Merchant Marine Fund.

POLICE RAID LOTTERIES

THREE ORIENTALS AND FOUR WHITE MEN ARRESTED.

Two Consignments of Liquor Are Seized Also by Details From Morals Squad.

(By Chicago Tribune Leased Wire.) NEW YORK, Dec. 3.—Police raided three Chinese lottery dens in the north end late Saturday night yielding three Orientals, proprietors of the establishments, four white visitors and a quantity of paraphernalia. The usual heavy quota of white men in pursuit of the elusive goddess of chance were nowhere found.

ALCOHOL DANGER FEARED

Apparently there is no fear that if the shipping board proceeded to execute contracts under the terms of the subsidy bill, assuming that it is passed by congress, that congress will refuse to make the necessary appropriations. The fear is that the fact that congress must annually approve the appropriation will develop in ship owners, bankers and investors an attitude of aloofness from shipping securities.
