STUDY THESE VALUES.

Bdwy, 2281. 11th and Burnside.

The used car, backed by a reliable house, new occupies a safe and definite place in the automobile world. Many times greater dollar for dollar value is obtainable in a used car than in a new car. A few hundred dollars will often buy more real automobile value in a used car at Mitchell, Lewis & Stawer Co, than is possible in any new car anywhere near the price. Come and see our stock and you will learn the truth of these statements.
