TWOHYS LOSE ON APPEAL

Public Policy Prohibits Recovery of \$300,000 on Contract.

SALEM, Or., Dec. 5.—(Special.)—Twohys Brothers company cannot recover approximately \$300,000 alleged to be due for services performed and supplies and materials furnished to the Oregon irrigation district, according to an opinion written by Justice Brown and handed down by the Oregon supreme court here today.

Disgrace Is Not Concealed. Von Moltke does not conceal his disgust with the English proposal and declares that he was convinced long before the outbreak of the war that France would never remain neutral in the event of hostilities between Germany and Russia and that the moment war between Germany and Russia broke out it was imperative that Germany, so soon as the French attitude became suspicious, immediately declare war on France.
