FOR SALE-TBUCKS AND TRACTORS.

This company has never in-dulged in extravagant claims or statements regarding used trucks. We have always felt that the way to buy a used truck was to investigate:

1. The make of the truck, 2. The company selling it. Look around—see where you can do the best—then buy there. It's the way we would do also.

We are going to close out our stock of used trucks before the end of the year regardless of price. We have cut our prices in some cases squarely in two. If you are interested we'd be glad to show you what we have—and we will refuse nothing within reason.

Look over these prices and remember there are more just like them.

5-ten White, 1917, dump body and heist 1500 Other Makes. Other Prices.

Remember we are going to sell all our used trucks before December 31. Don't wait, If you need a truck, but see our stock while it
