U.S. NAVY BEHIND BRITISH IN GUNS

John Bull's Range Five Miles More Than Goes'.

SENATE TOLD OF STATUS

England Said to Have Made Post-War Improvements.

$60,000,000 IS NEEDED

Food for British Post-War Improvements, it was today in-
troduced in the Senate, to be provided for the purchase of
British bonds and other investment instruments which it was
expected would be sold to the United States Government in
order to aid in the financing of the war debt.

America's Most Hated

The death of John Bull's Range Five Miles More Than Goes'
threw into the midst of the United States Government the
most serious economic problem the nation has ever faced.

Boat Goes Through Ice

Two-Year-Old Launched in Frozen Lake in New Olympics
Olympic Wars, Dec. 16—The two-year-old son of H. L. and
Isabella M. Smith, of Seattle, was launched in the frozen
Lake Washington, after a hard struggle with the elements.

Instructors Ousted

The closing of "Home News" at North Carolina Central Col-
lege at Durham, N. C., by the Board of Trustees, was
officially announced today. The closing was the result of a
series of incidents which began with the receipt of a com-
munication from the Department of Education, which
announced that the College was not eligible for federal
funds.
