A Hundred Christmas Stores

THE advantages of shopping at Meier & Frank's, always apparent, are remarkably so during the last busy days before Christmas when there is so much to be done. Here only are: More than 3000 Christmas co-workers imbued with the spirit of cheerful service—19 elevators—8 escalators—40-odd delivery vehicles—post-office, accommodation bureau and Christmas wrapping station (Basement).

100 Christmas Gift Shops Are Here Under One Roof With But One Idea: To Serve the Public Well

WE suggest that patrons as much as possible use the escalators and stairways which give easy access from stock to stock and from floor to floor. That patrons who can do so shop in the morning, shop on a transfer, be sure that salesperson gets name and address correctly and that they CARRY SMALL PARCELS. —Meier & Frank's—The Store of Service and Accommodation—is pre-eminently the Christmas Store.
