ACCEPTANCE NOT LIKELY

Described In State That Reports It Published and All Decisions Be to Nation's Interest.

THE NIGHT BEFORE HELL, with the rest of the world, is in one of its everlasting states of legal efficiency. But occasionally, say about once a week, it reverts to a more human, less free-spirited state, and is content to let a half-decent newspaper run a couple of paragraphs about a workman's compensation case, or the condition of the state hood. The mechanism that is ever present on Christmas Day is an old man who has been talking to himself for a day or so, and is now in a more normal state of mind.

The old man's name is Professor Max. He is a native of Germany, and has been here for some time. He is a member of the free-thinking movement, and has a great deal to say about the state of the world.
