THE spirit of this season extends throughout the world; it has come to represent a time of gen-eral "good will towards men"; typifies the true Christian prin-ciple, which, indeed, we often find expressed without restric-tion as to race or creed.

Today, on every continent and archipelago, we find the Ford car or Fordson tractor; you and the native of Slam have somewhat a common bond—you both drive Fords.

To you it has meant greater pleasure or increased business productions. It has done tho same throughout the world.
