STAN MCKENZIE

Should Portland call "Heads" or "Tails?"

That's if there is a coin toss between the Portland Trail-Blazers and the Cleveland Cavaliers, for the first collegiate draft.. choice this month.

The Trail Blazers are asking their fans to make the decision! Drop a note to Oregon's 1st major league team. And the Blazers will abide by the majority decision.

Send your choice to:

Heads or Tails
Portland Trail Blazers
Suite 380, Lloyd Bldg.
700 N E Multnomah St.
Portland, Ore. 97233

Votes must be received no later than Monday, March 15, because the coin toss most likely will be made by NBA Commissioner Walter Kennedy as soon as the teams eligible for the first choice are determined.

The coin toss will be held between the teams with the worst records in the Eastern Conf. (Cleveland rates the best chance) and the Western Conf., where it would take a miracle finish for Portland to beat out Seattle or... San Diego.
