Tid Bits for Living

By REV. T.L. STRAYHAND

How much do you care?

A father very concerned about his son and fearful that his son had lost all interest in the church asked the minister to speak to his son. The father presented his reasons for scarce attendance at church but he had so much to do and often on Sunday morning was the only time he could get out with his friends on the golf course because of the crowd wanting to play and 11 o'clock on Sunday was often tee time on the golf to go to church and keep up the interest.

The minister approached the boy self confidently and said to him, "I should think you would want to keep your interest in the church if for no other reason than the fact that your father is interested in you and in the church."

The boy asked the minister, "Do you know how much my father gives to the church each year?"

The minister began to loose for a while and said, "I really do not know the exact amount but I know he is one of our most generous members. I would say he gives about five dollars a Sunday."

The boy hurriedly added that figure and said to the minister, "That makes about \$260.00 a year to the church. It costs him \$600.00 a year to keep his membership in the country club. He gave \$5,000.00 to help his friend get elected as mayor. You say my dad is interested. I would suggest you ask him to give at least \$500.00 a year to the church, ask him to come to church with me and then you come back and talk with me after we find out how much he really cares."

BREAD OF LIFE

By Rev. A. Purnell Bailey

It will do us good to remember what Albert Schweitzer said when he received the Nobel Peace Prize: "But the essential fact which must now strike home to us (and it should have struck home long ago) is that inhumanity and the superman are indissolubly linked; the one progresses in step with the other."

Why is the superman so dangerous to humanity? Because we are deluded into surrendering to him our liberties in the name of progress and security. Remember the diplomat who was shocked at finding President Lincoln shining his own shoes? "Do you polish your own shoes?" said the astonished man. "Yes," Lincoln answered. "Whose shoes do you polish?" When a man fails to put God at the center of his life, he turns to the superman. The destiny of man is to glorify God and serve his fellowman. All else is futility of direction. The Master said: "If any man desire to be first, the same shall be last of all and servant of all." The one to hold high is the servant, not the superman.

Trust in the Lord and do good. (Psalm 37:3)
